

29002 protein-coding RNAs and lncRNAs
43 Lamprologini species (all species)

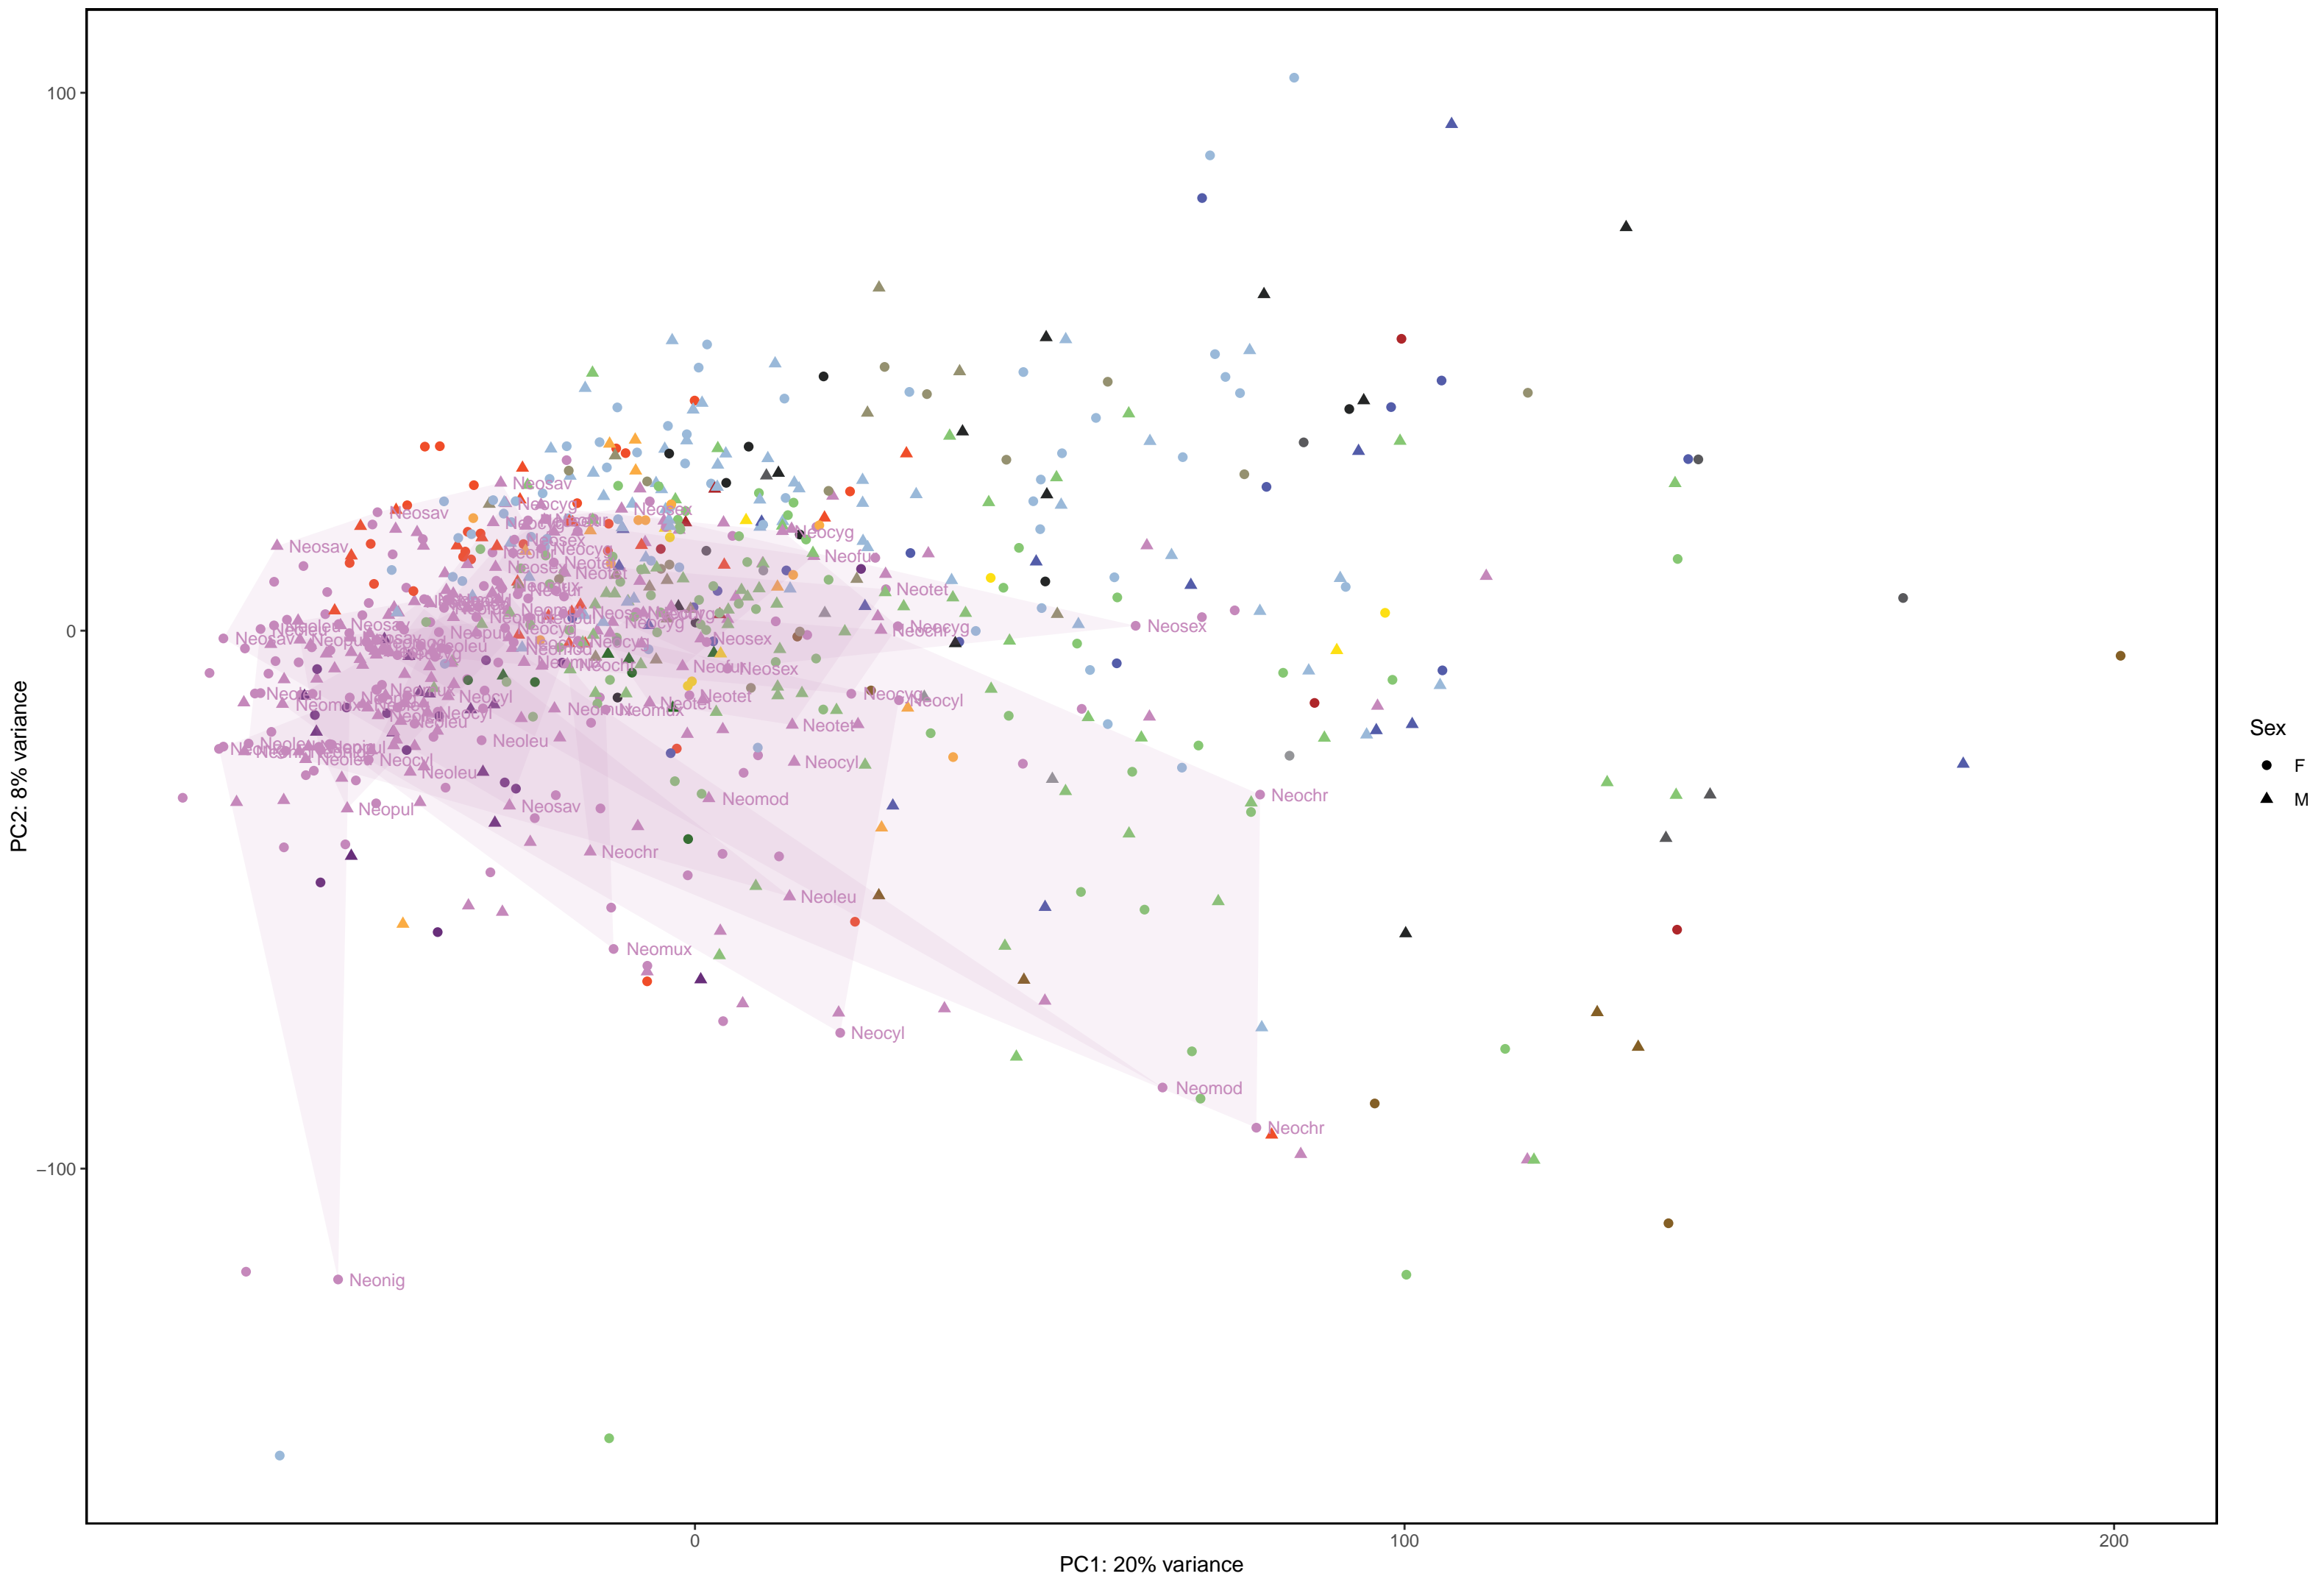

29002 protein-coding RNAs and lncRNAs
11 Lamprologini species (part 1)

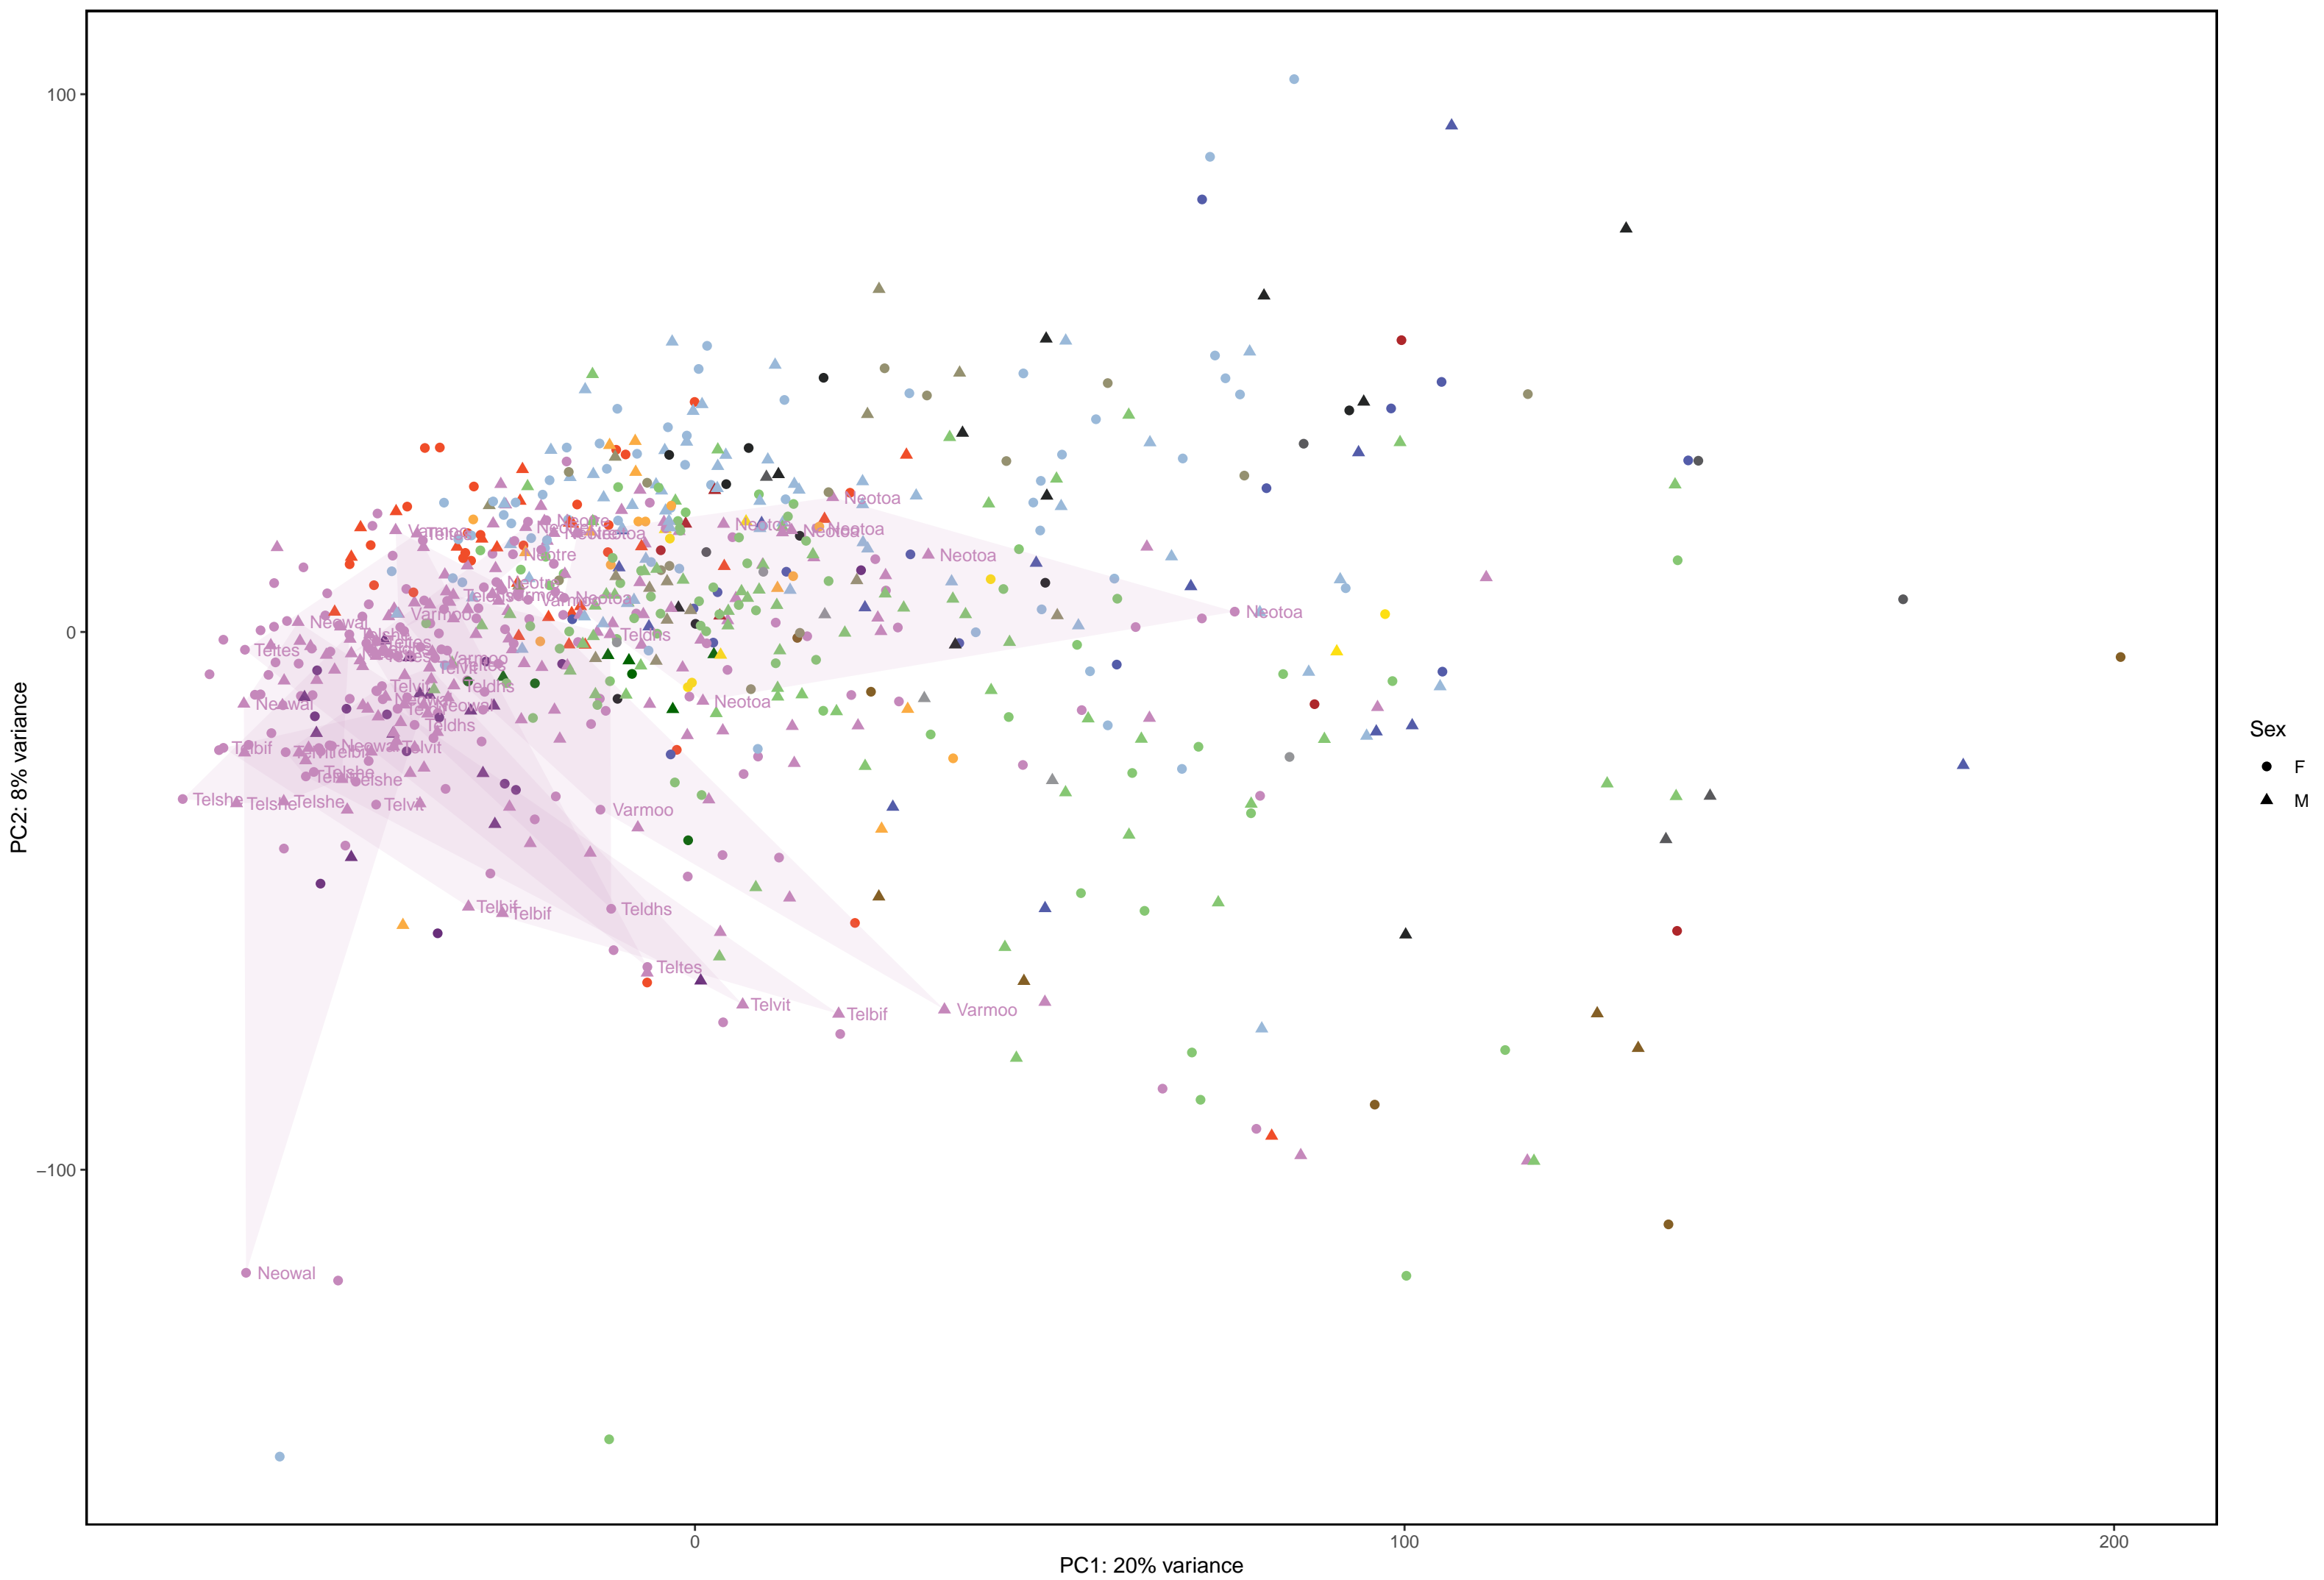

29002 protein-coding RNAs and lncRNAs
10 Lamprologini species (part 2)

