

29002 protein-coding RNAs and lncRNAs  
43 Lamprologini species (all species)

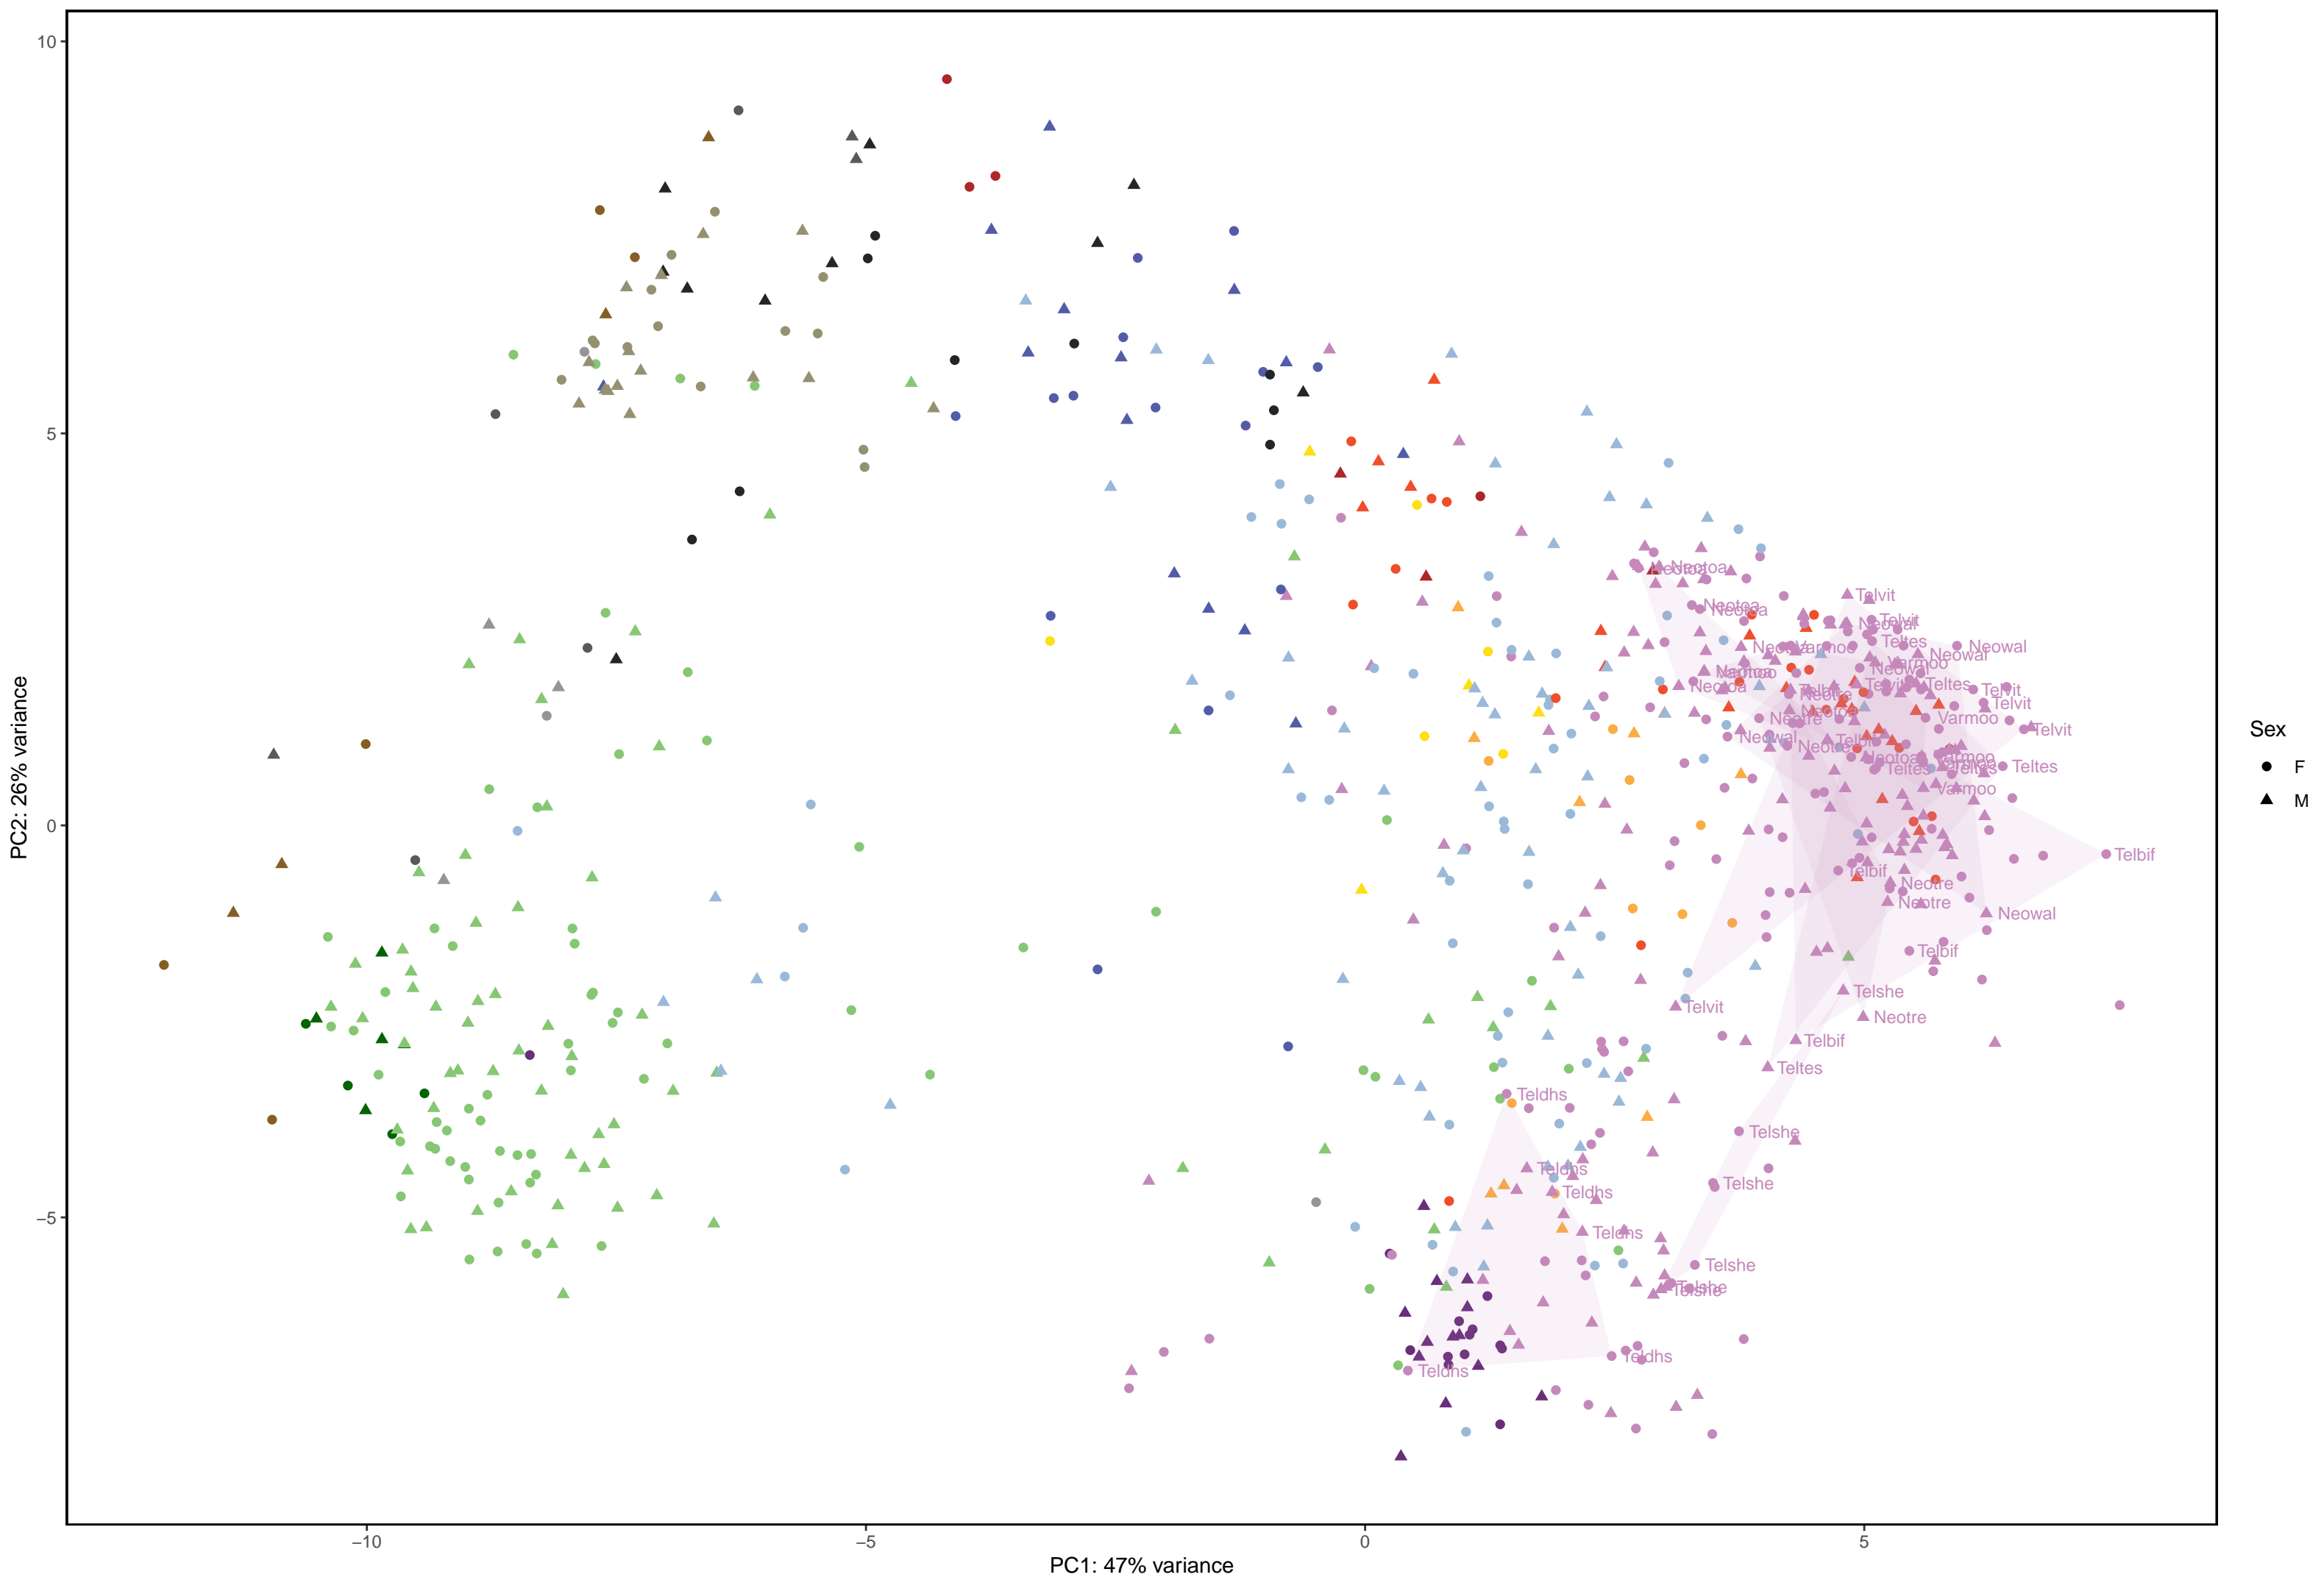