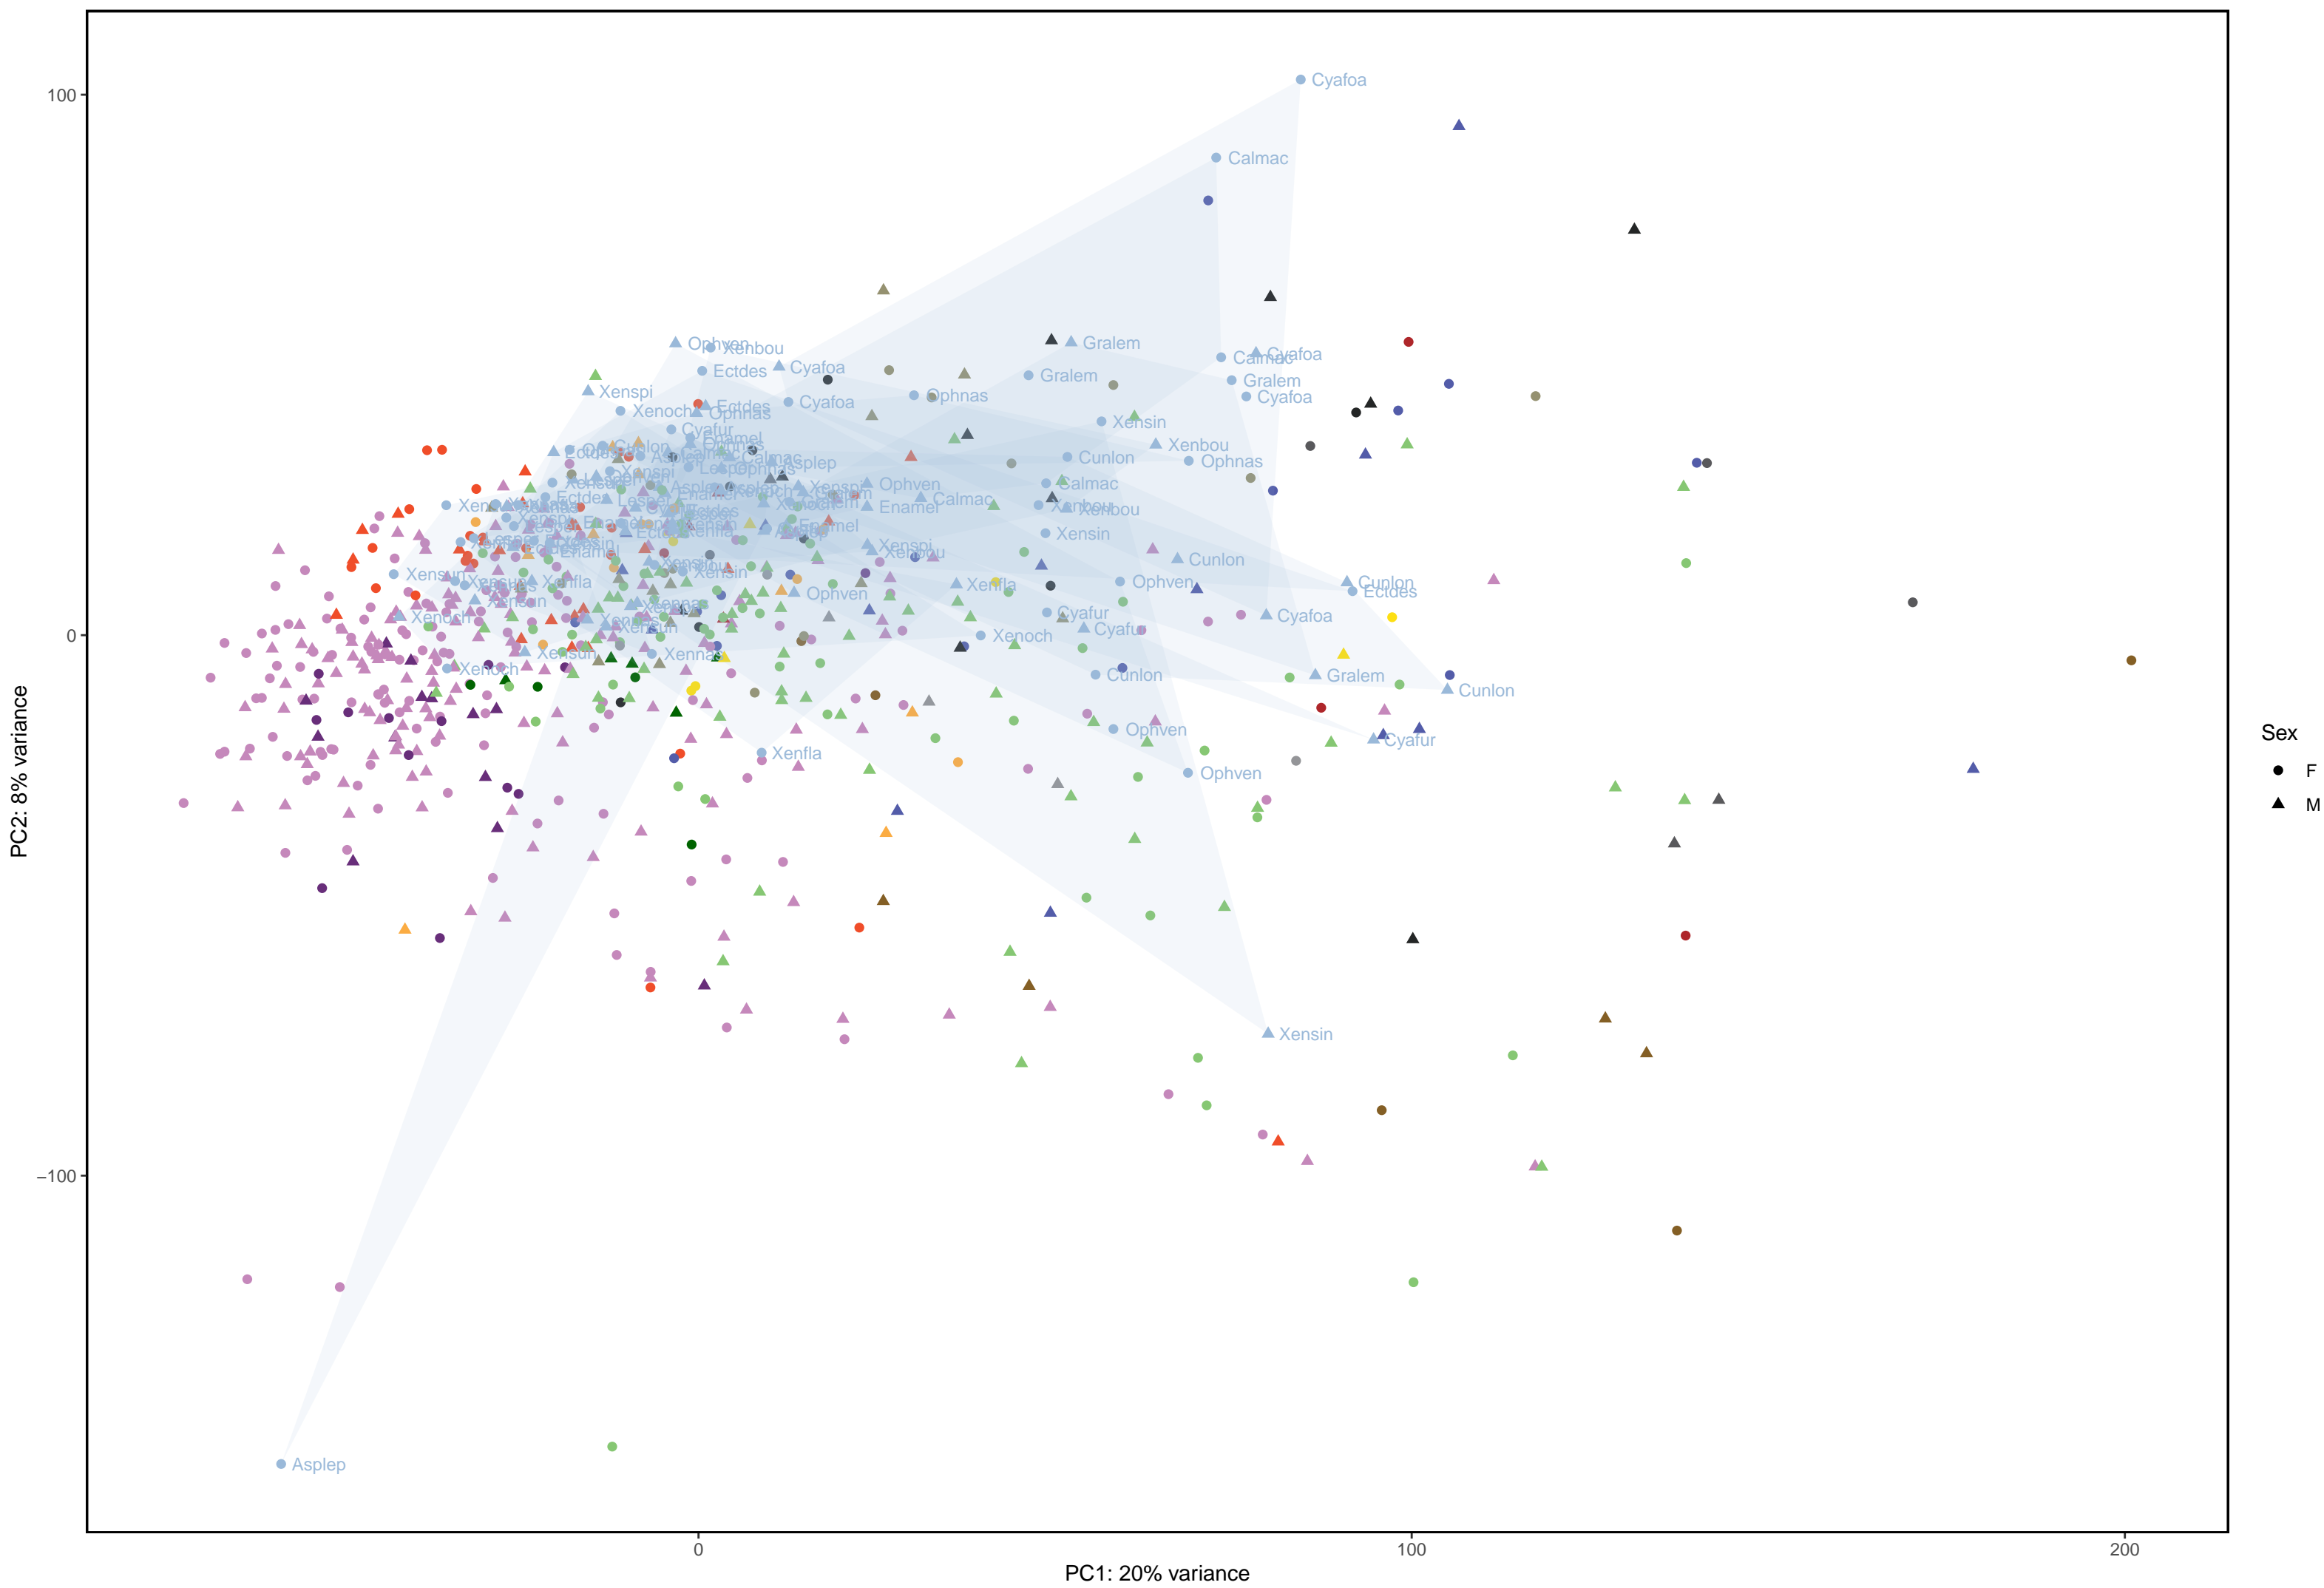

29002 protein-coding RNAs and lncRNAs
12 Lamprologini species (part 3)

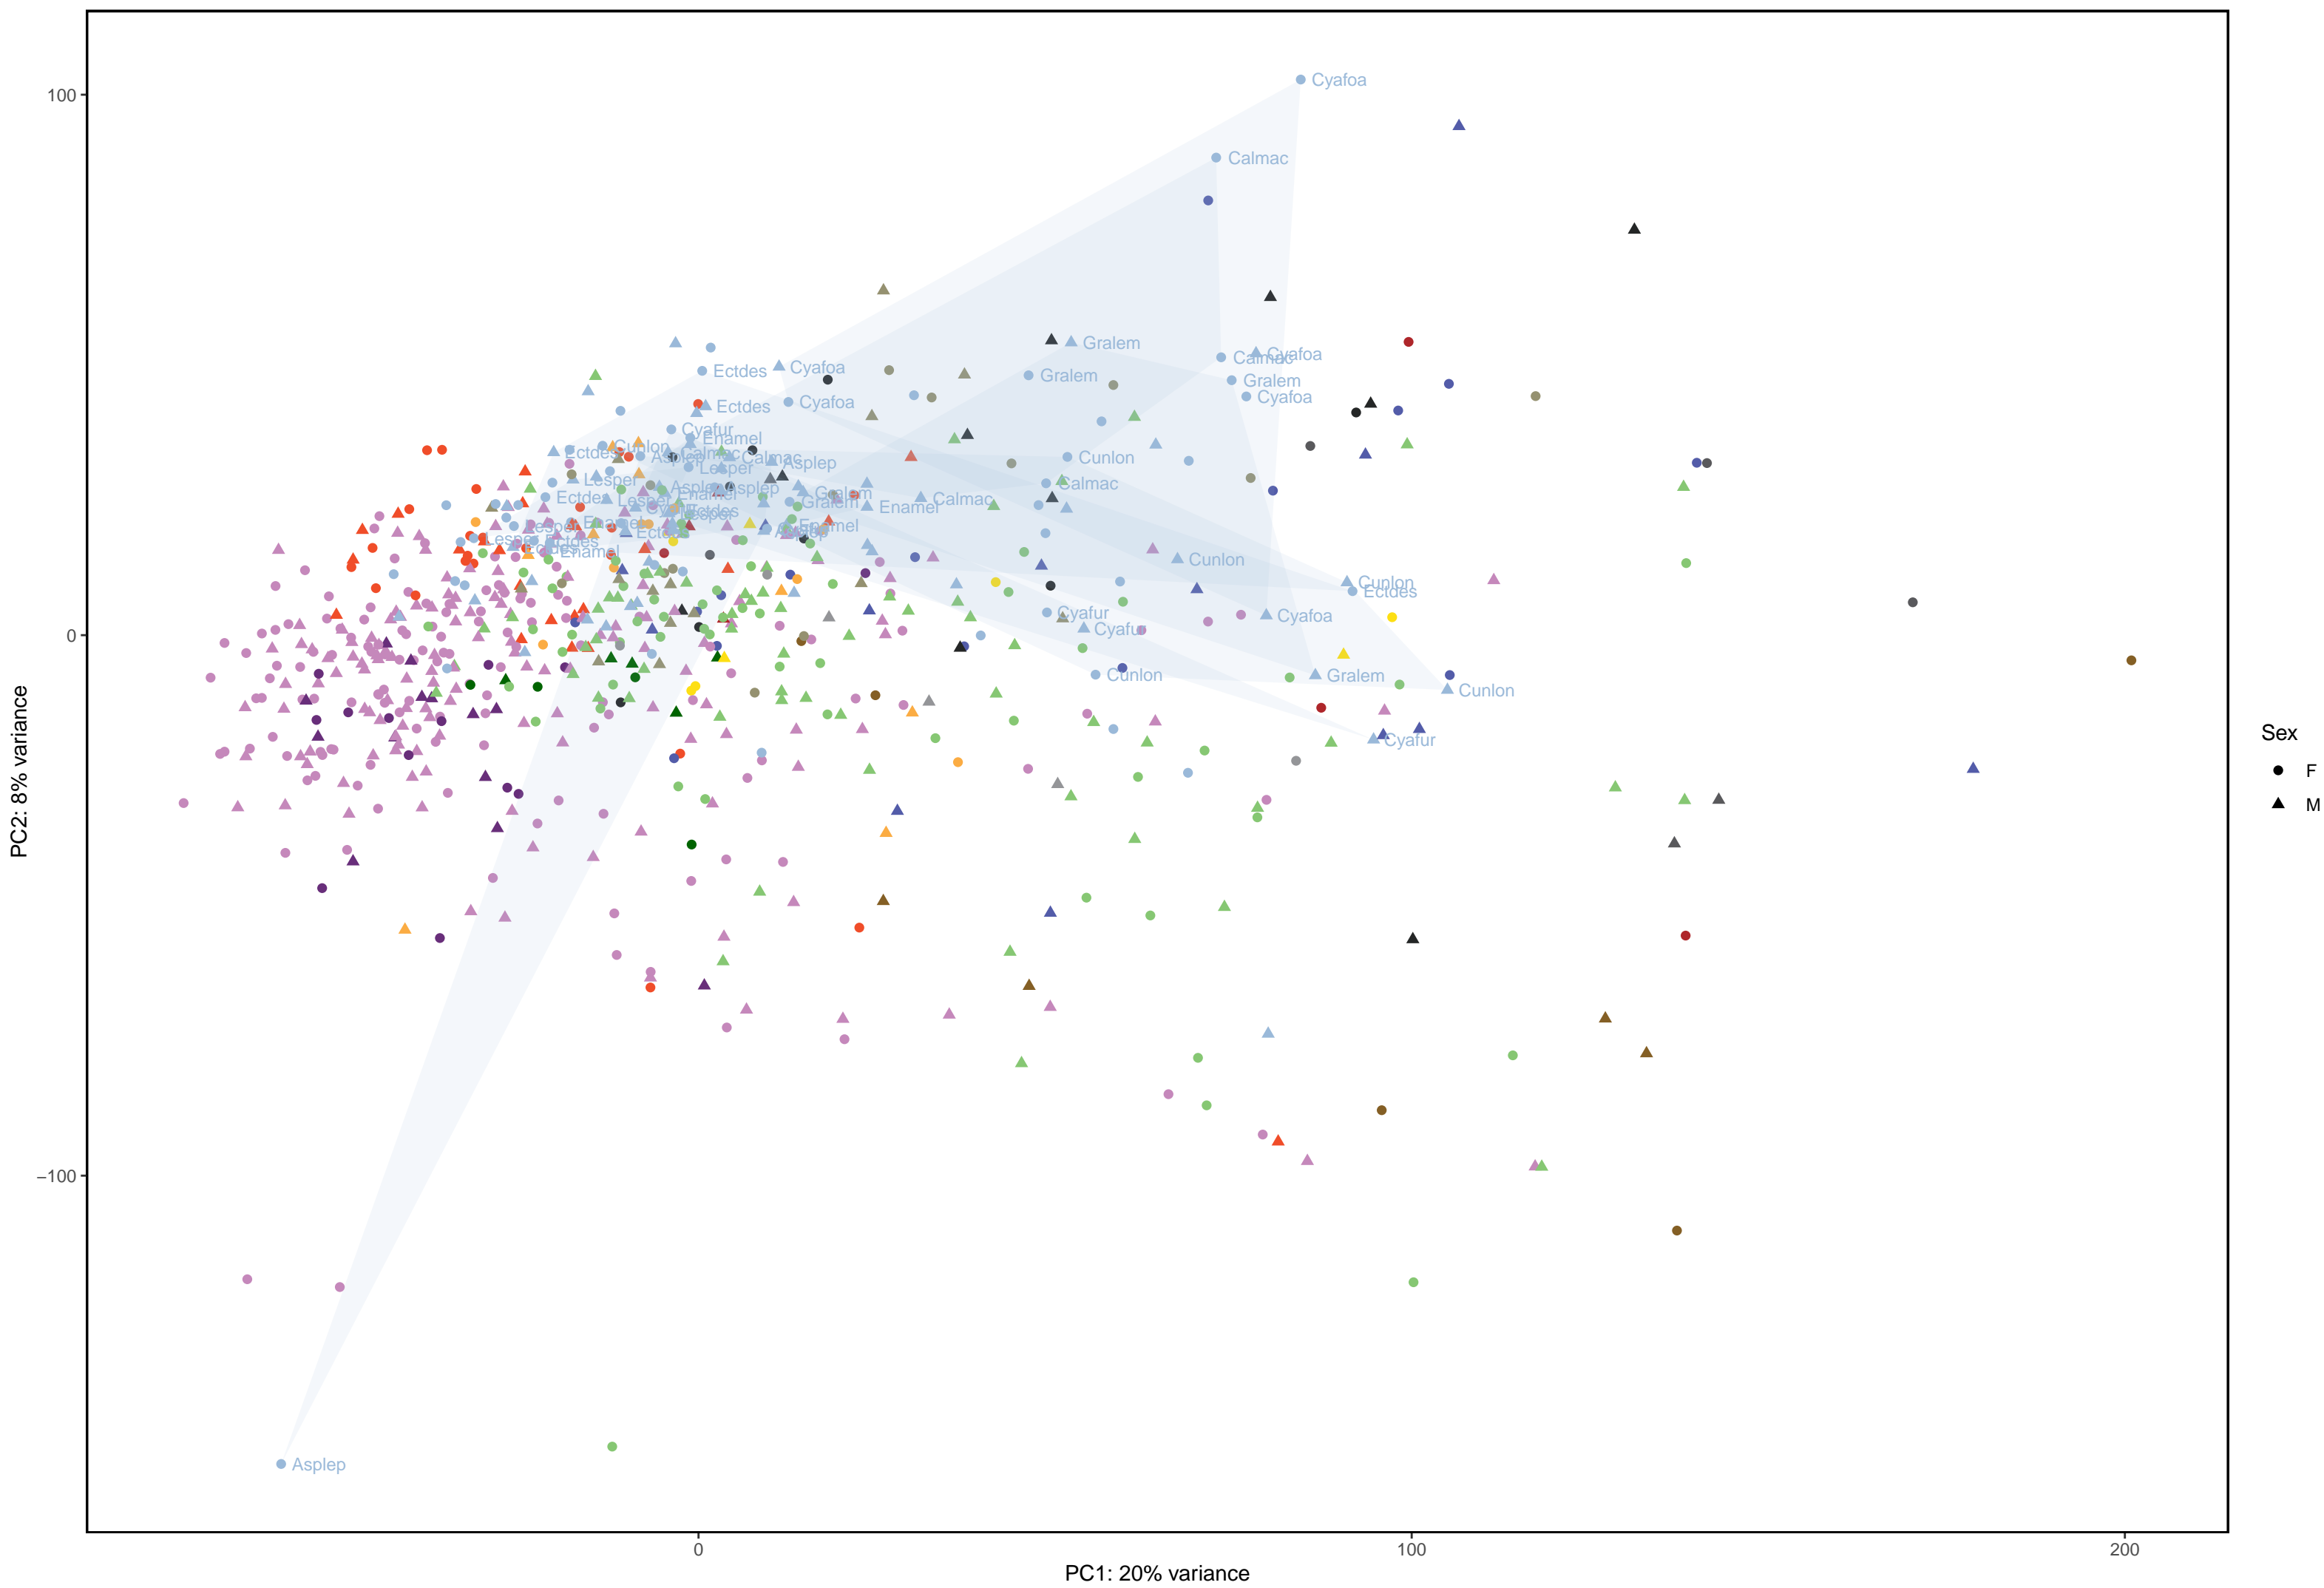

29002 protein-coding RNAs and lncRNAs
9 Lamprologini species (part 4)