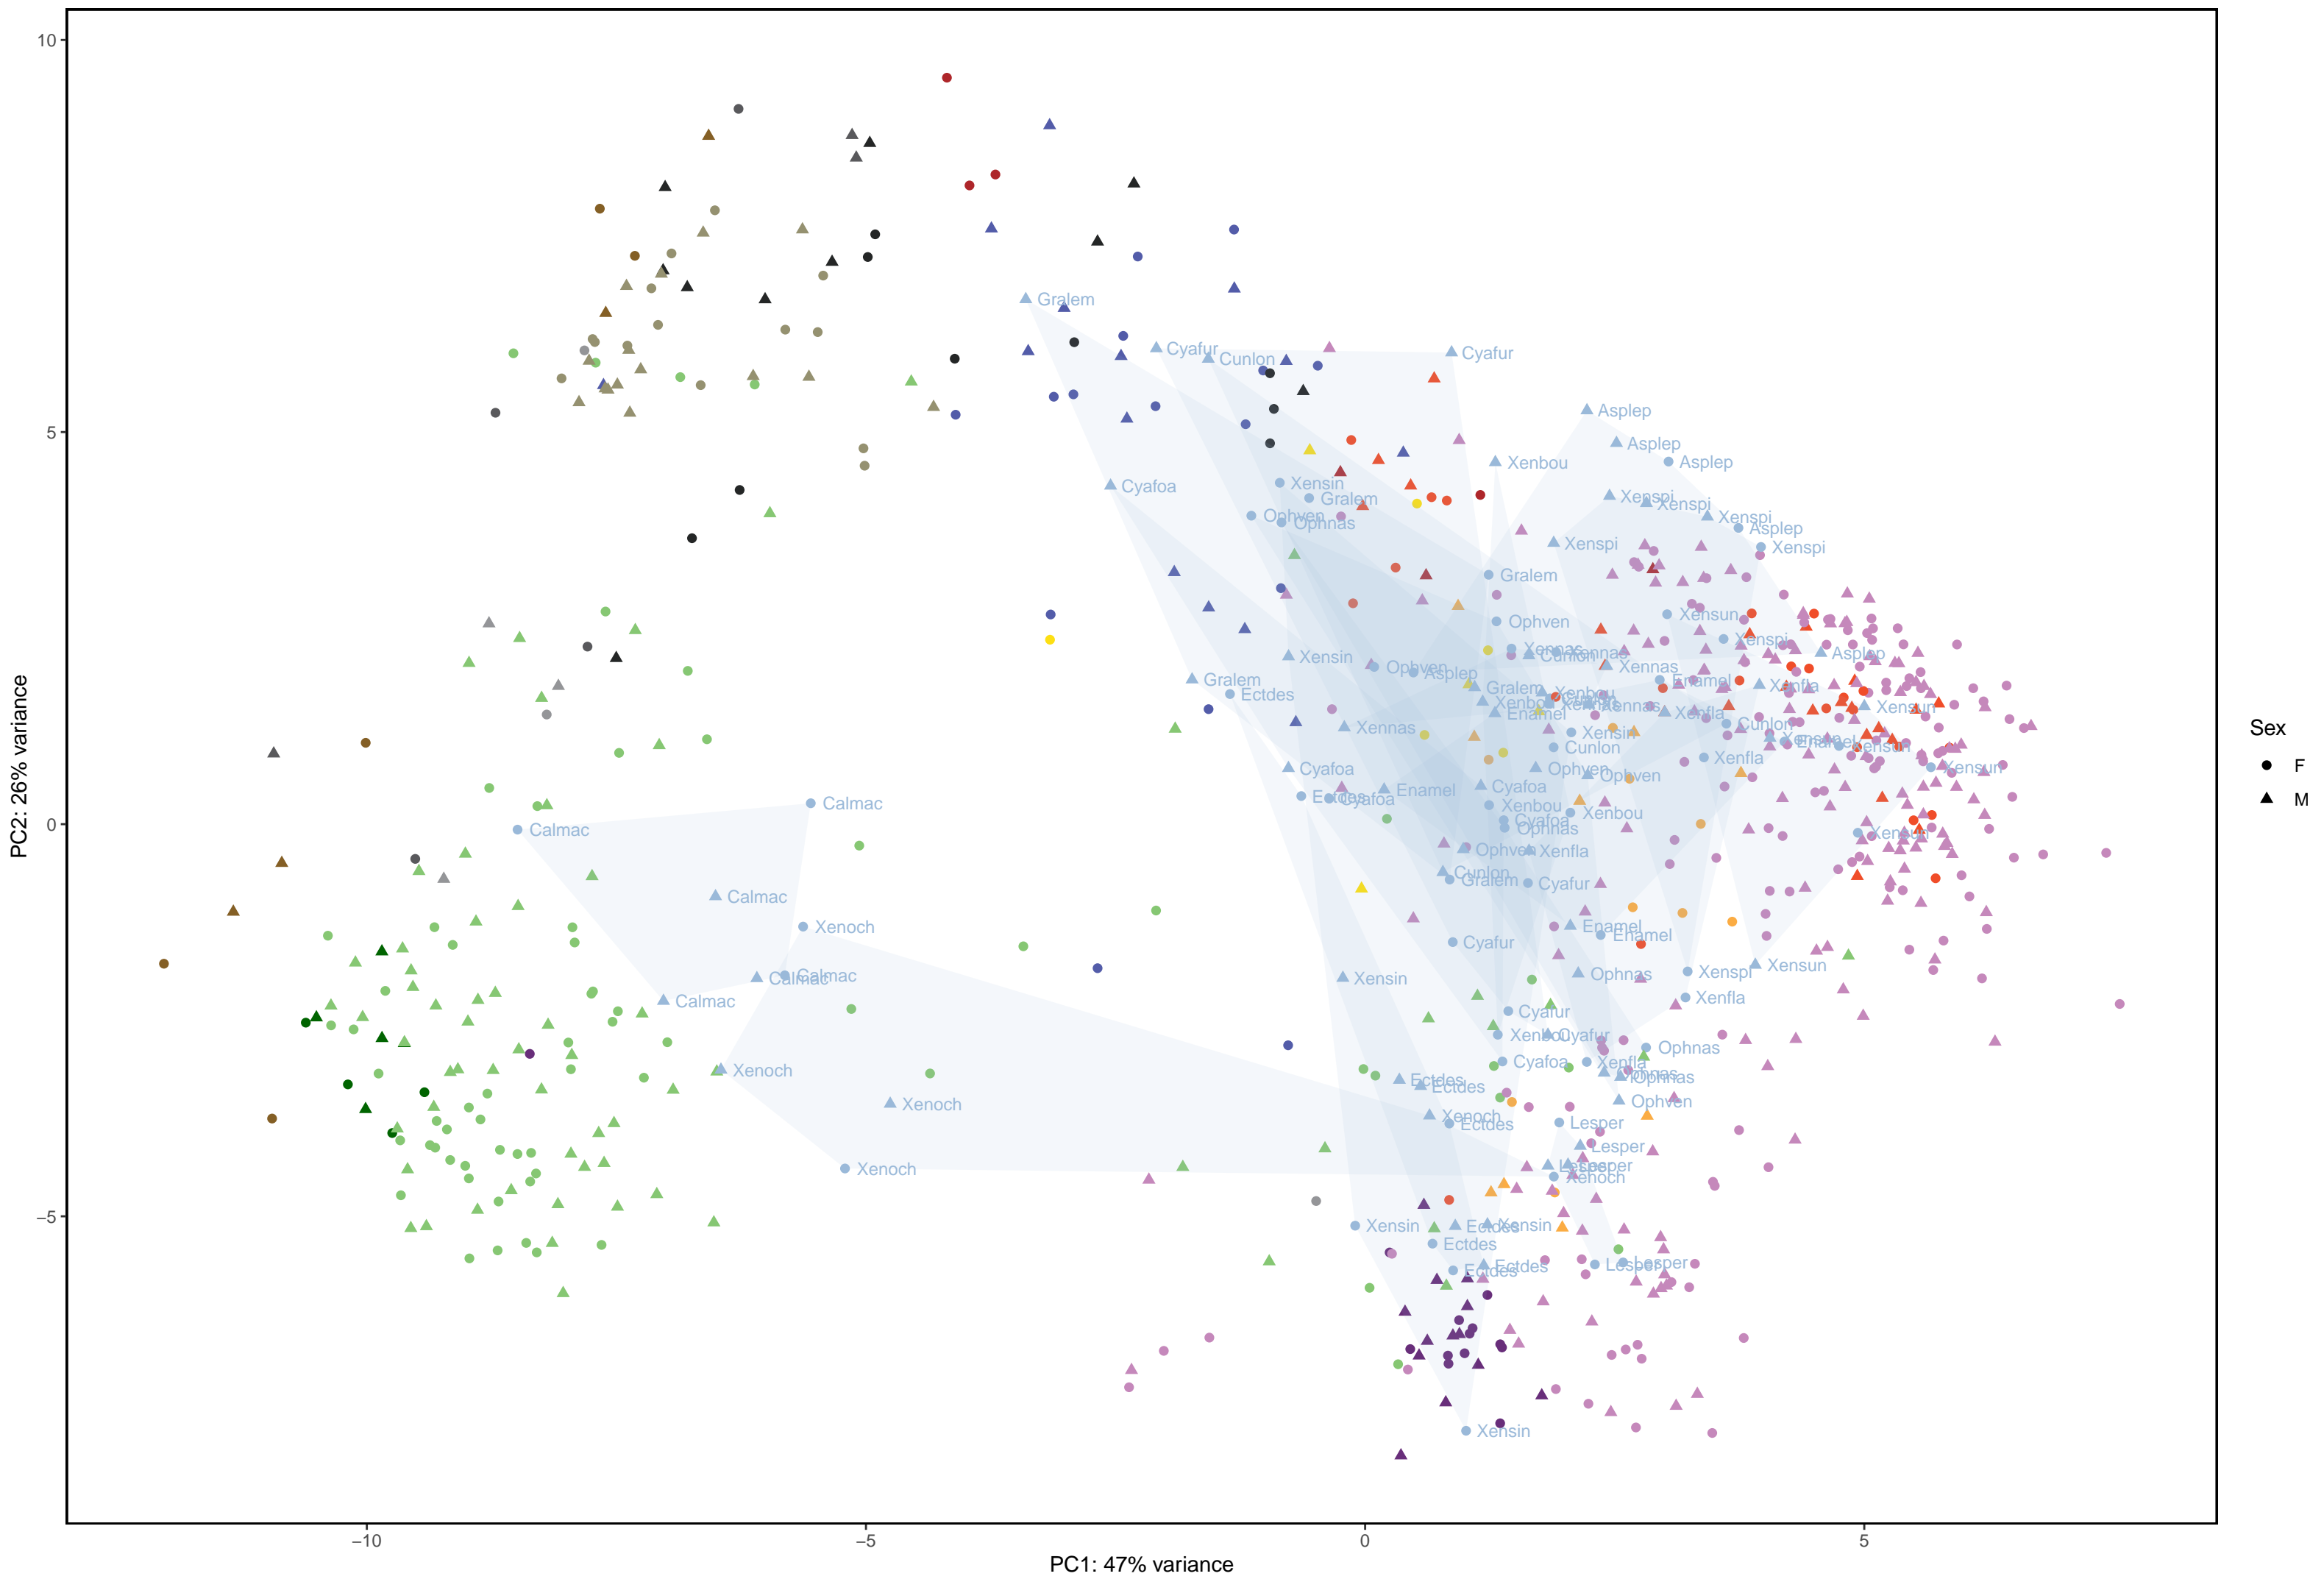