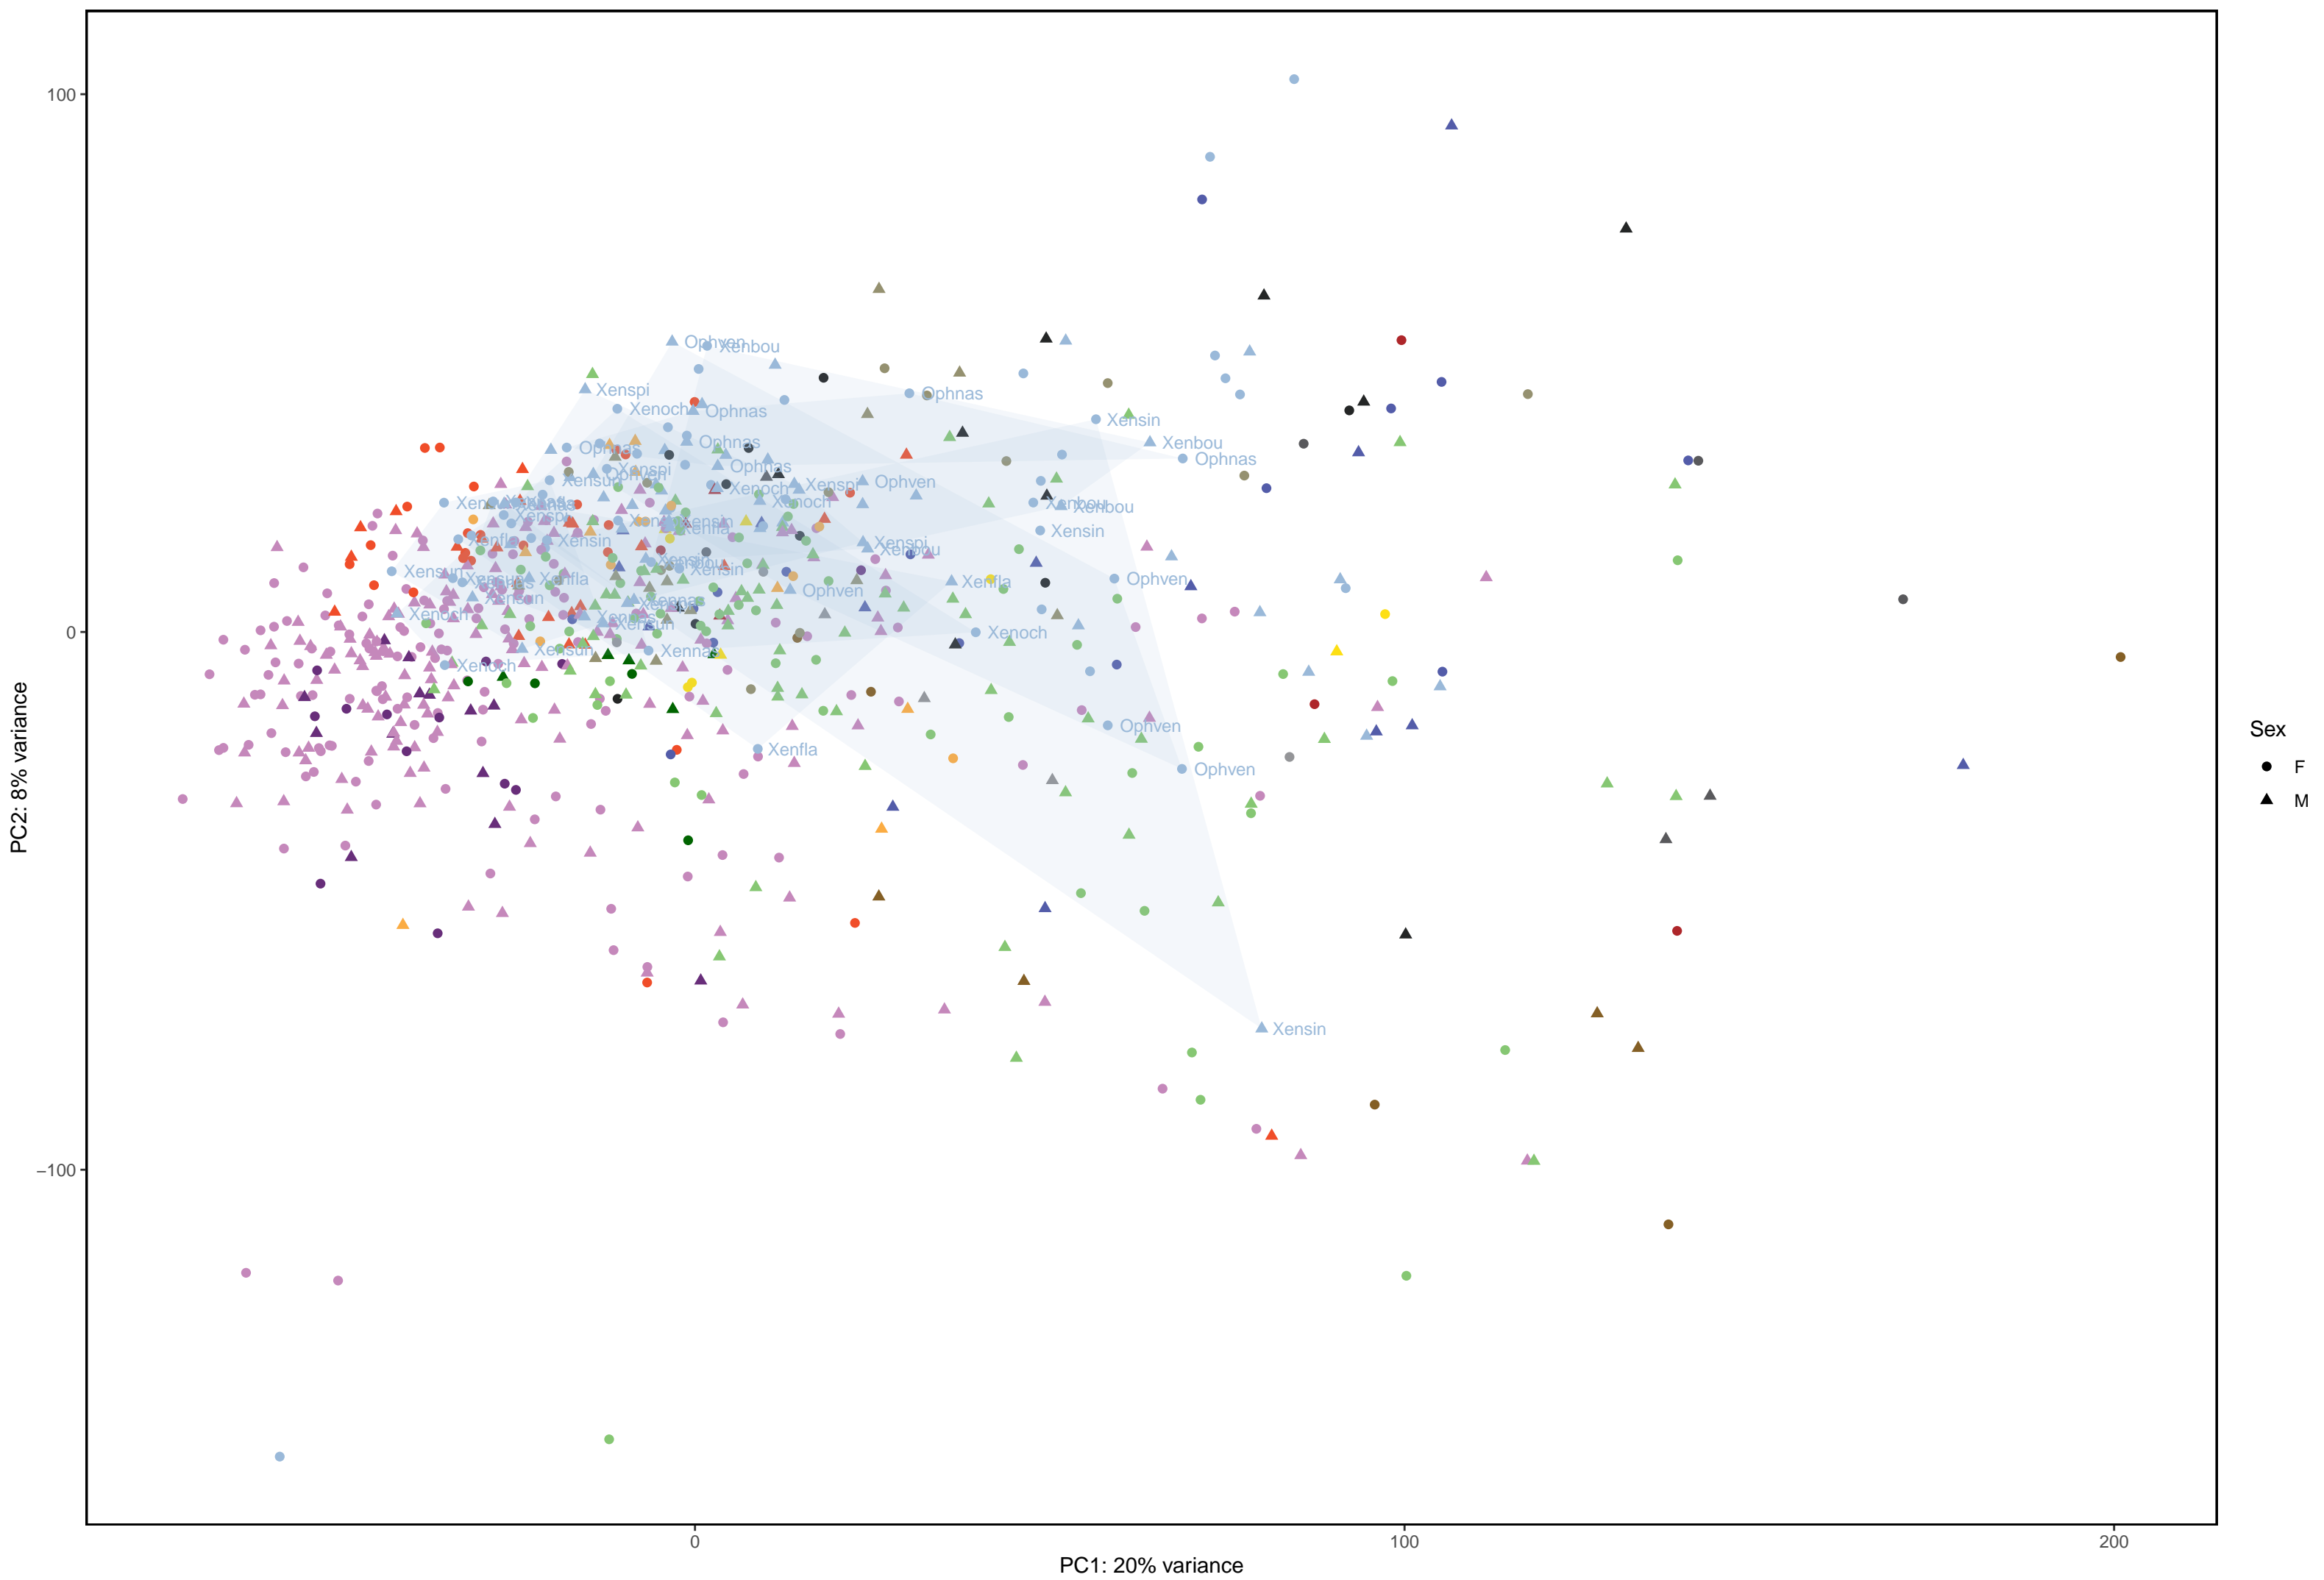

29002 protein-coding RNAs and lncRNAs
18 Ectodini species (all species)

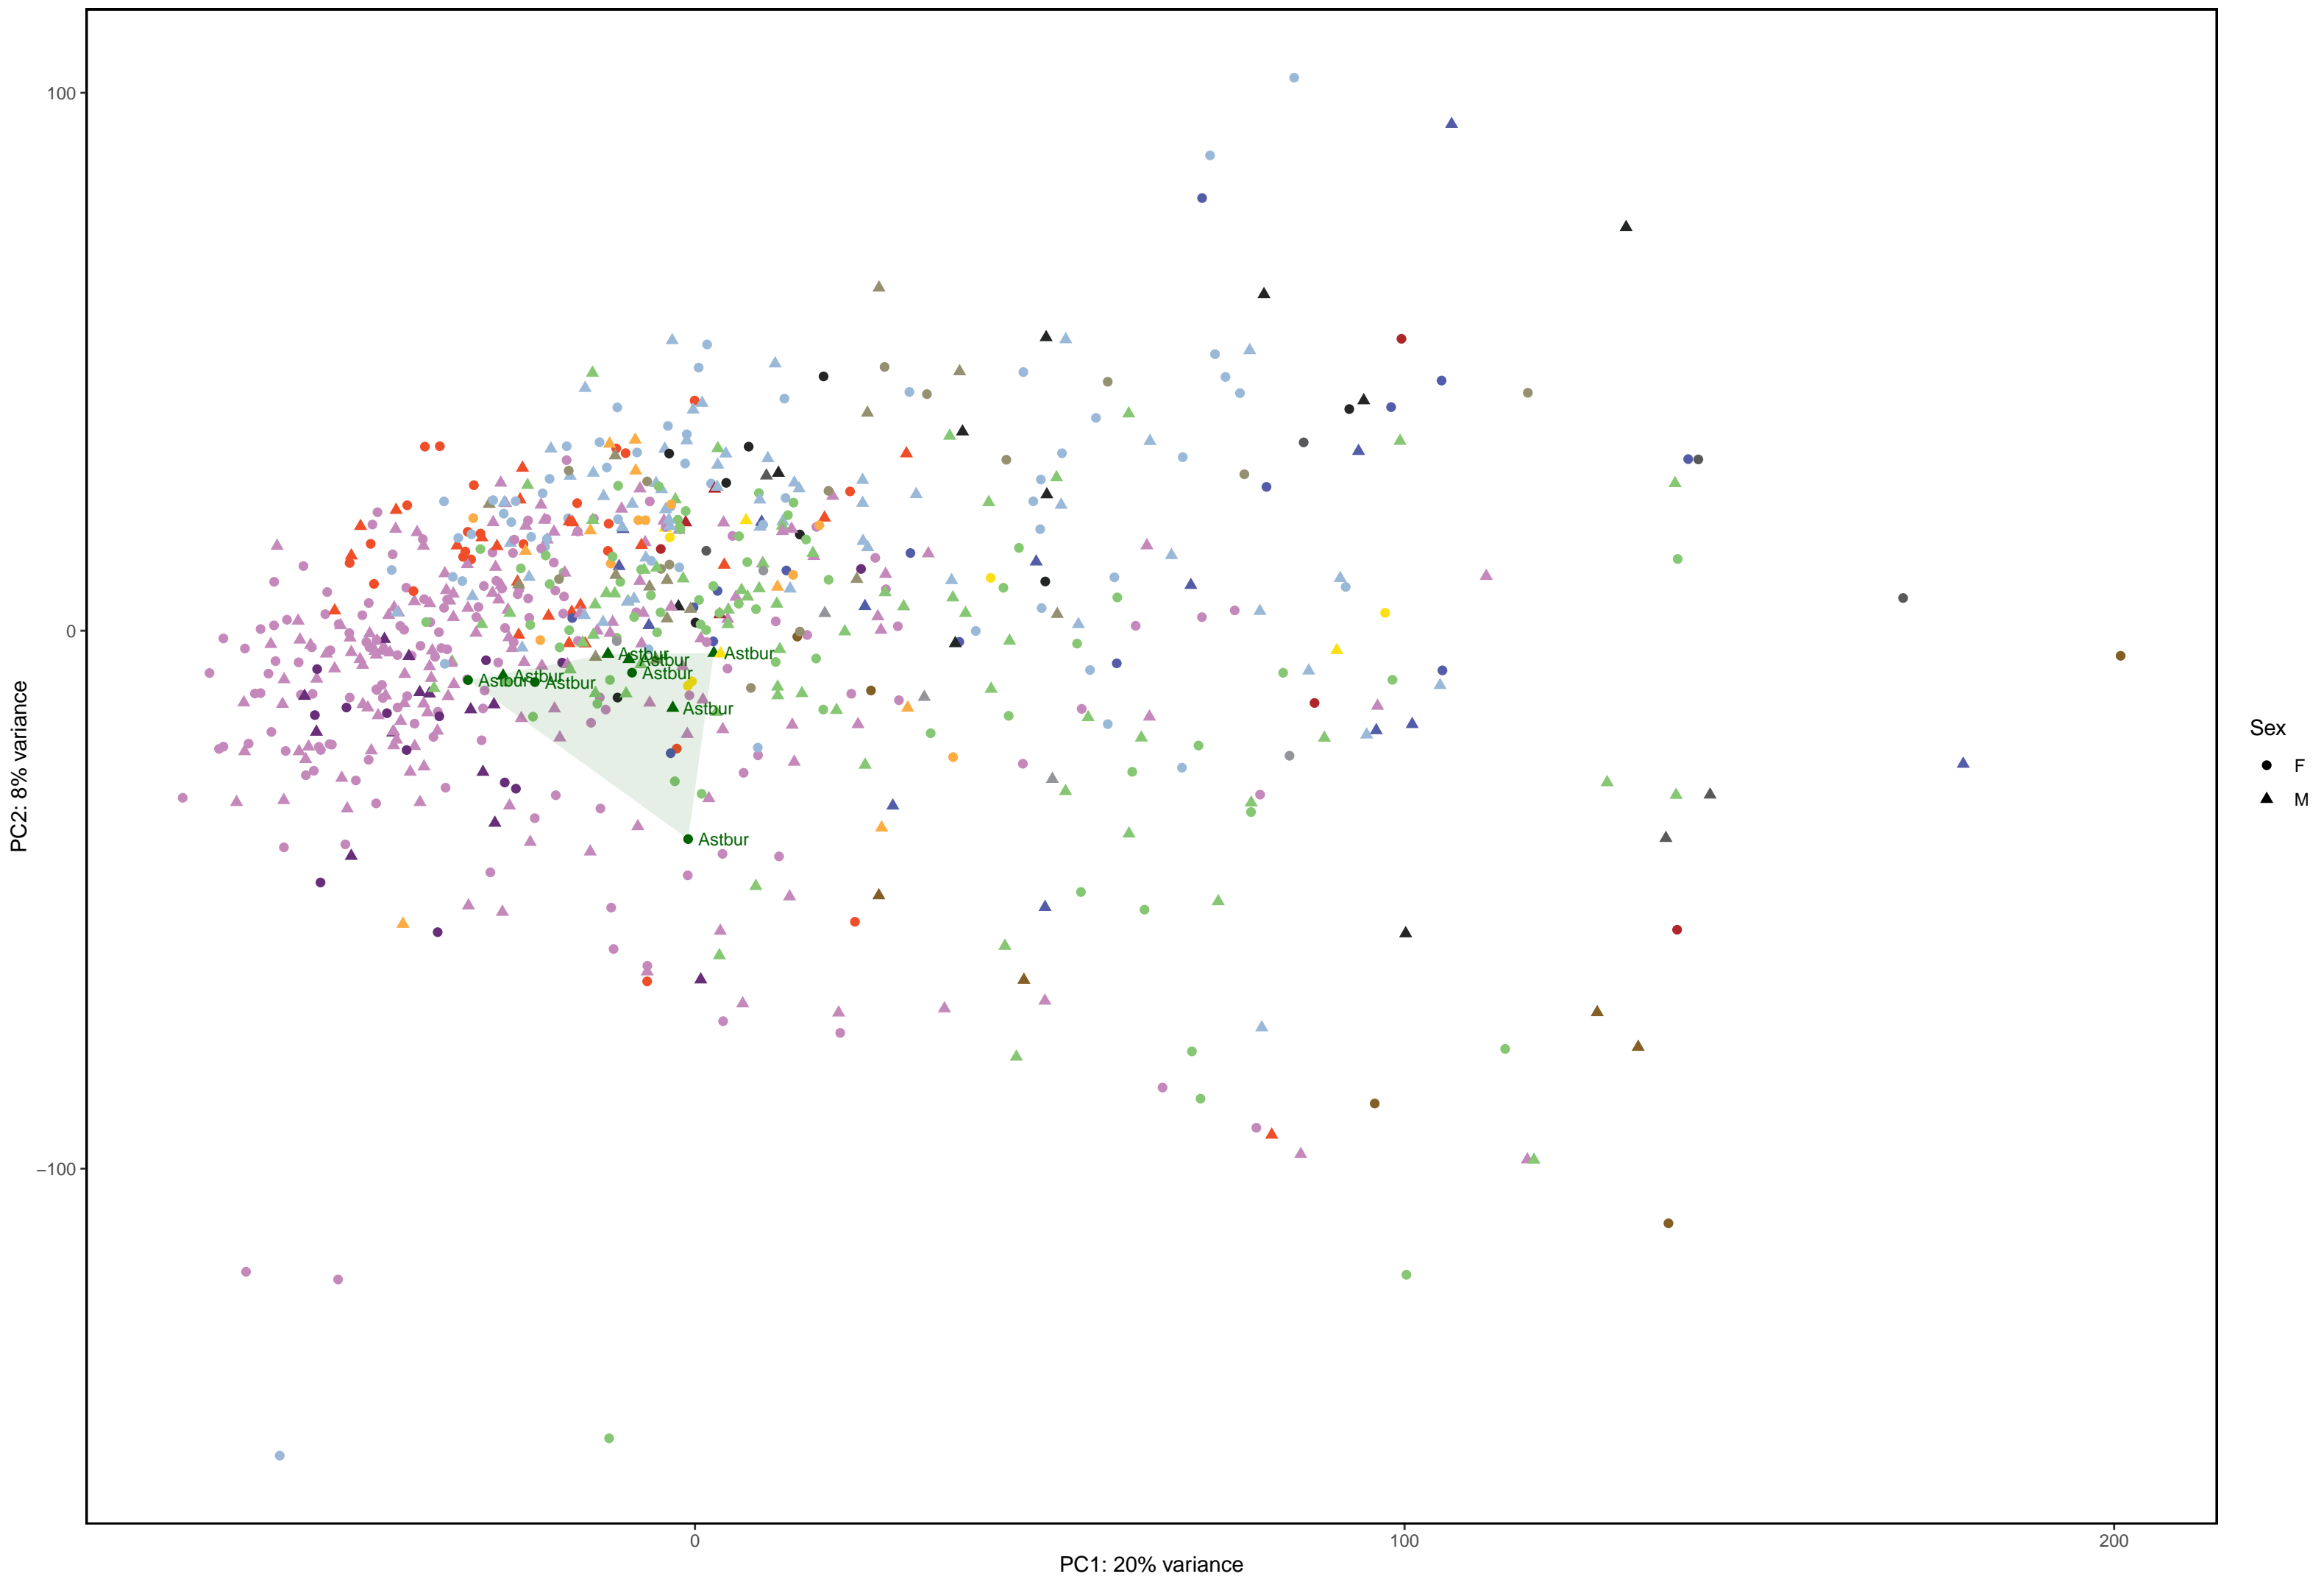

29002 protein-coding RNAs and lncRNAs
9 Ectodini species (part 1)

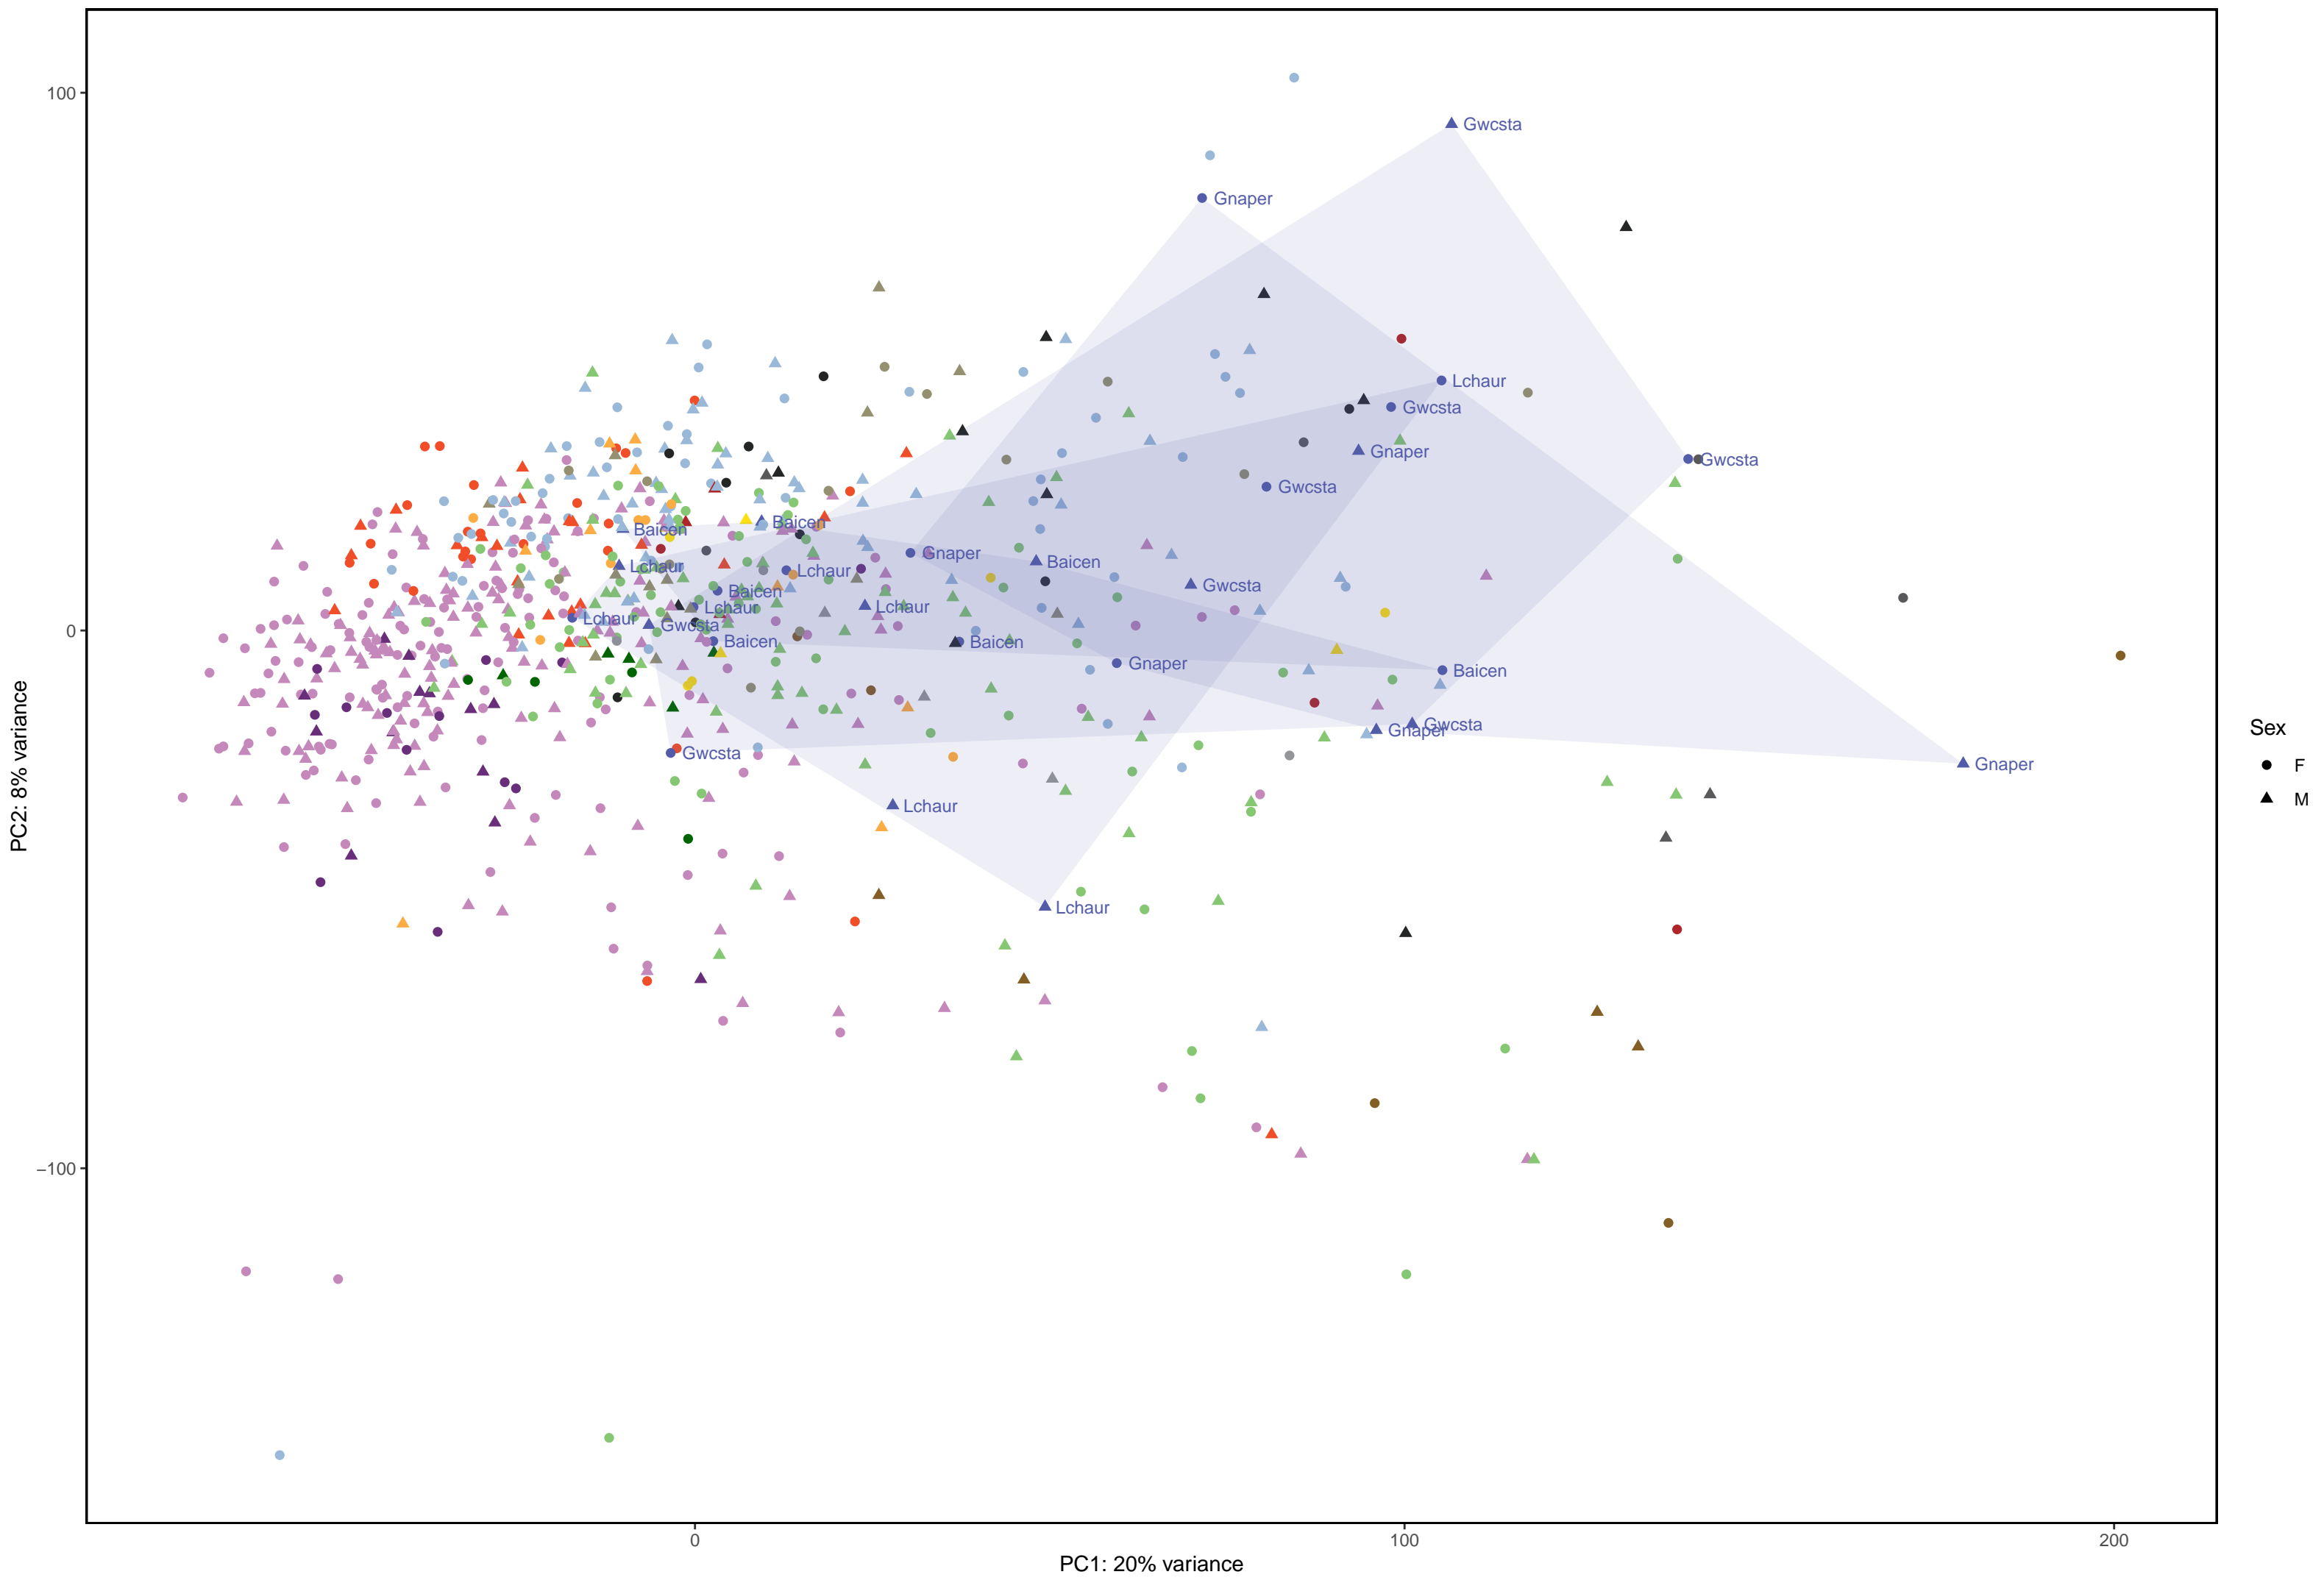

29002 protein-coding RNAs and lncRNAs
9 Ectodini species (part 2)

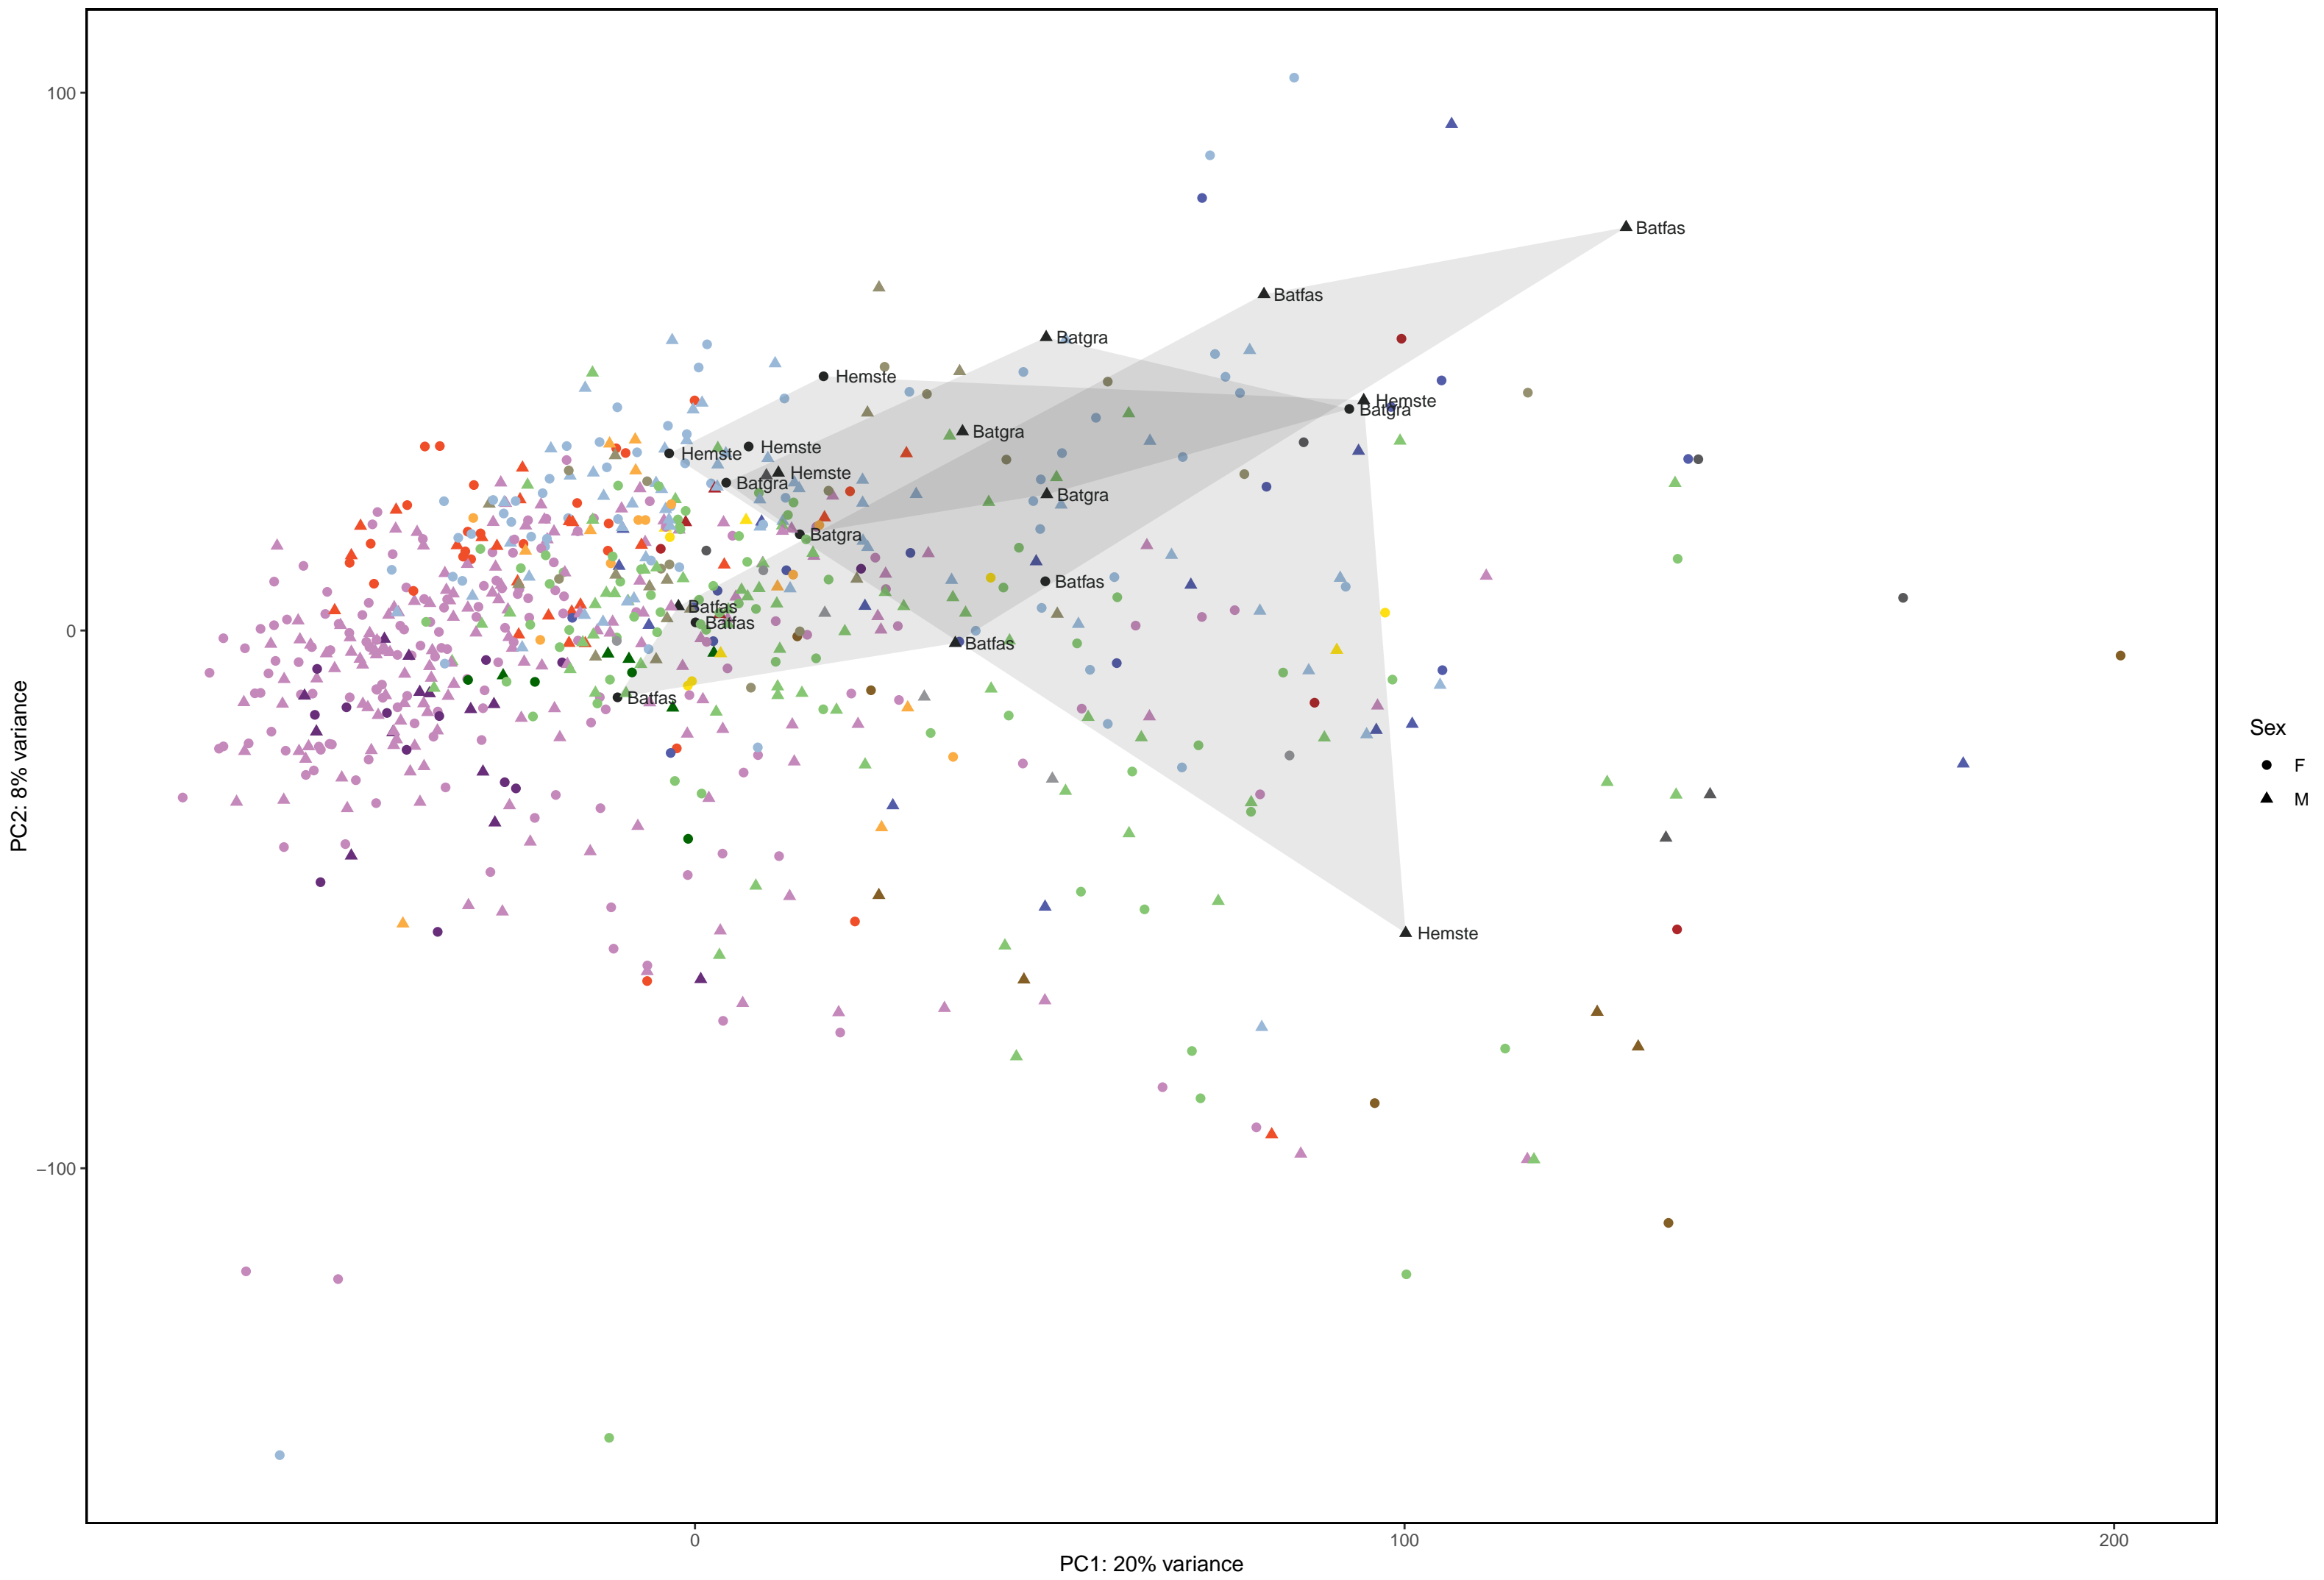

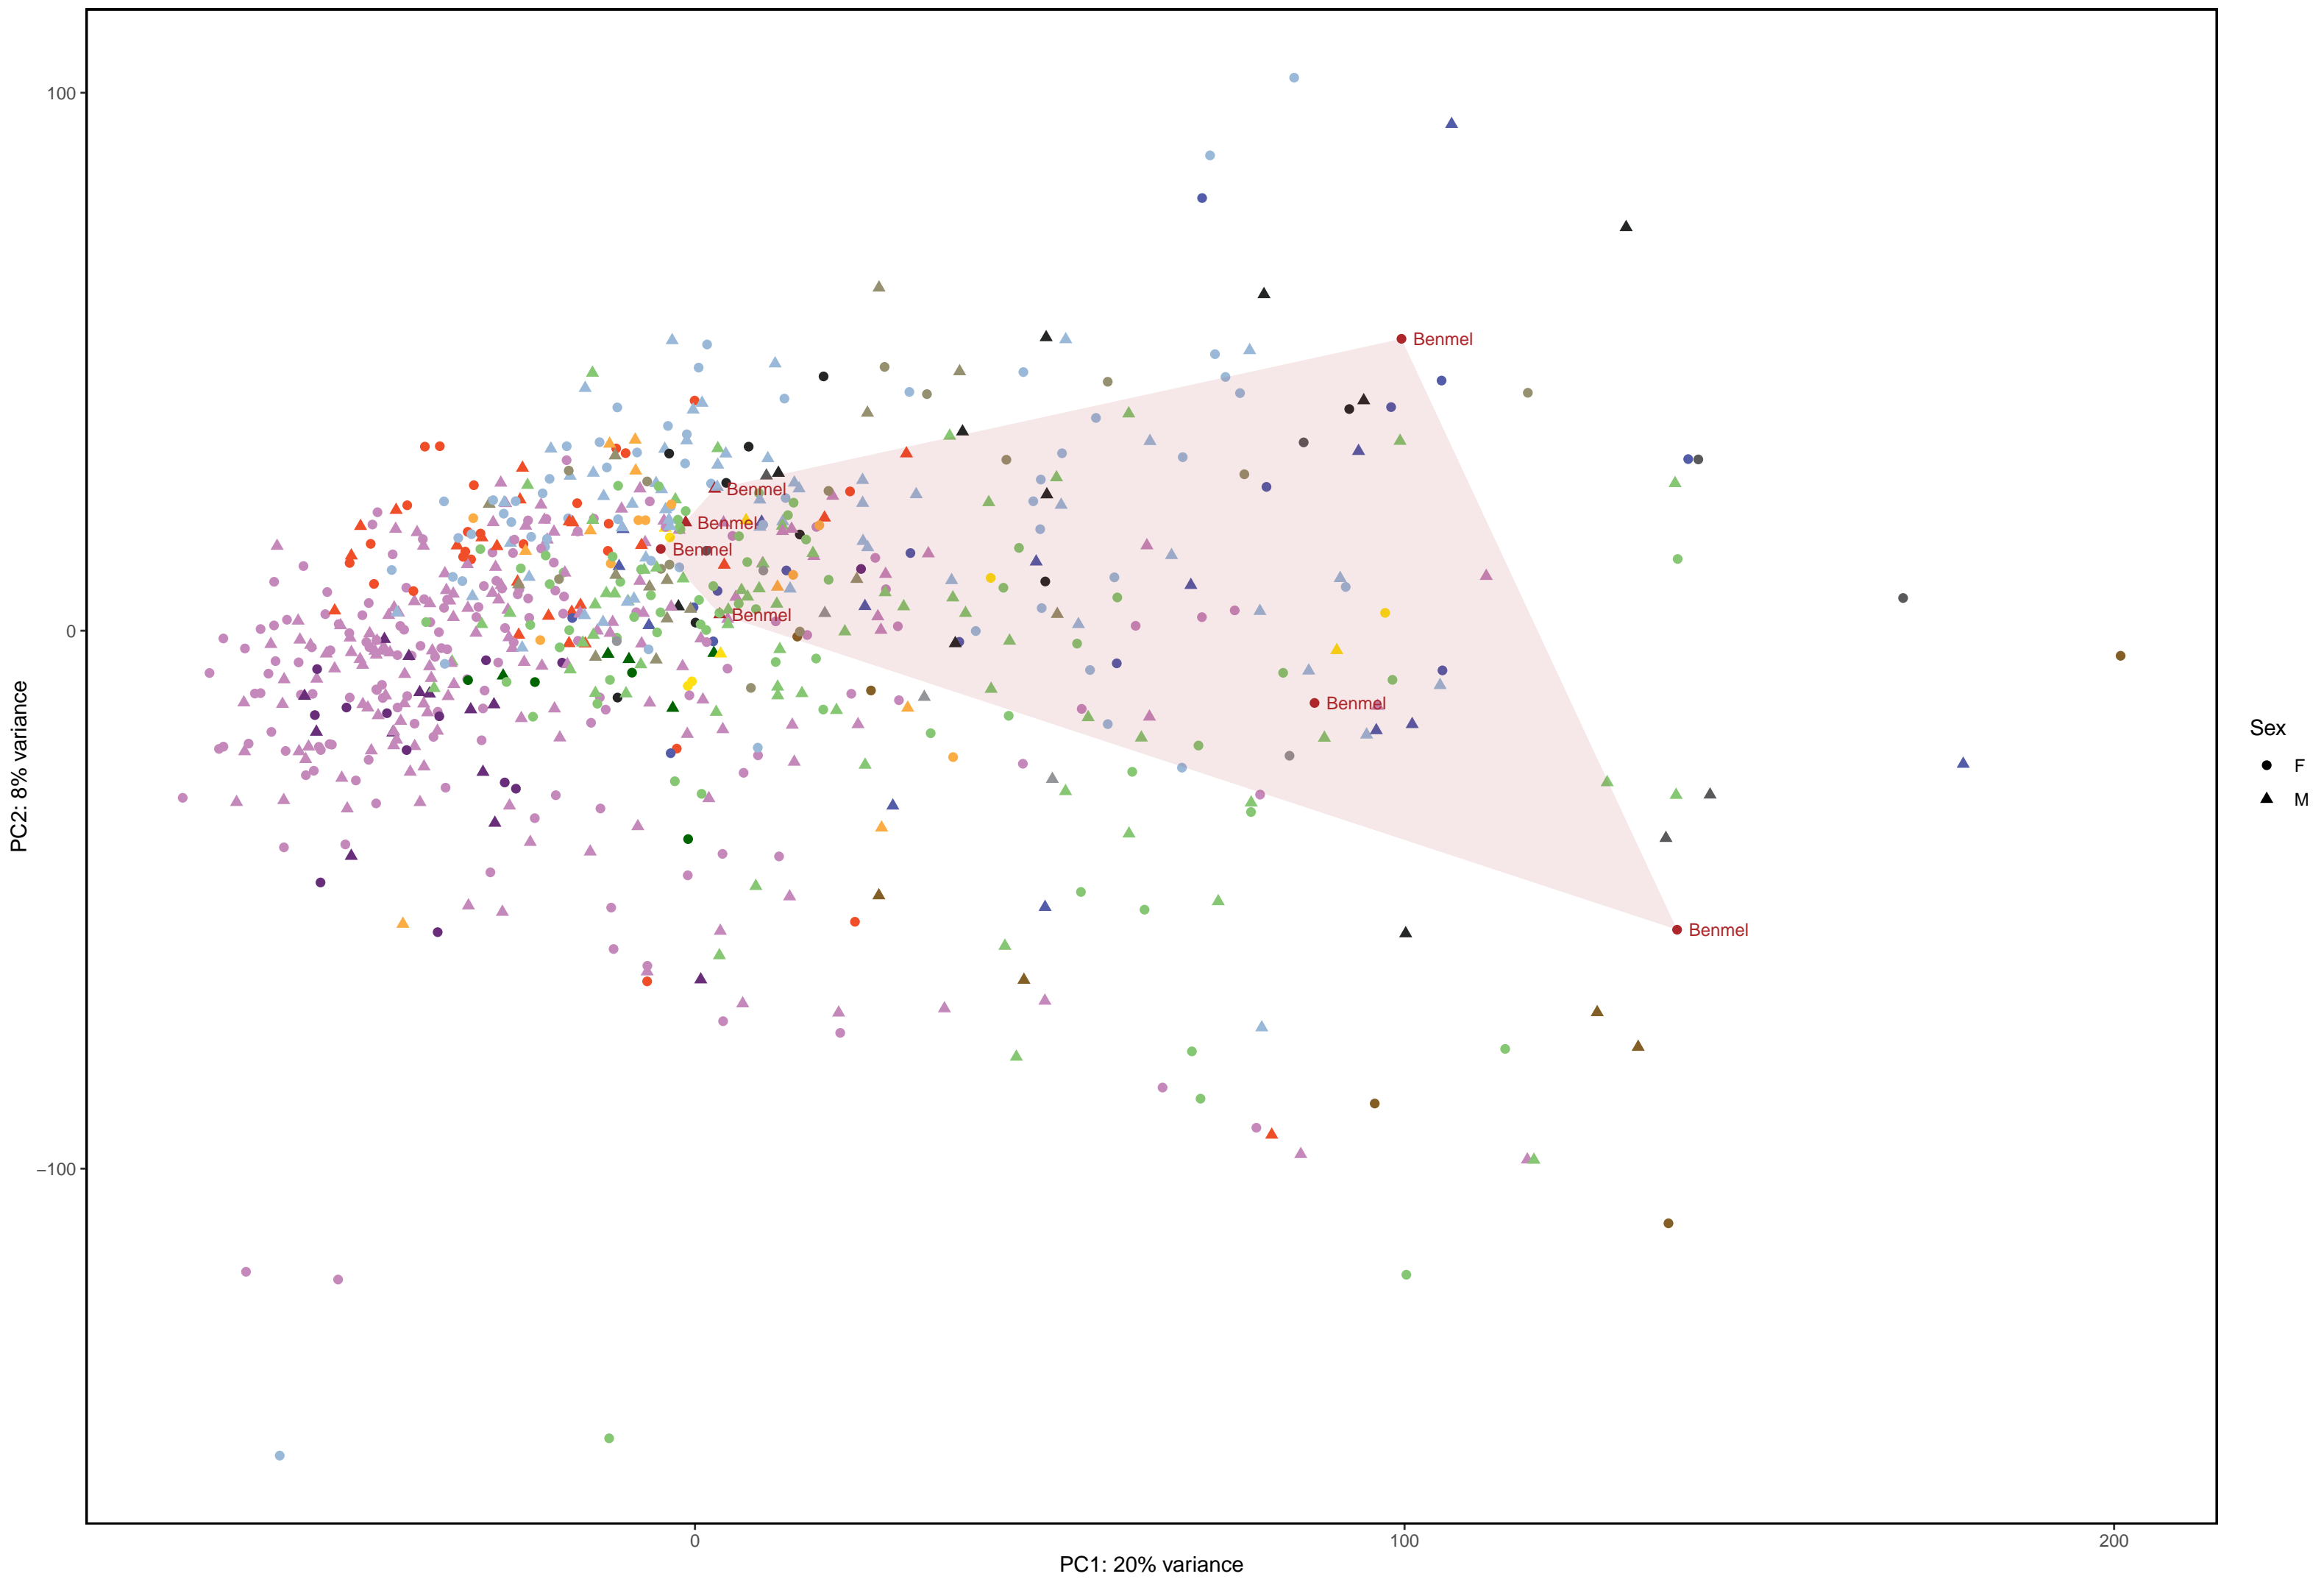

29002 protein-coding RNAs and lncRNAs
4 Limnochromini species (all species)

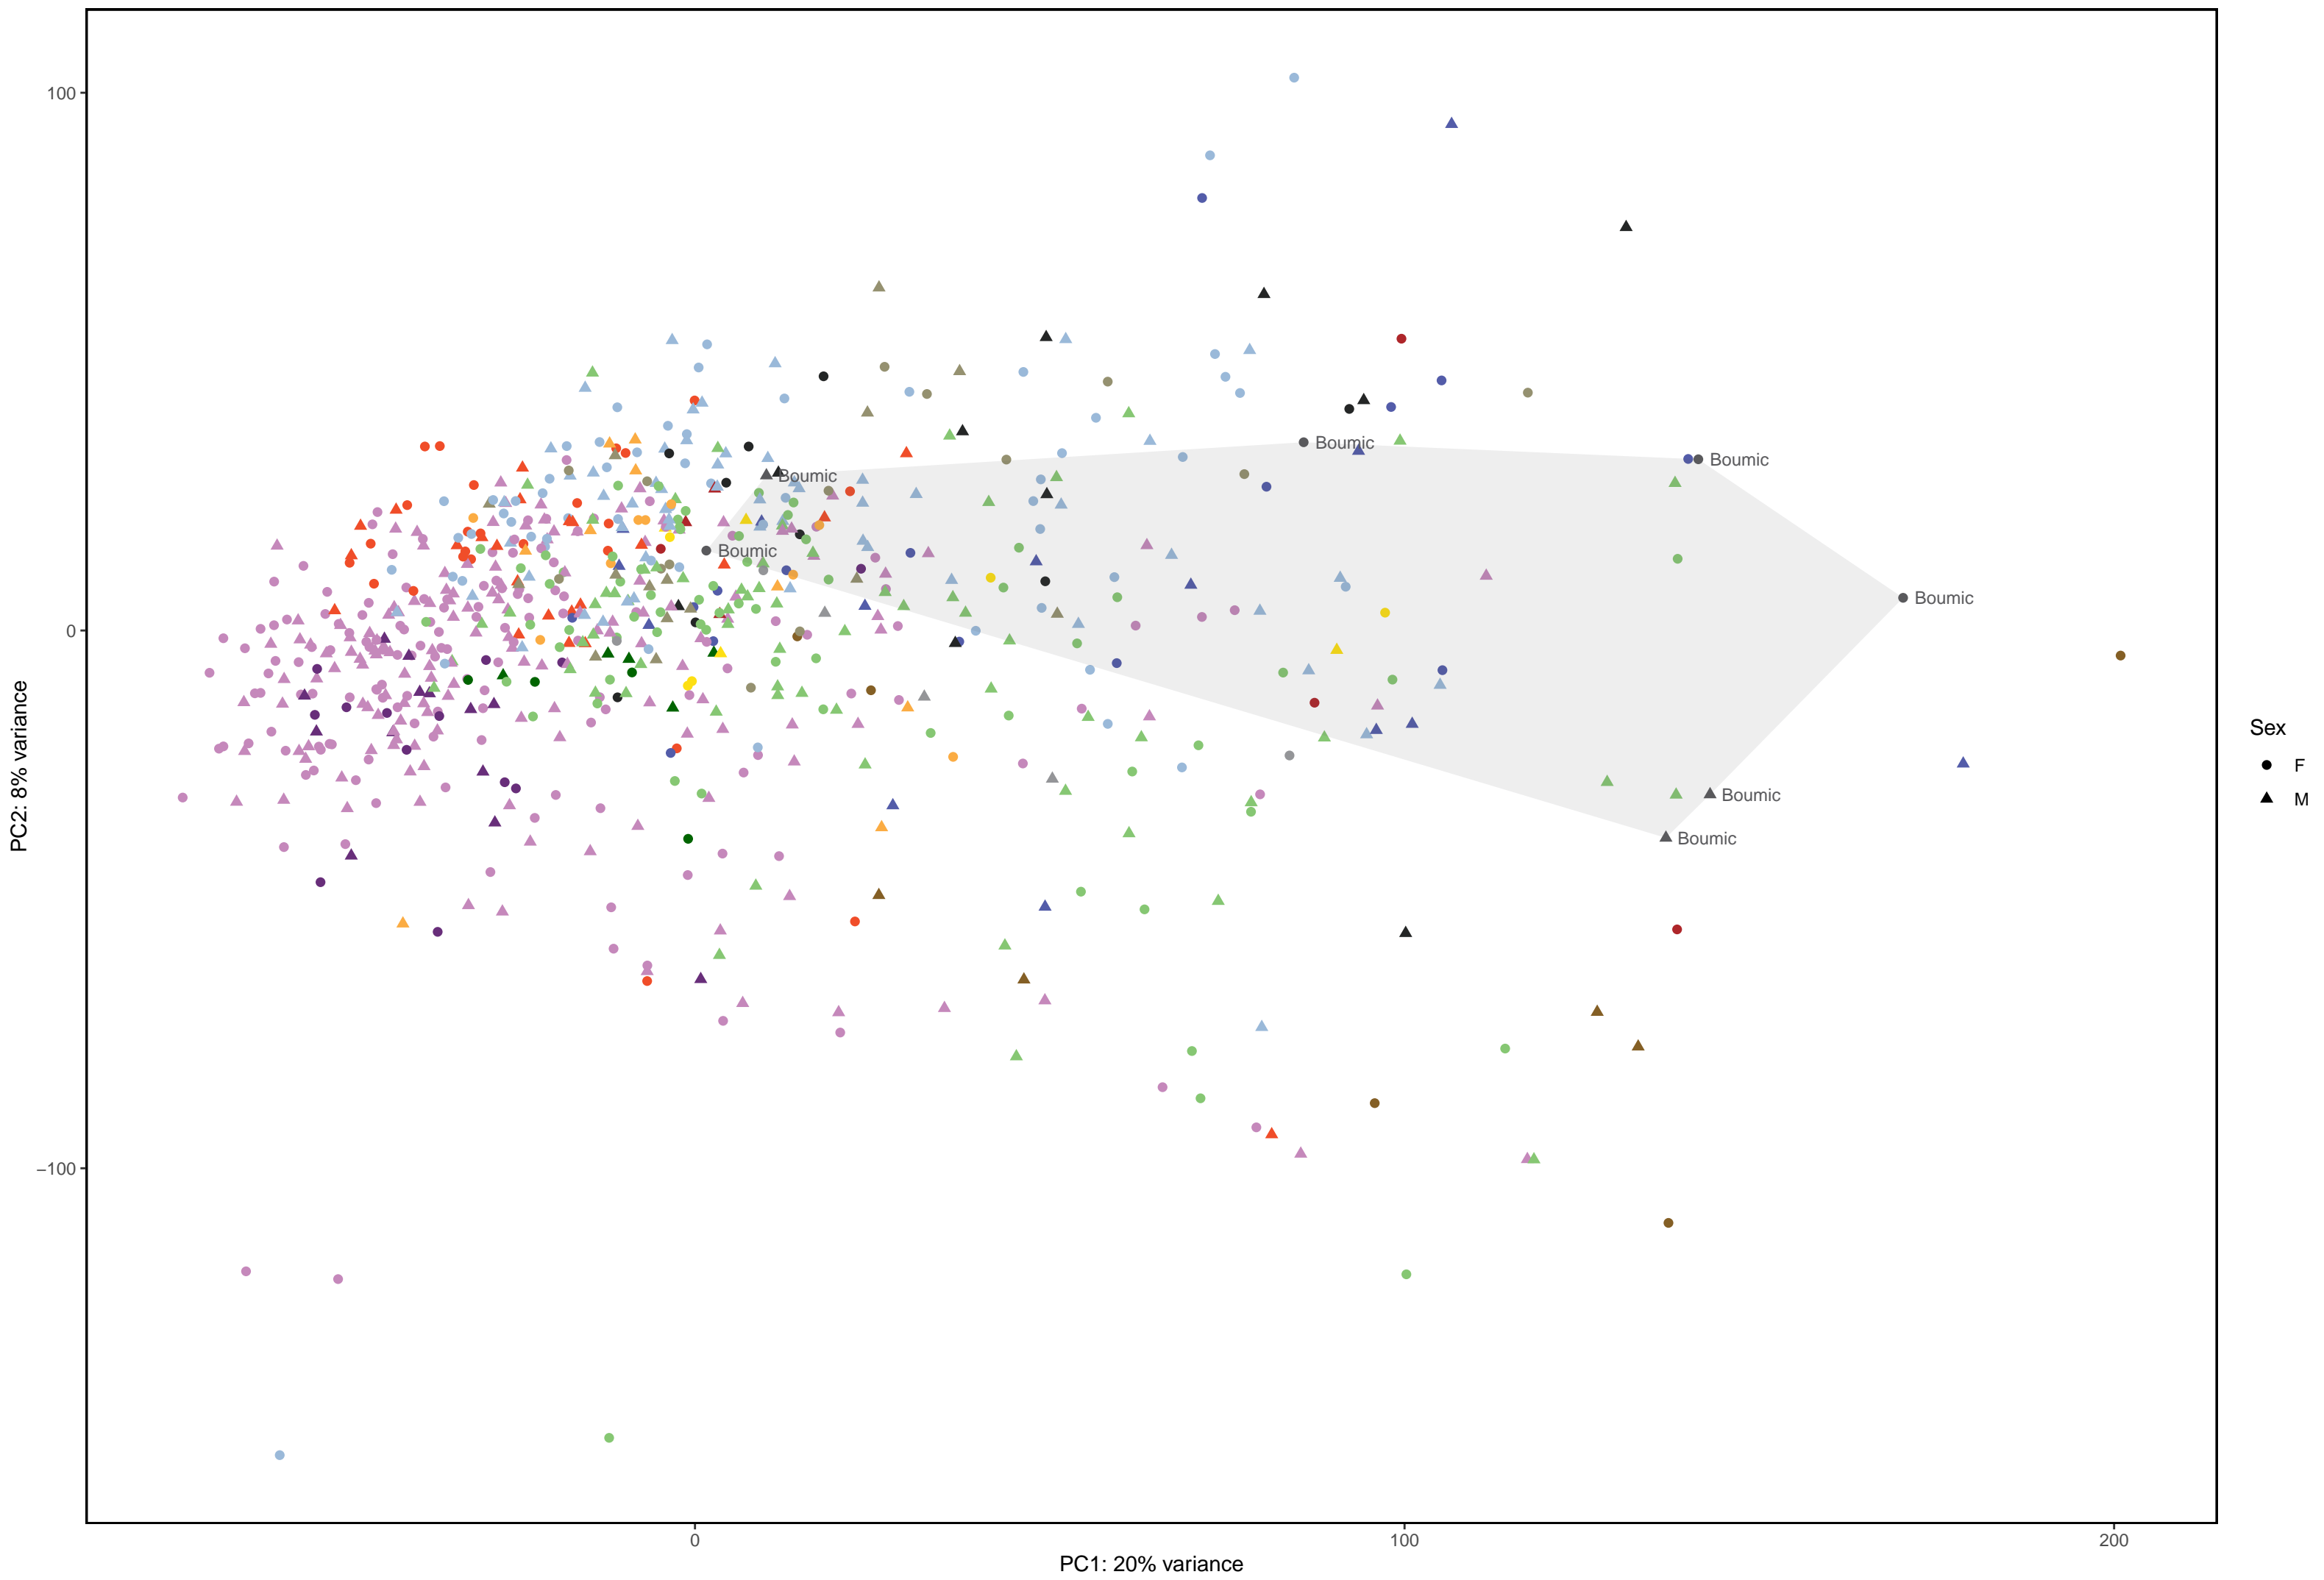

29002 protein-coding RNAs and lncRNAs
3 Bathybatini species (all species)

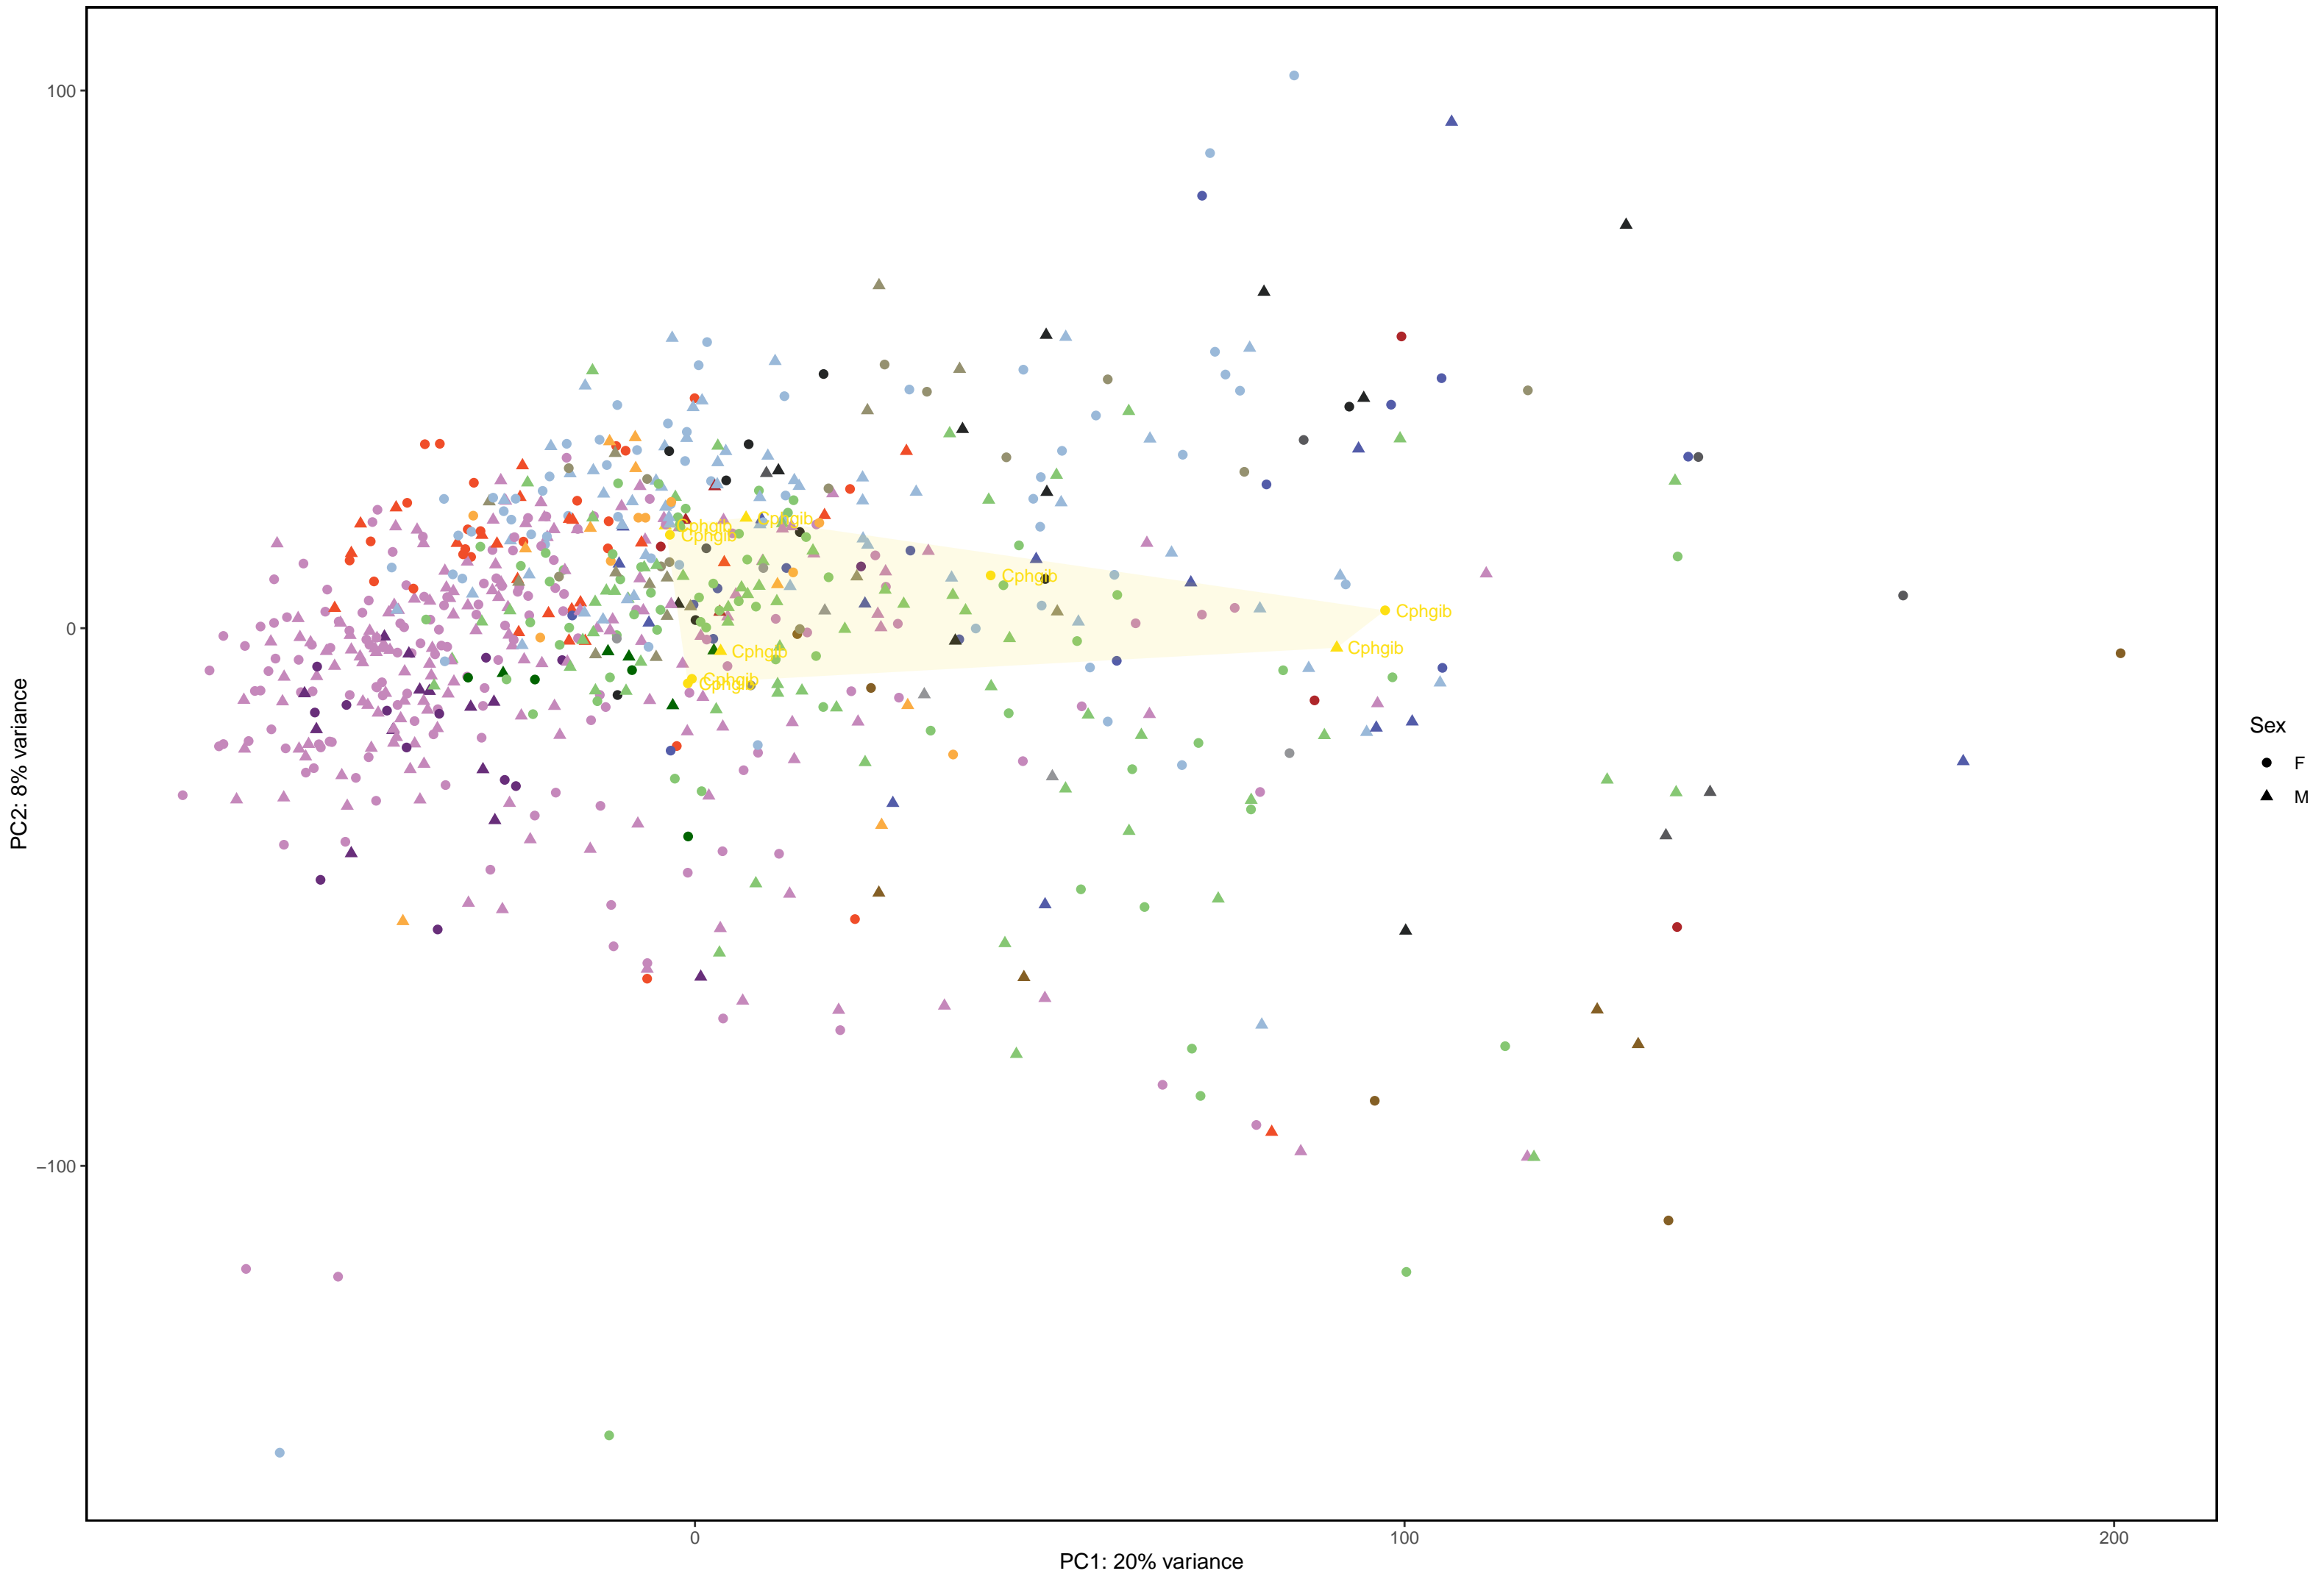

29002 protein-coding RNAs and lncRNAs
1 Benthochromini species (all species)

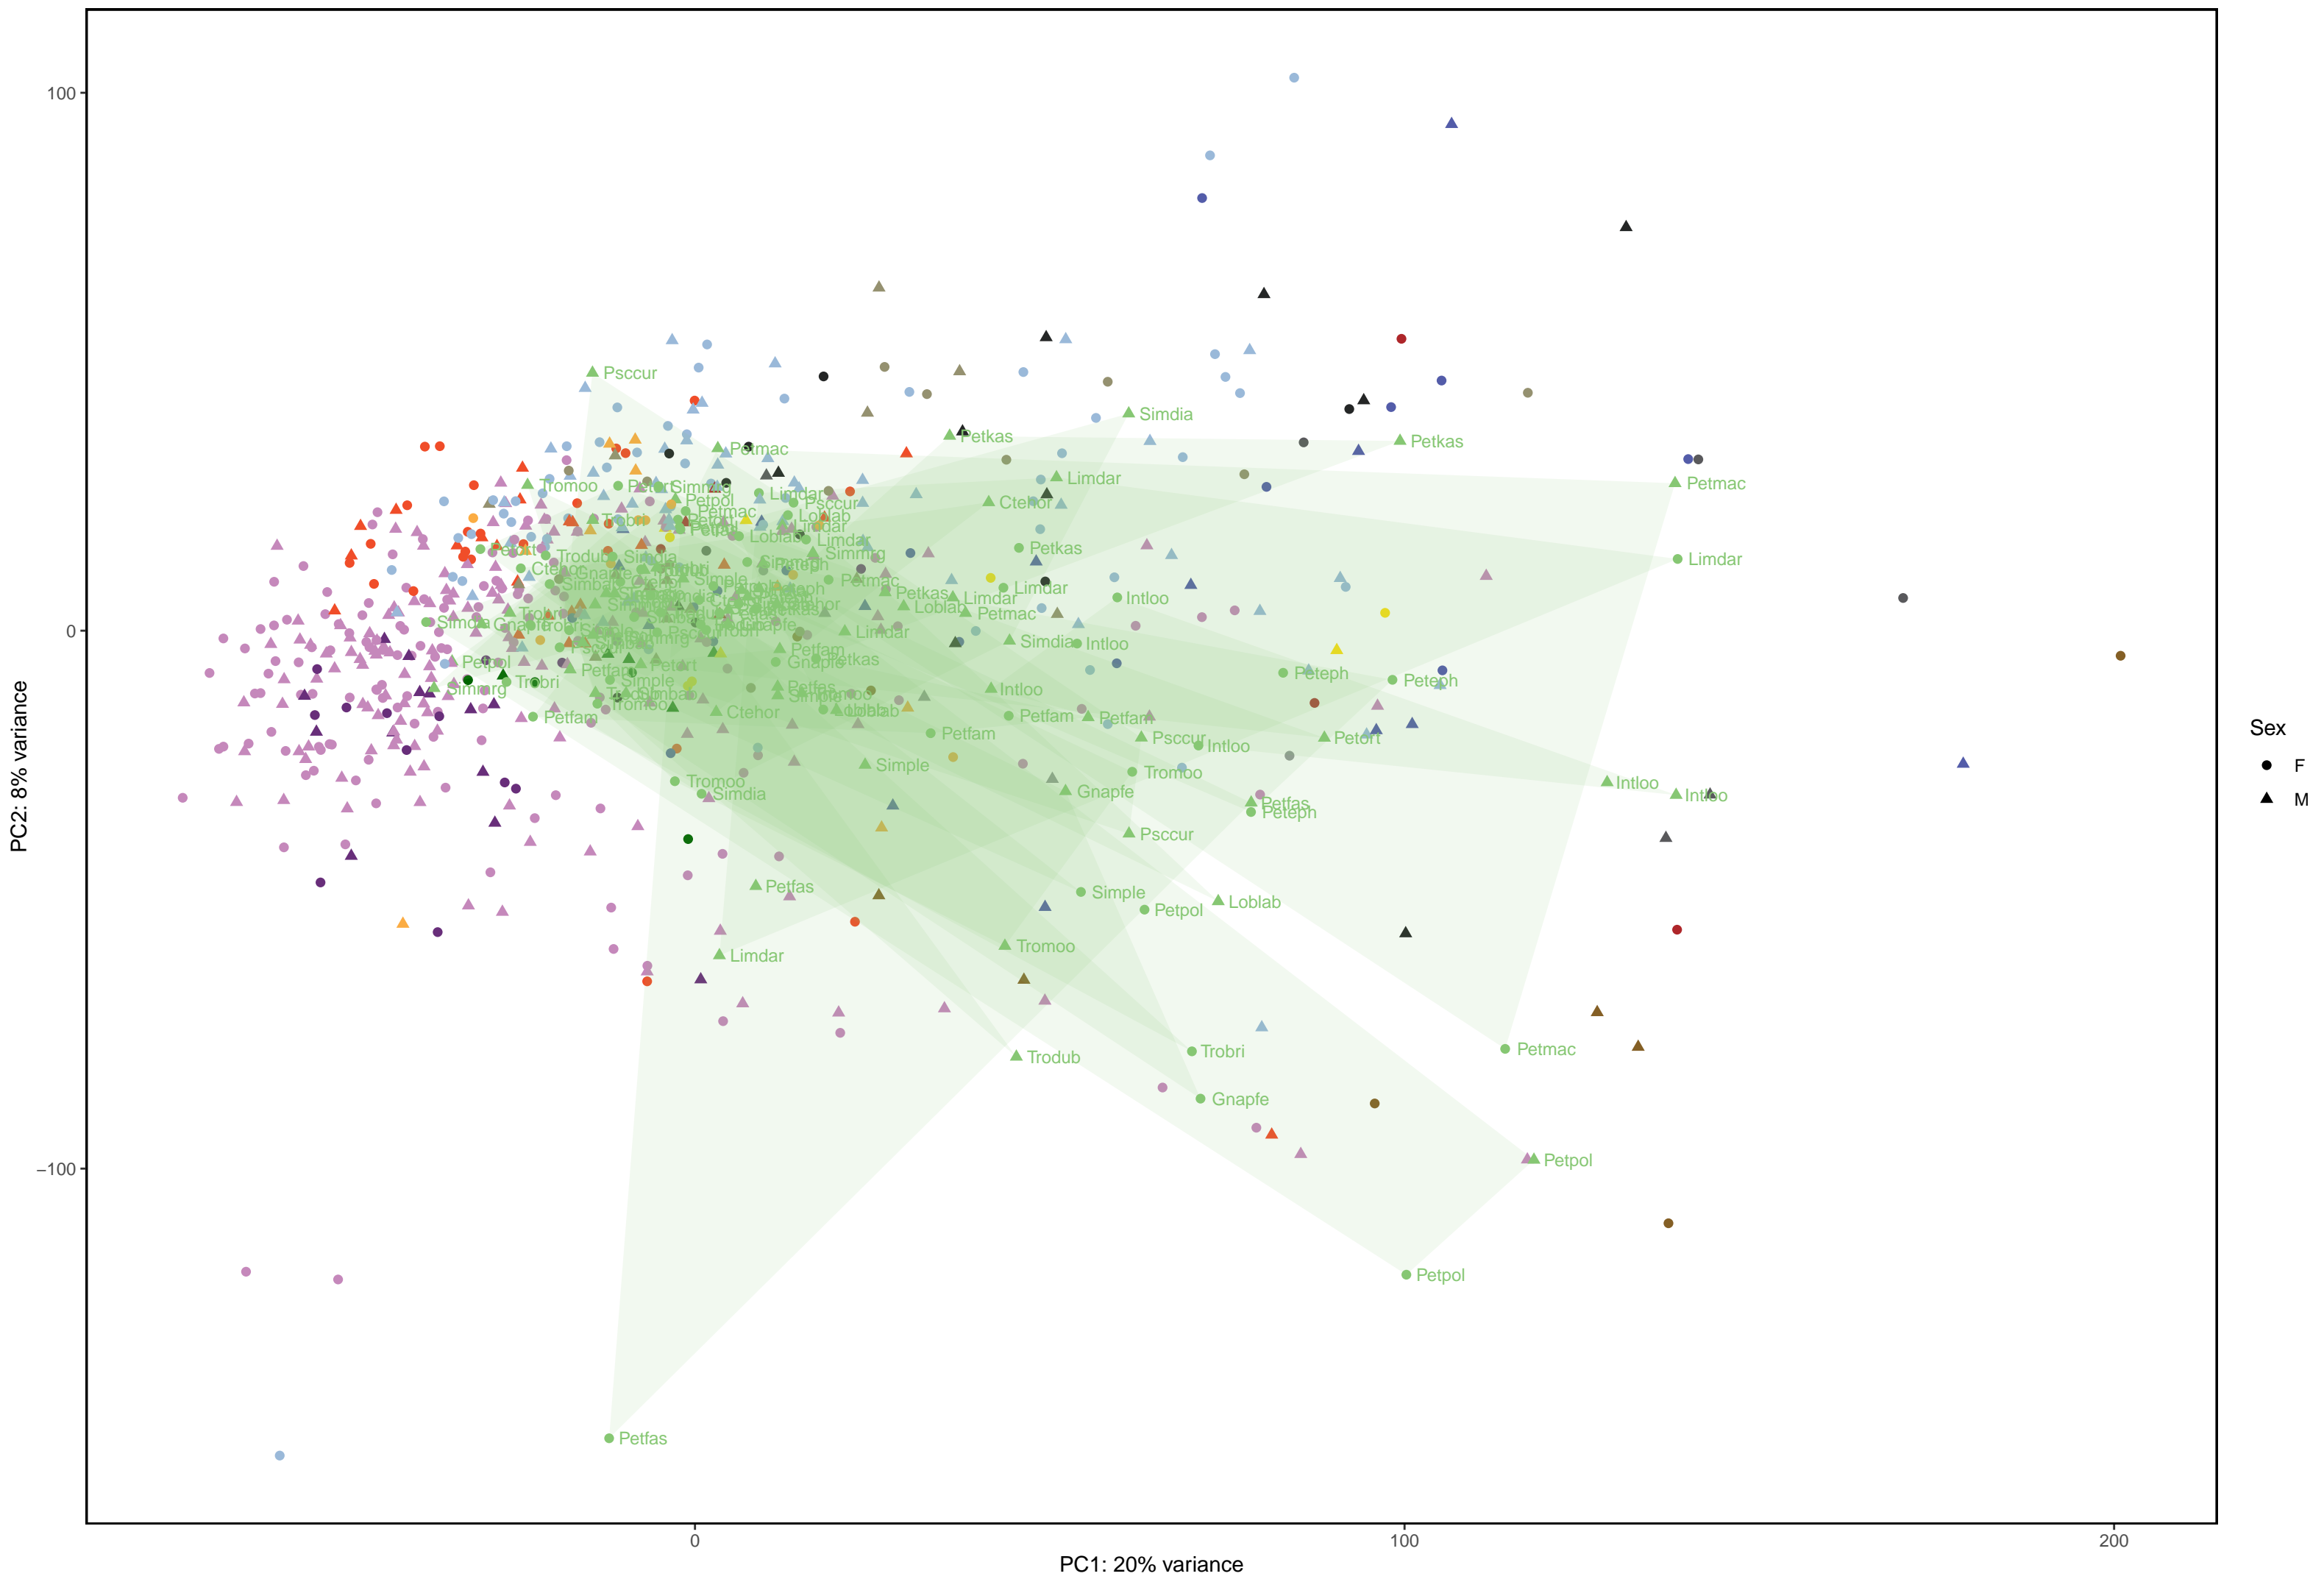

29002 protein-coding RNAs and lncRNAs
1 Boulengerochromini species (all species)

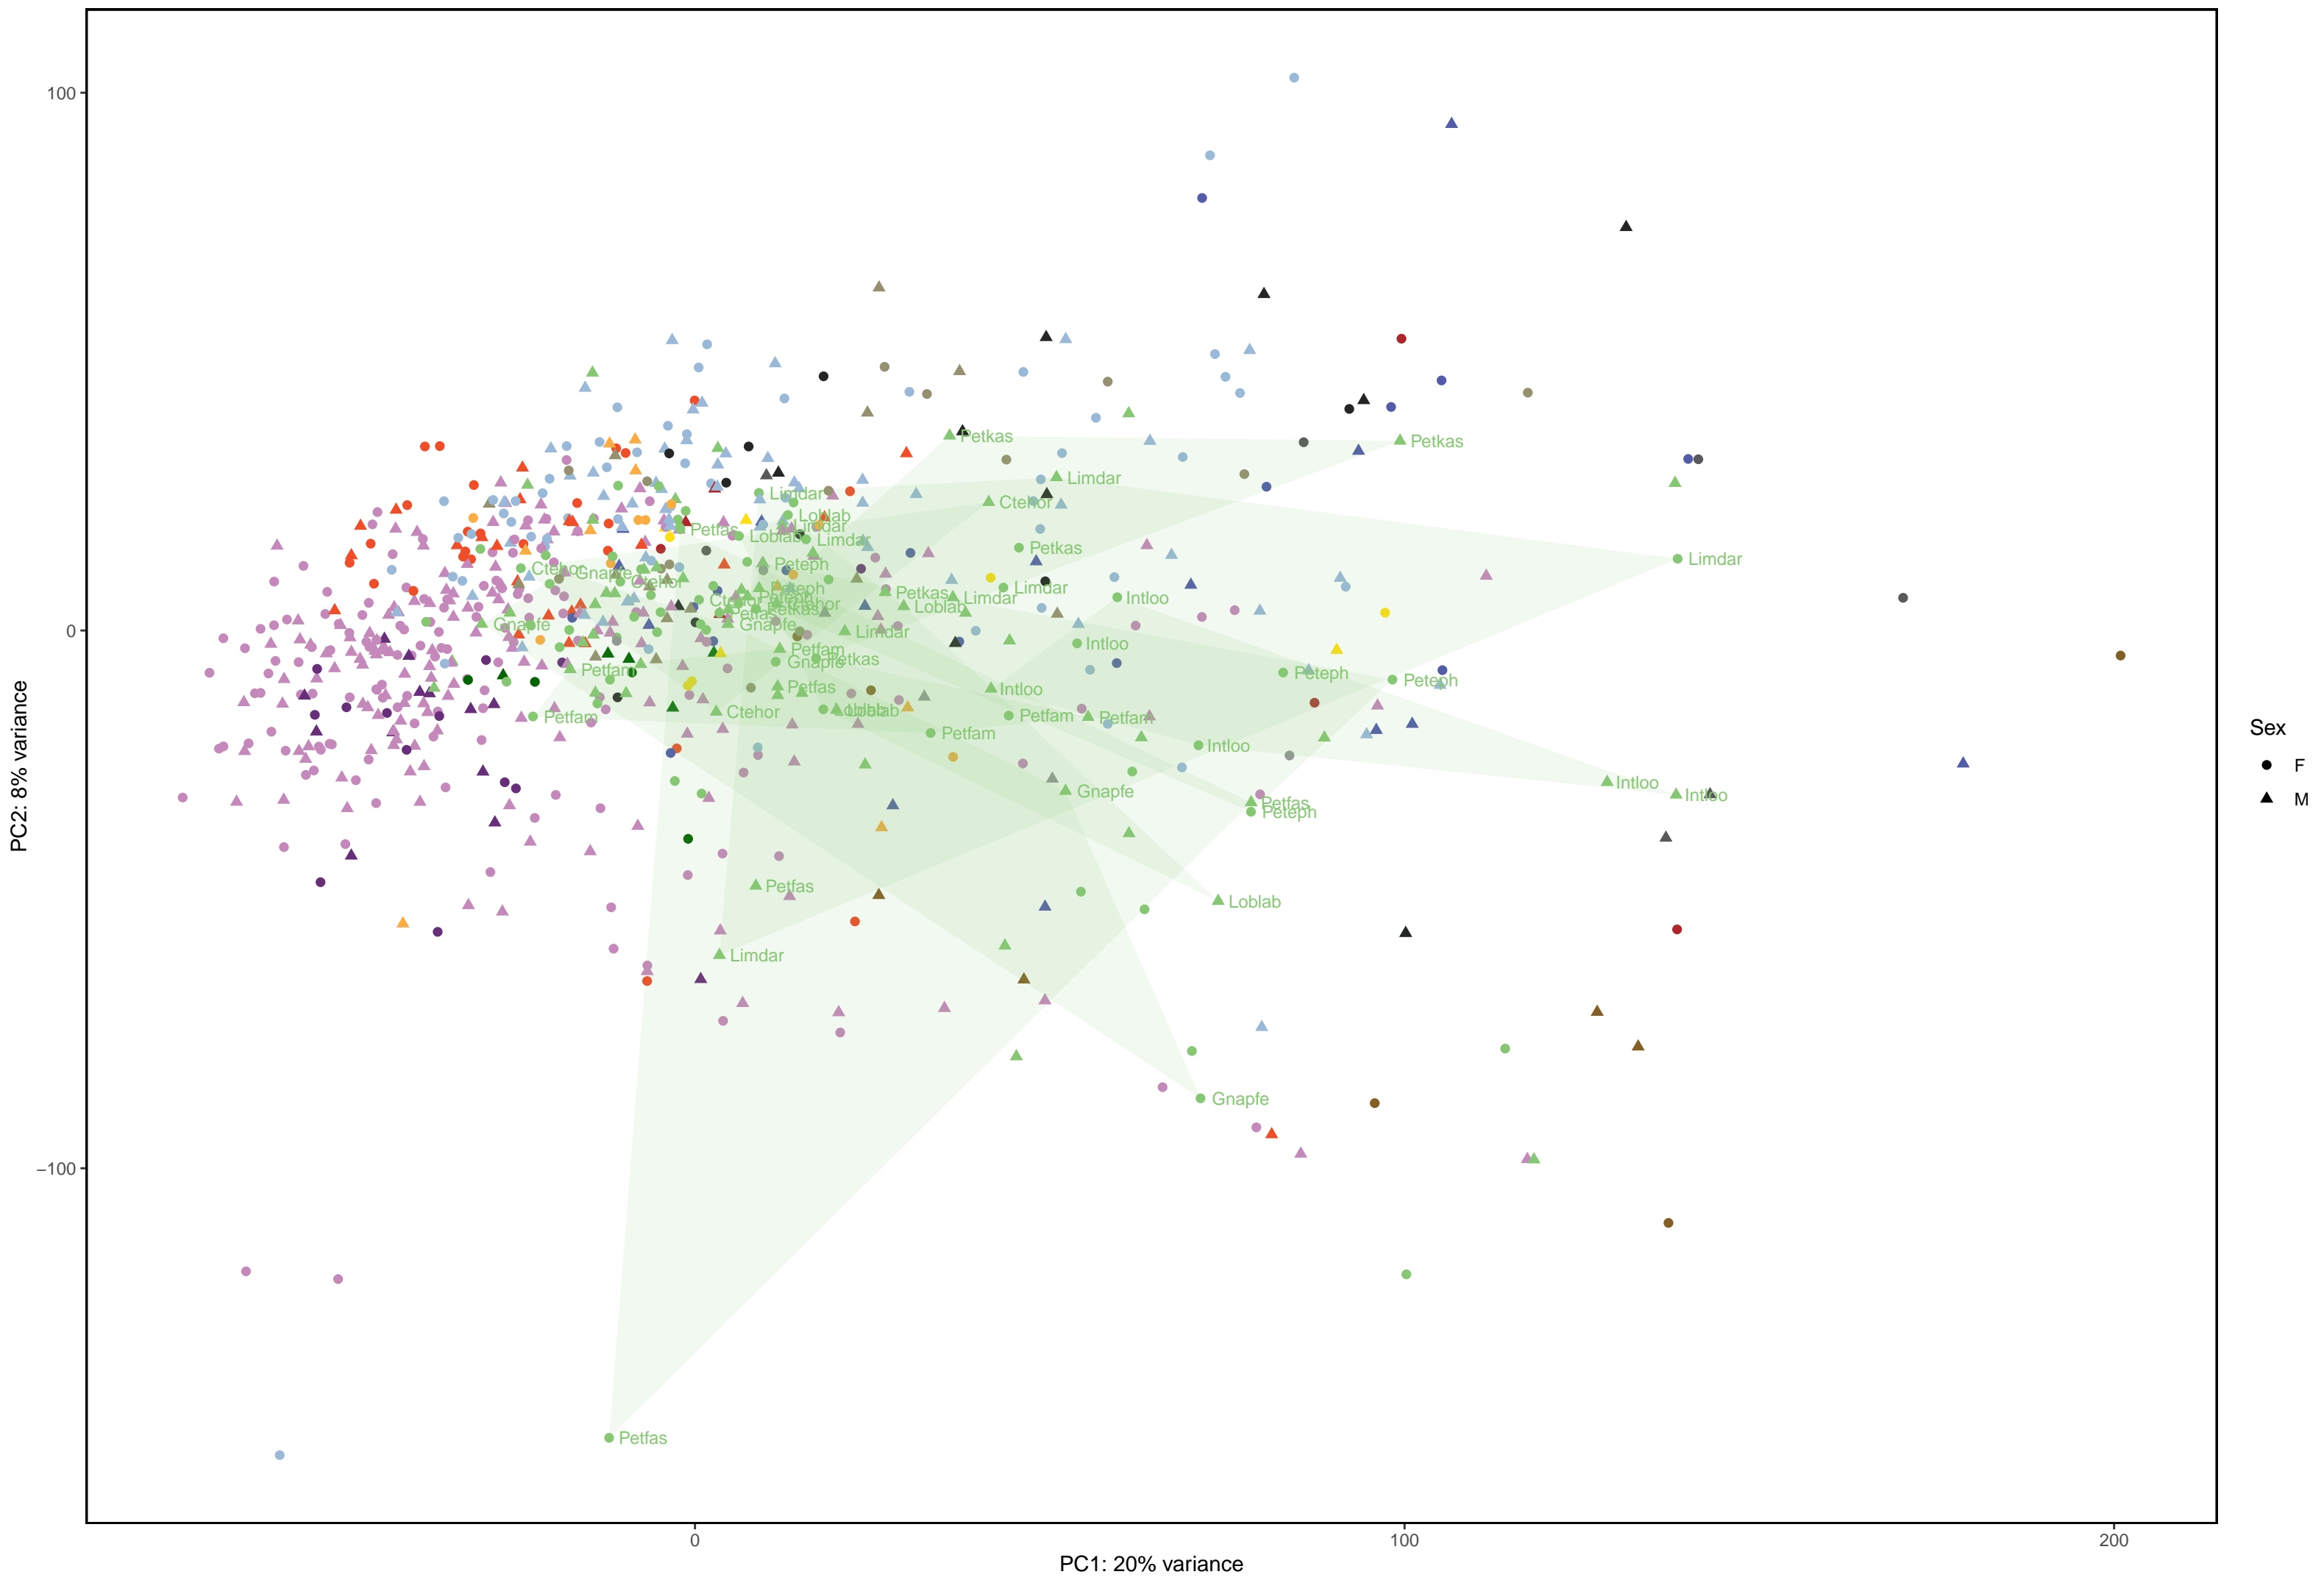

29002 protein-coding RNAs and lncRNAs
1 Cyphotilapiini species (all species)

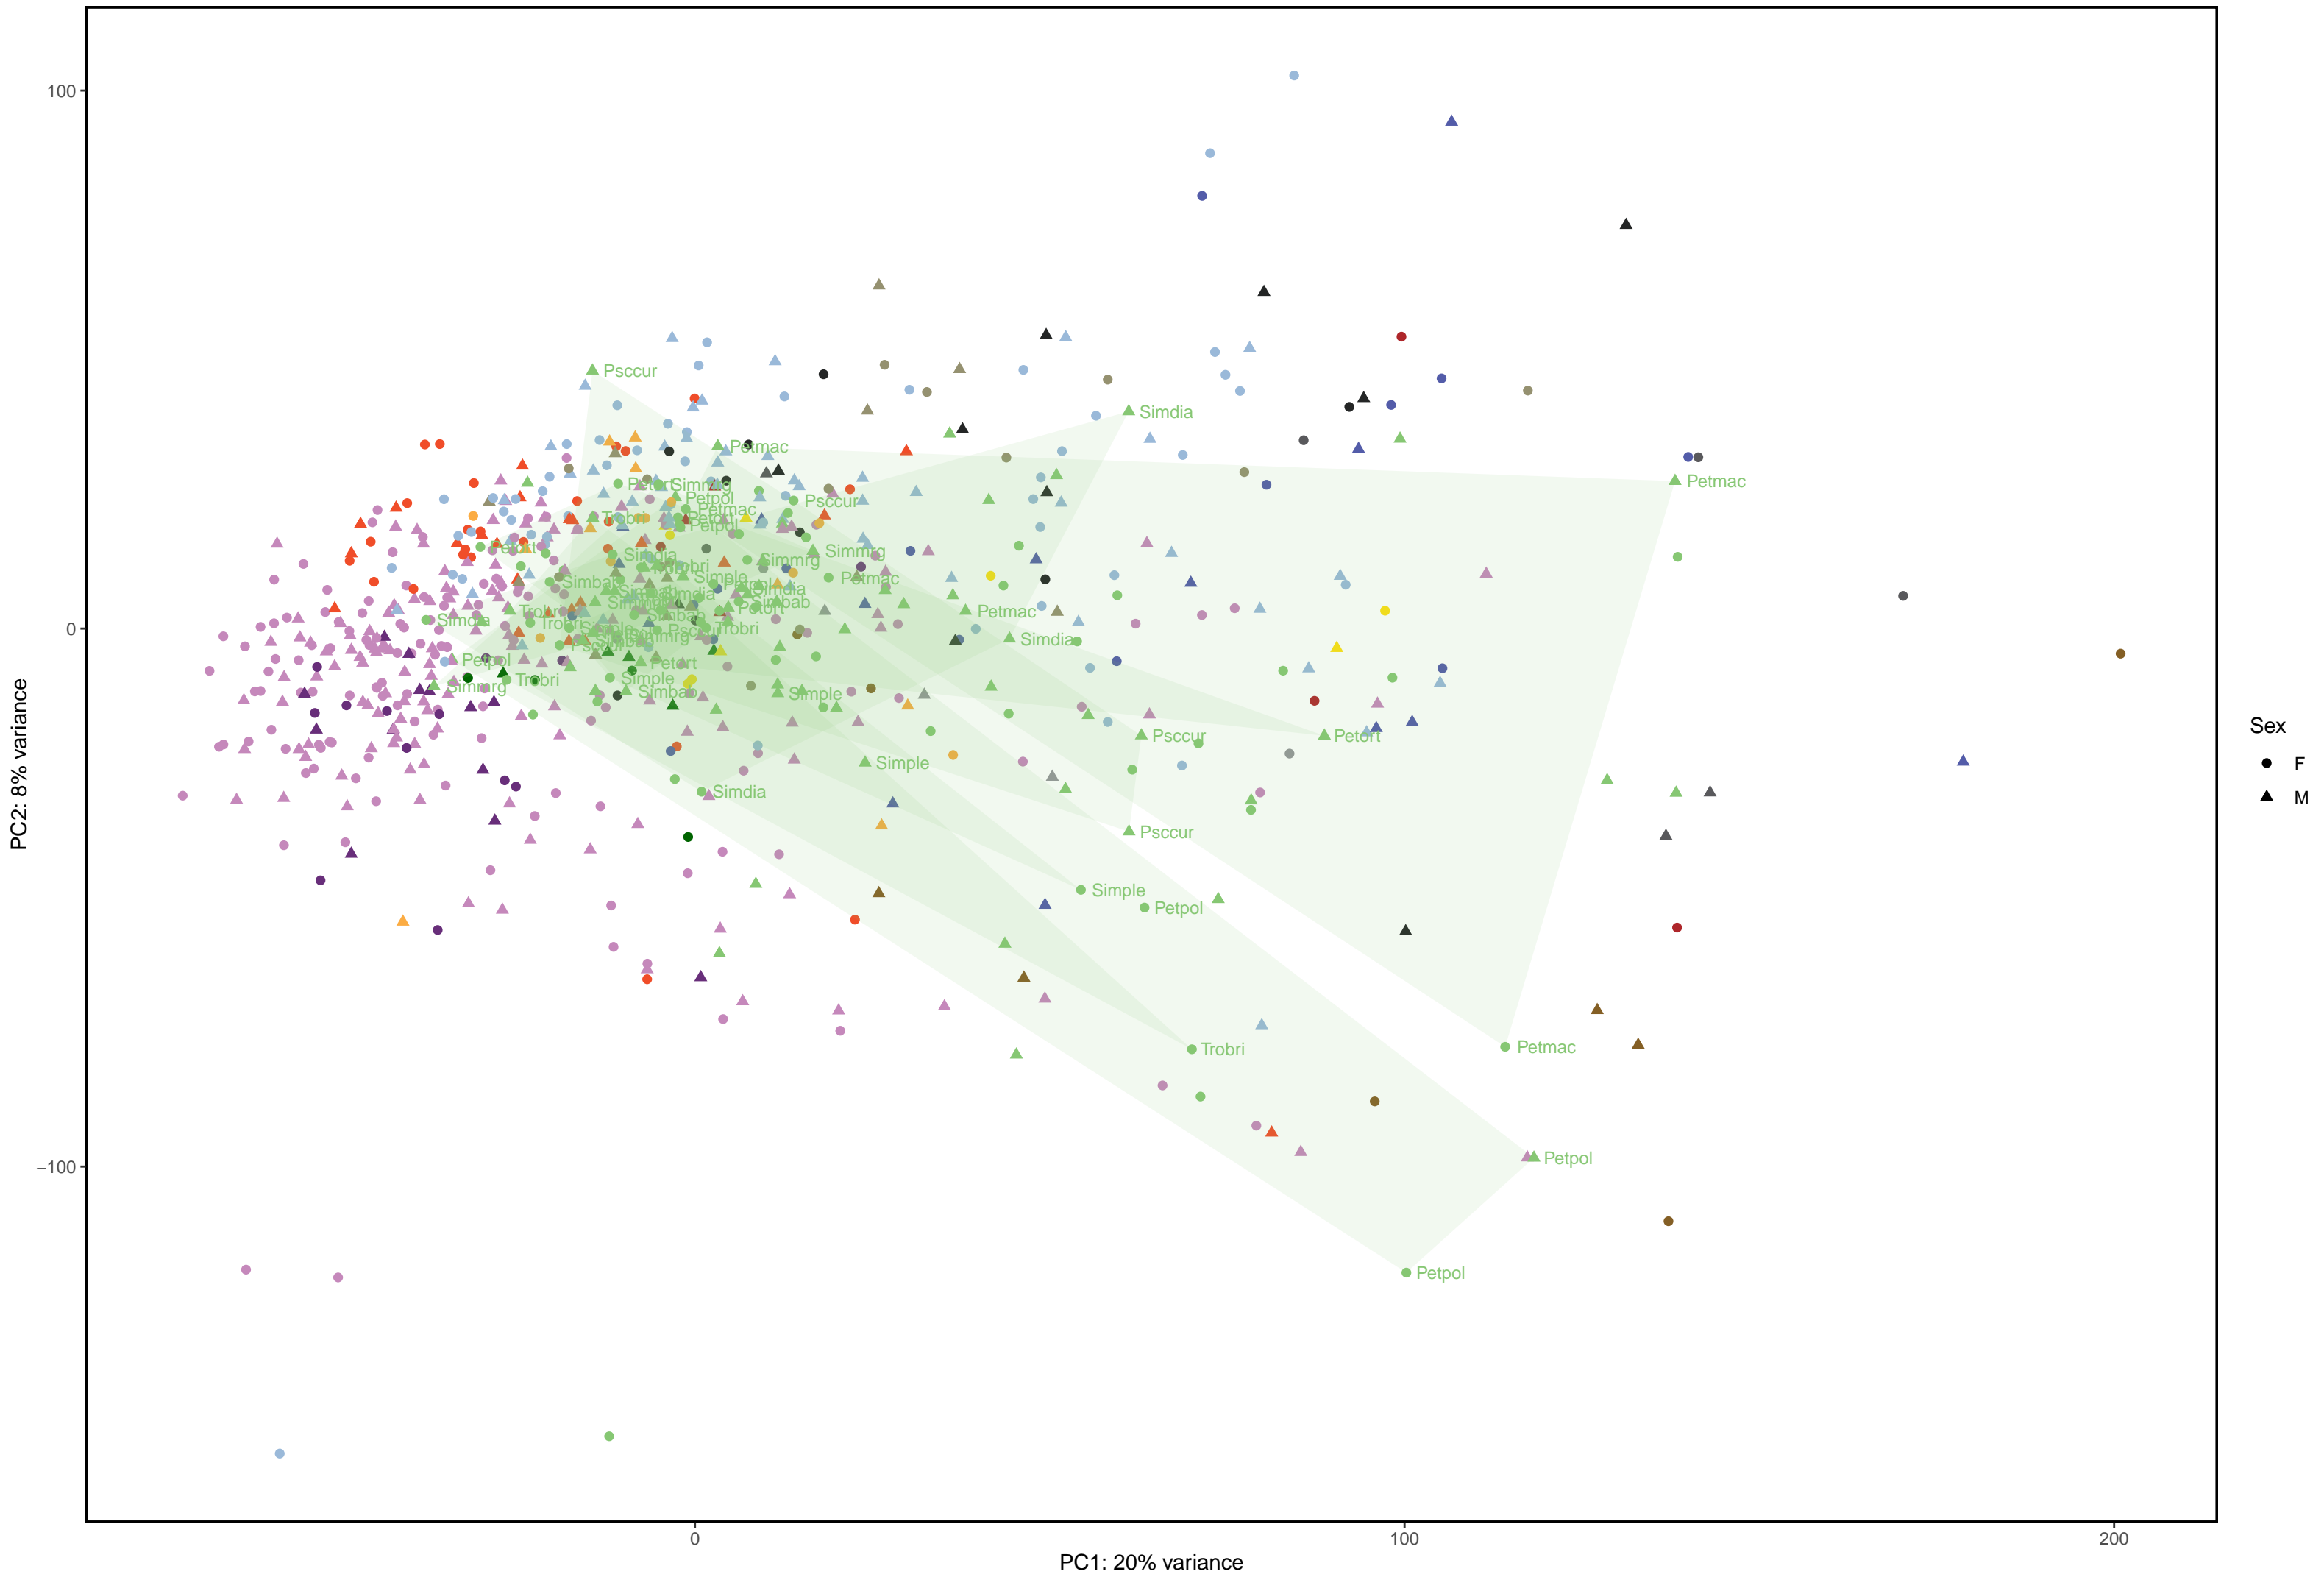

29002 protein-coding RNAs and lncRNAs
20 Tropheini species (all species)

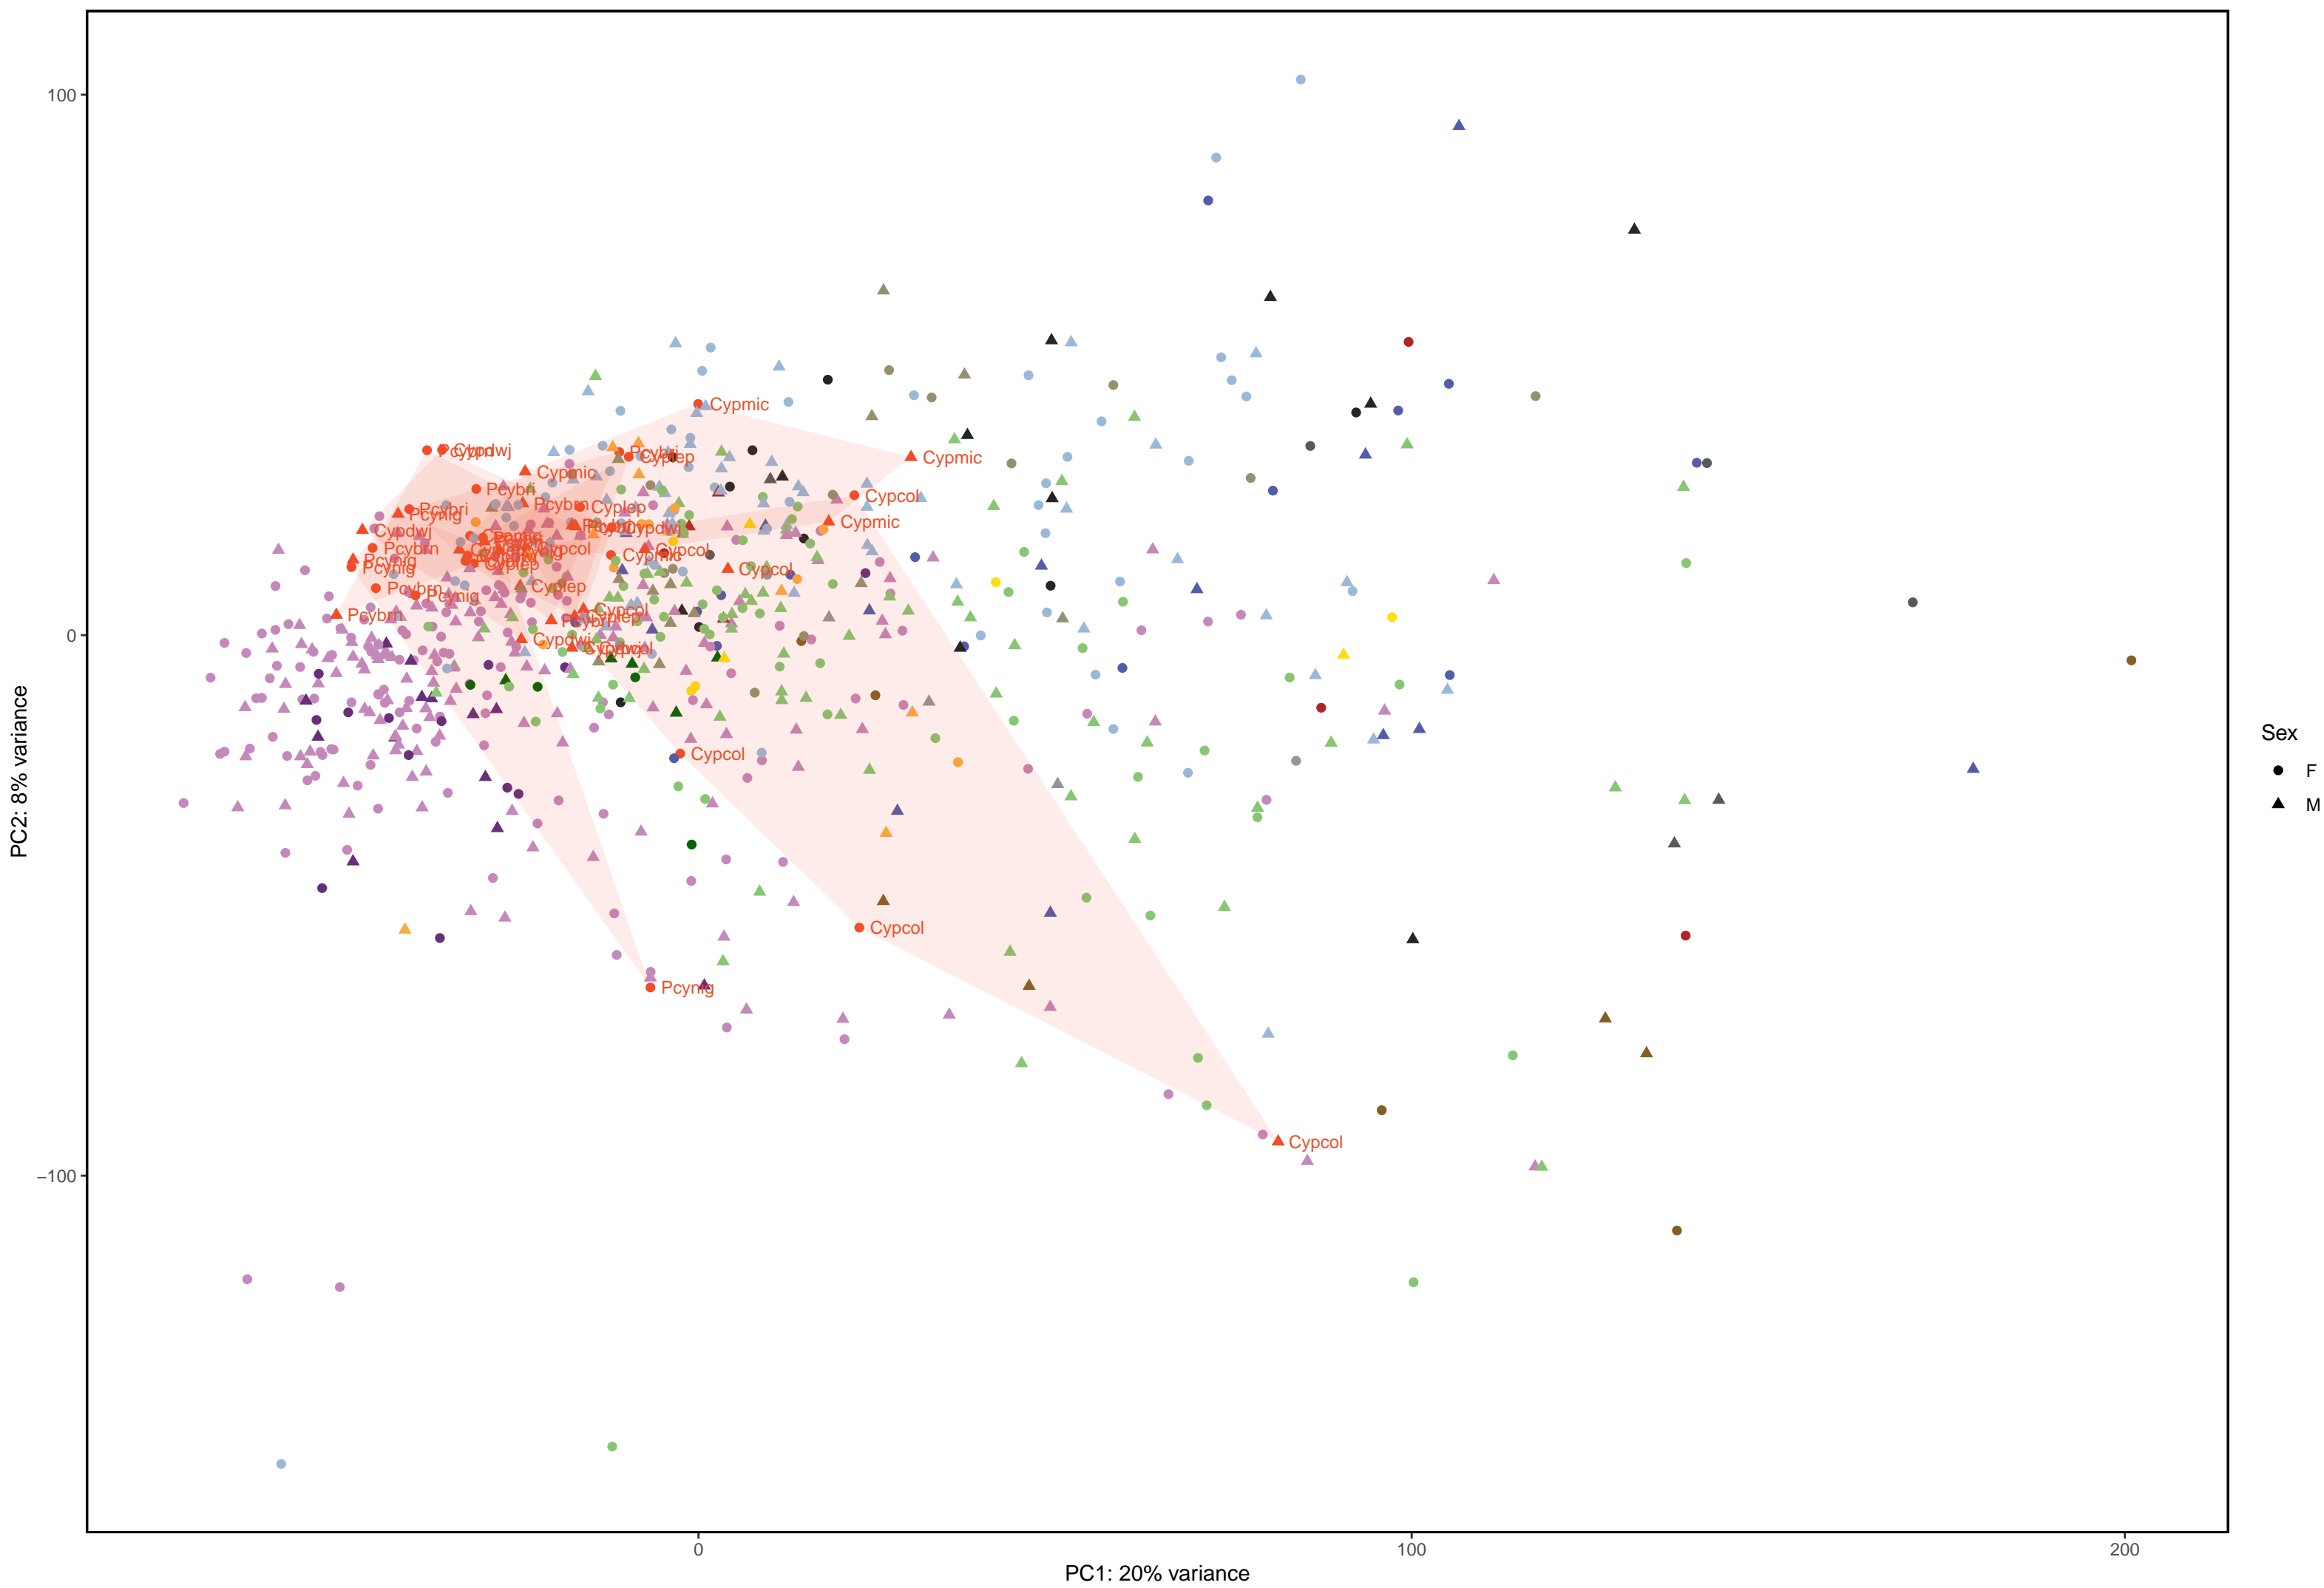

29002 protein-coding RNAs and lncRNAs
9 Tropheini species (part 1)

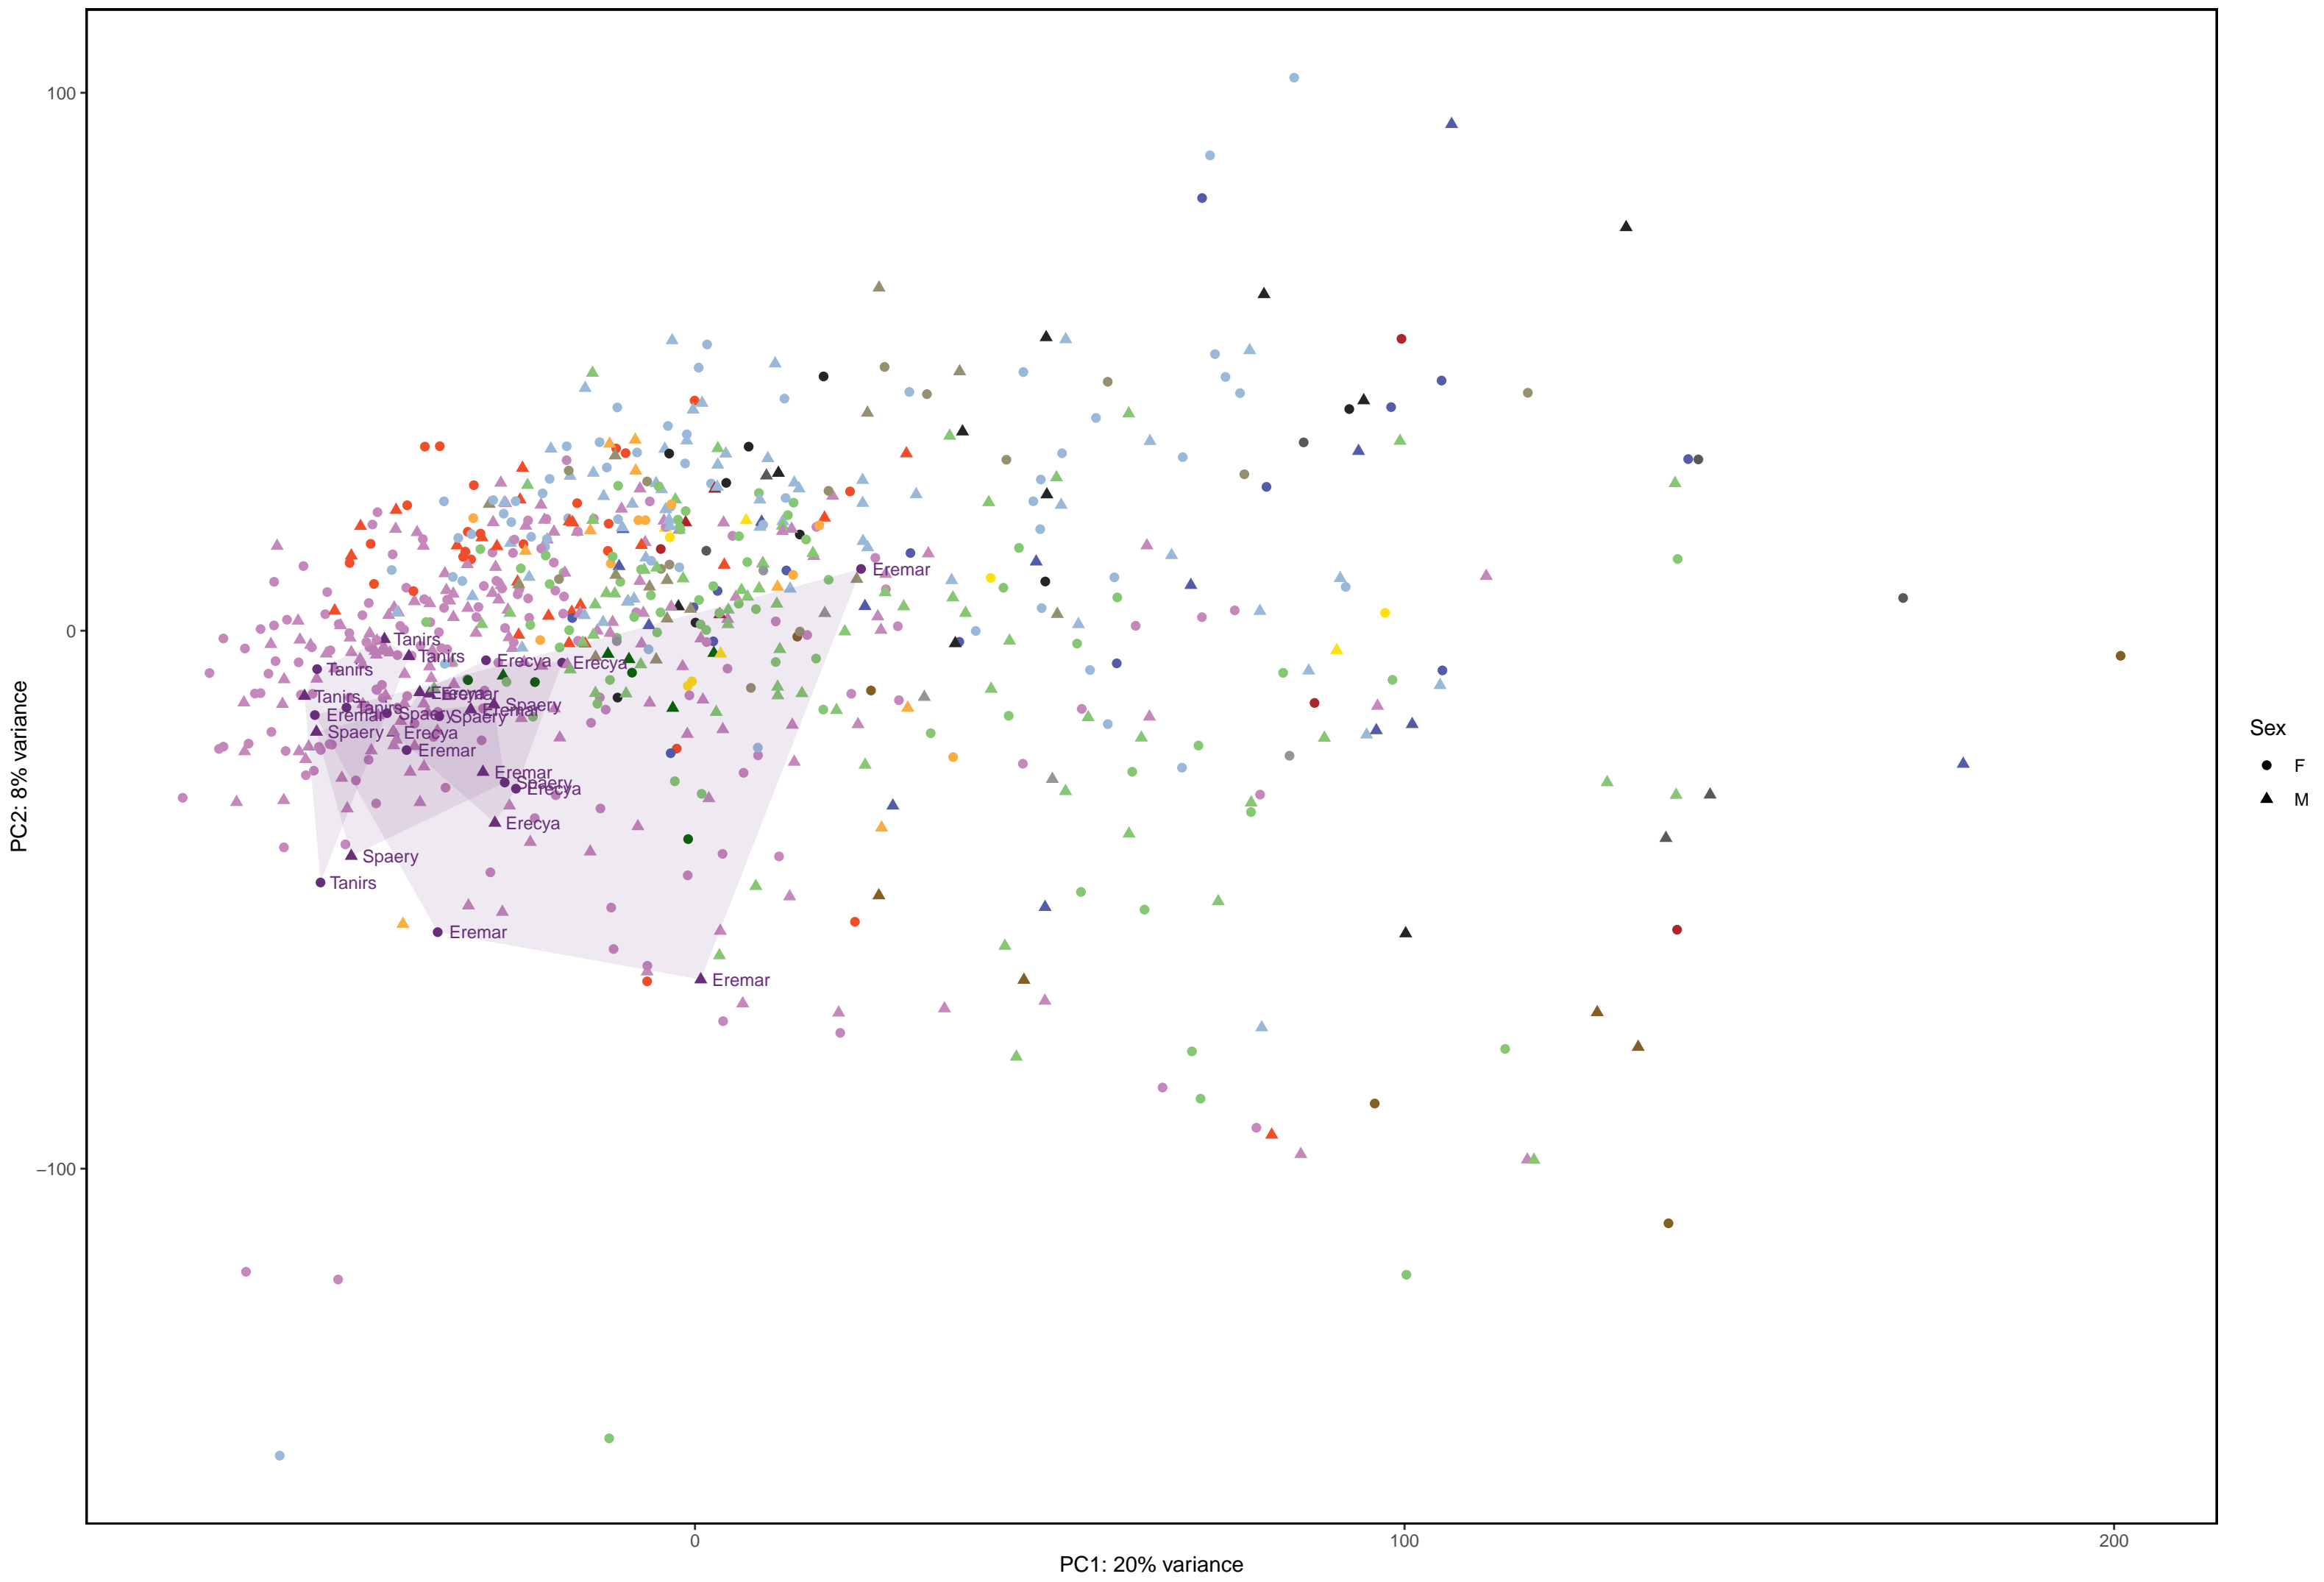

29002 protein-coding RNAs and lncRNAs
9 Tropheini species (part 2)

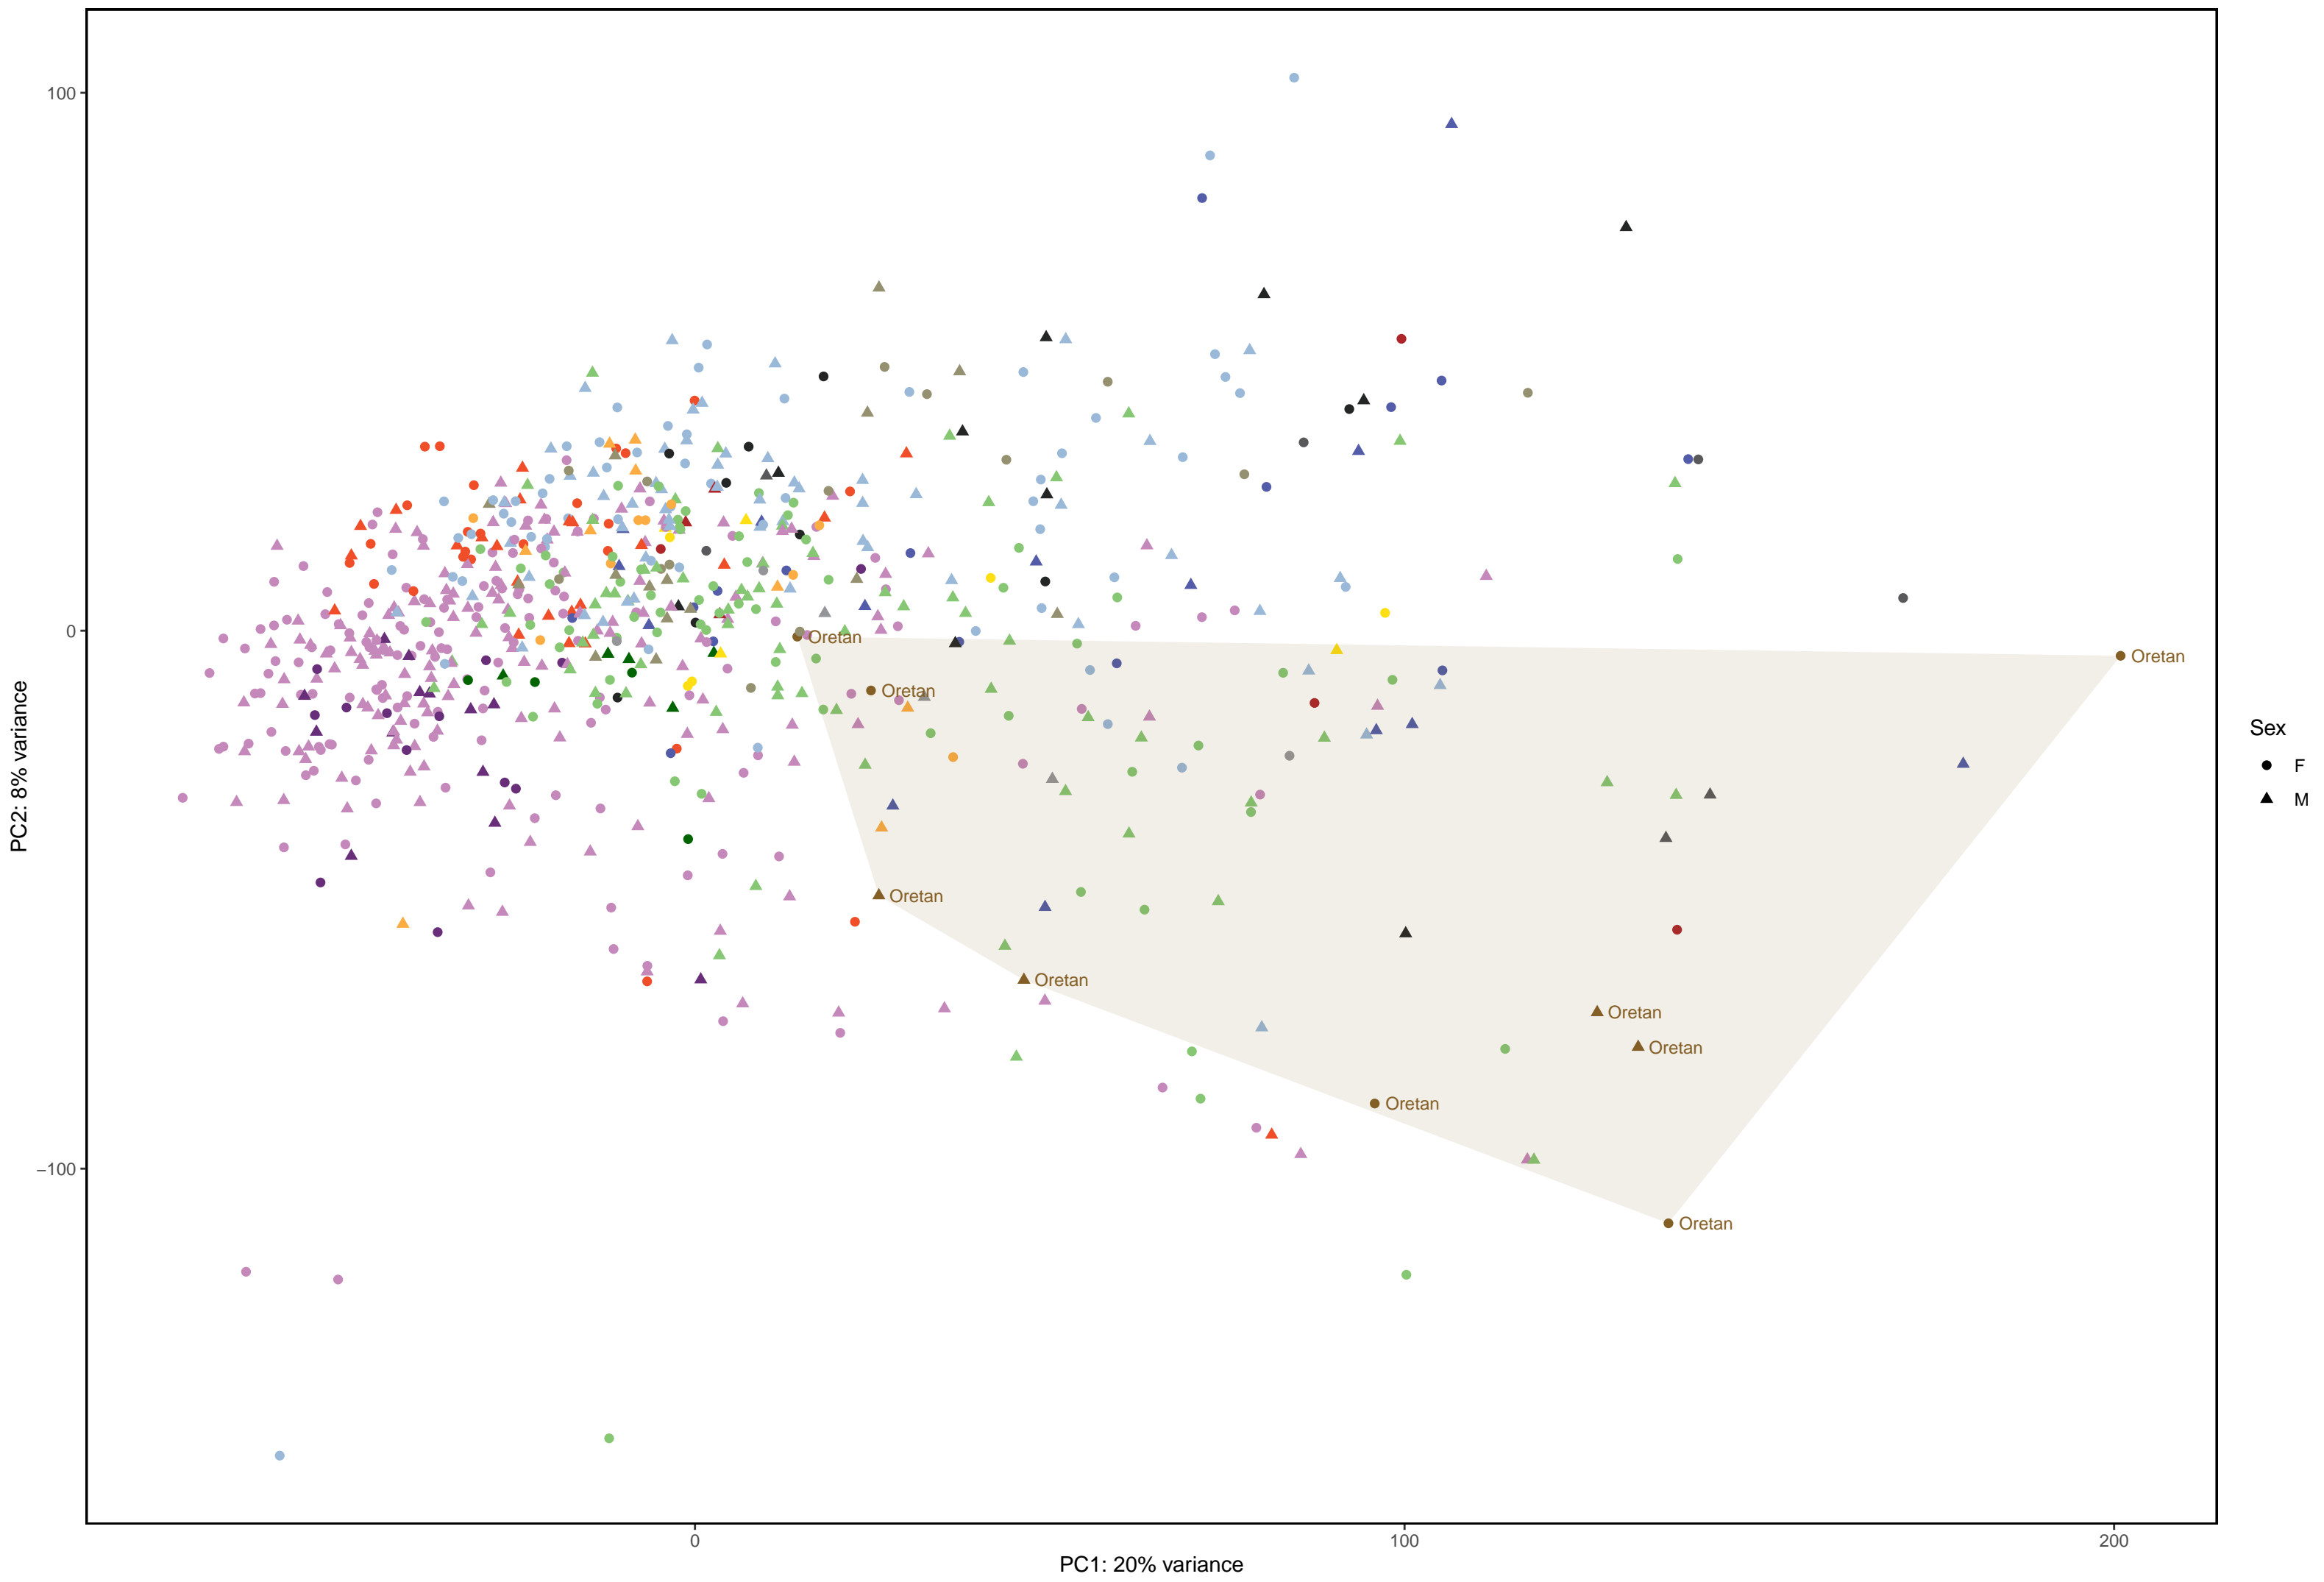

29002 protein-coding RNAs and lncRNAs
7 Cyprichromini species (all species)

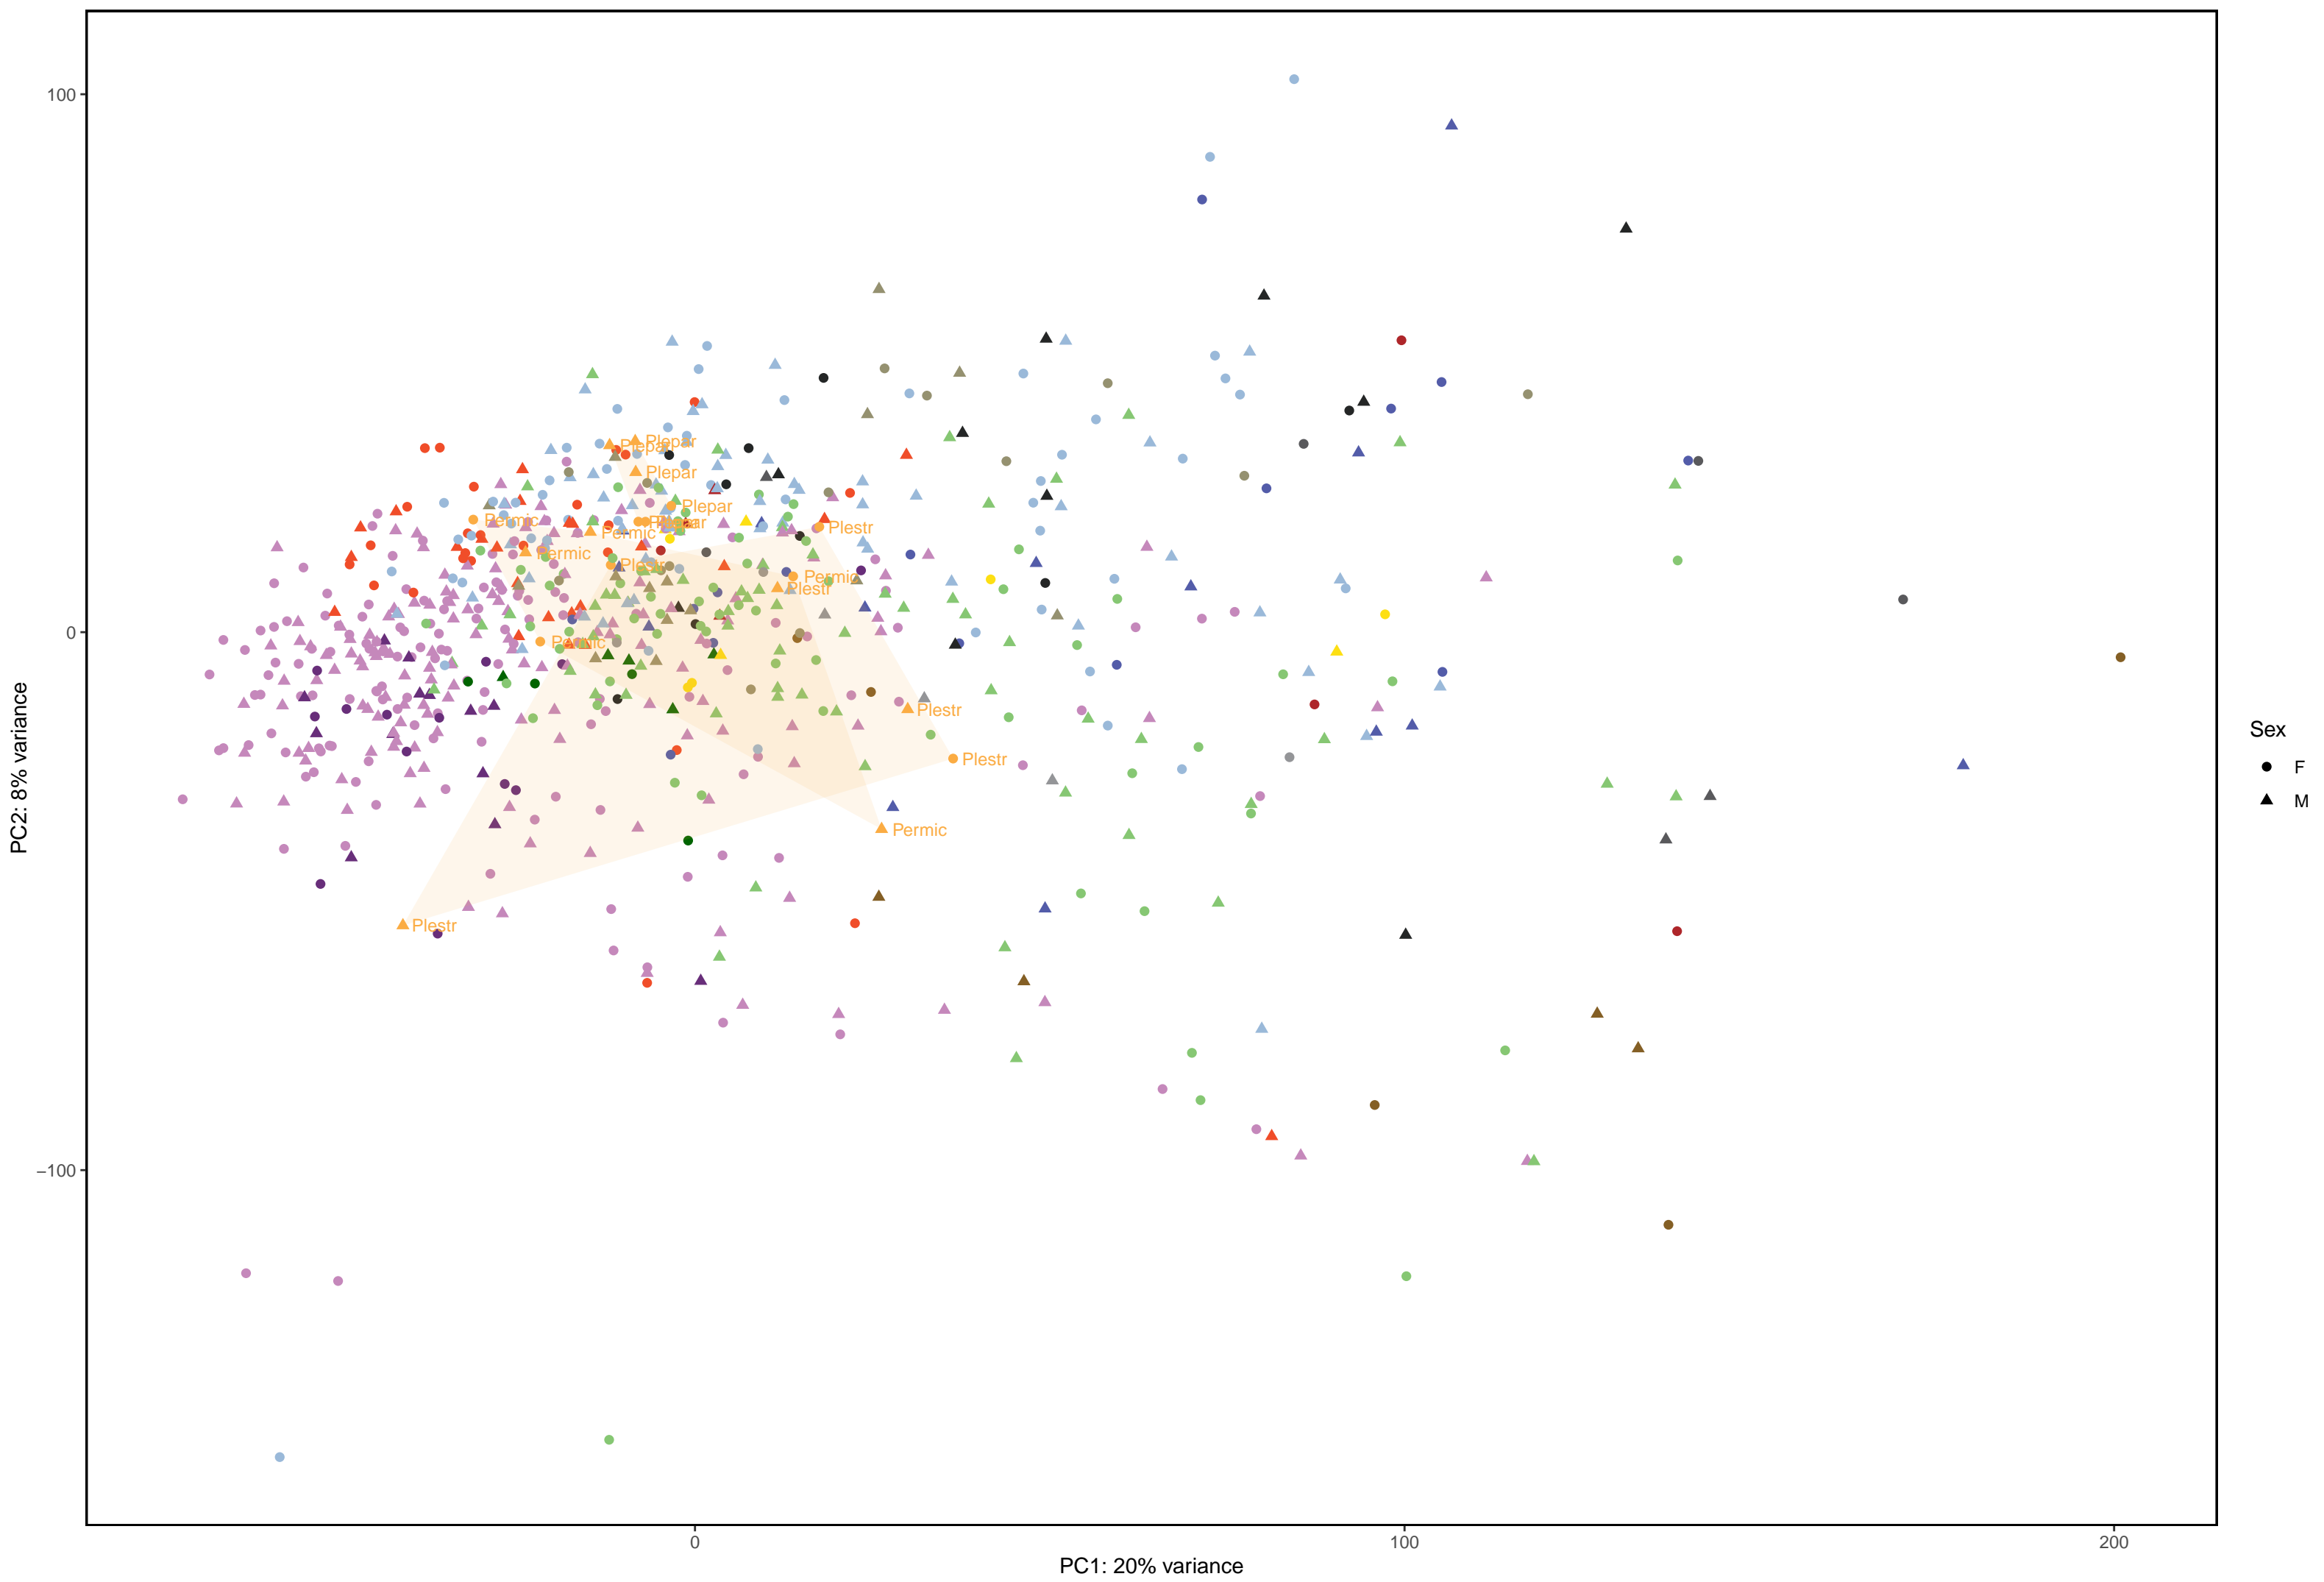

29002 protein-coding RNAs and lncRNAs
1 Oreochromini species (all species)

29002 protein-coding RNAs and lncRNAs
3 Perissodini species (all species)

29002 protein-coding RNAs and lncRNAs
4 Trematocarini species (all species)