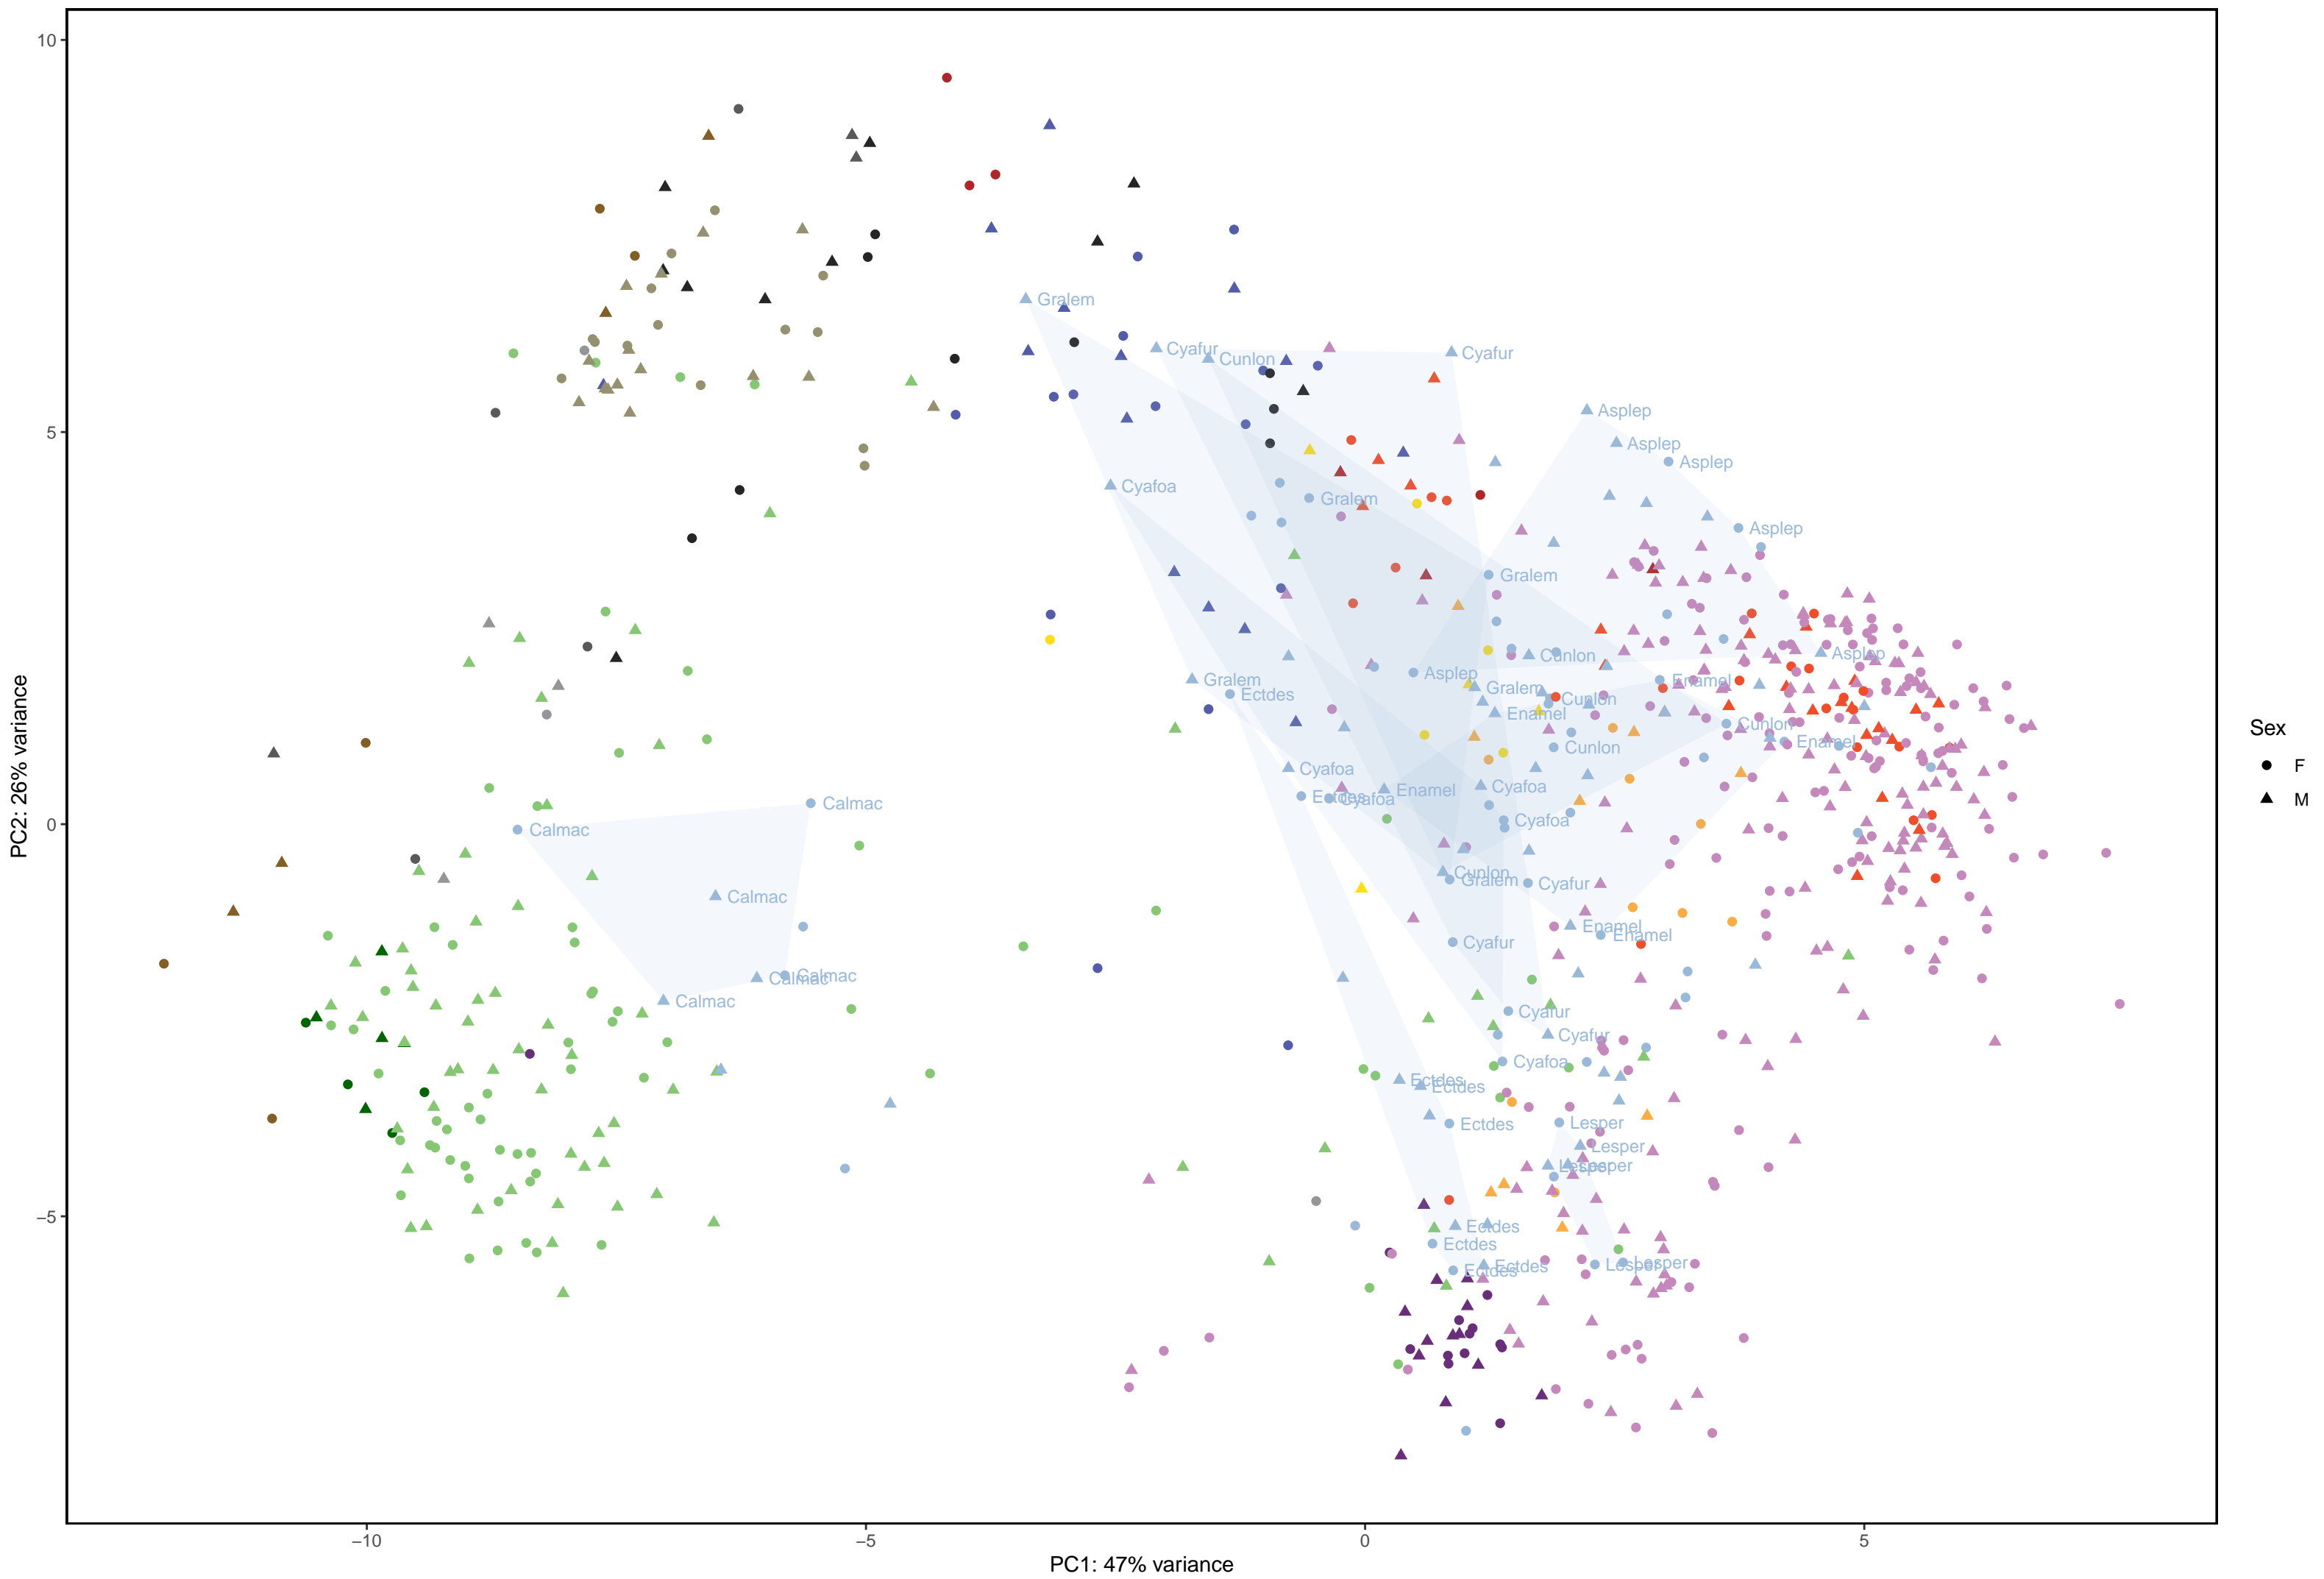

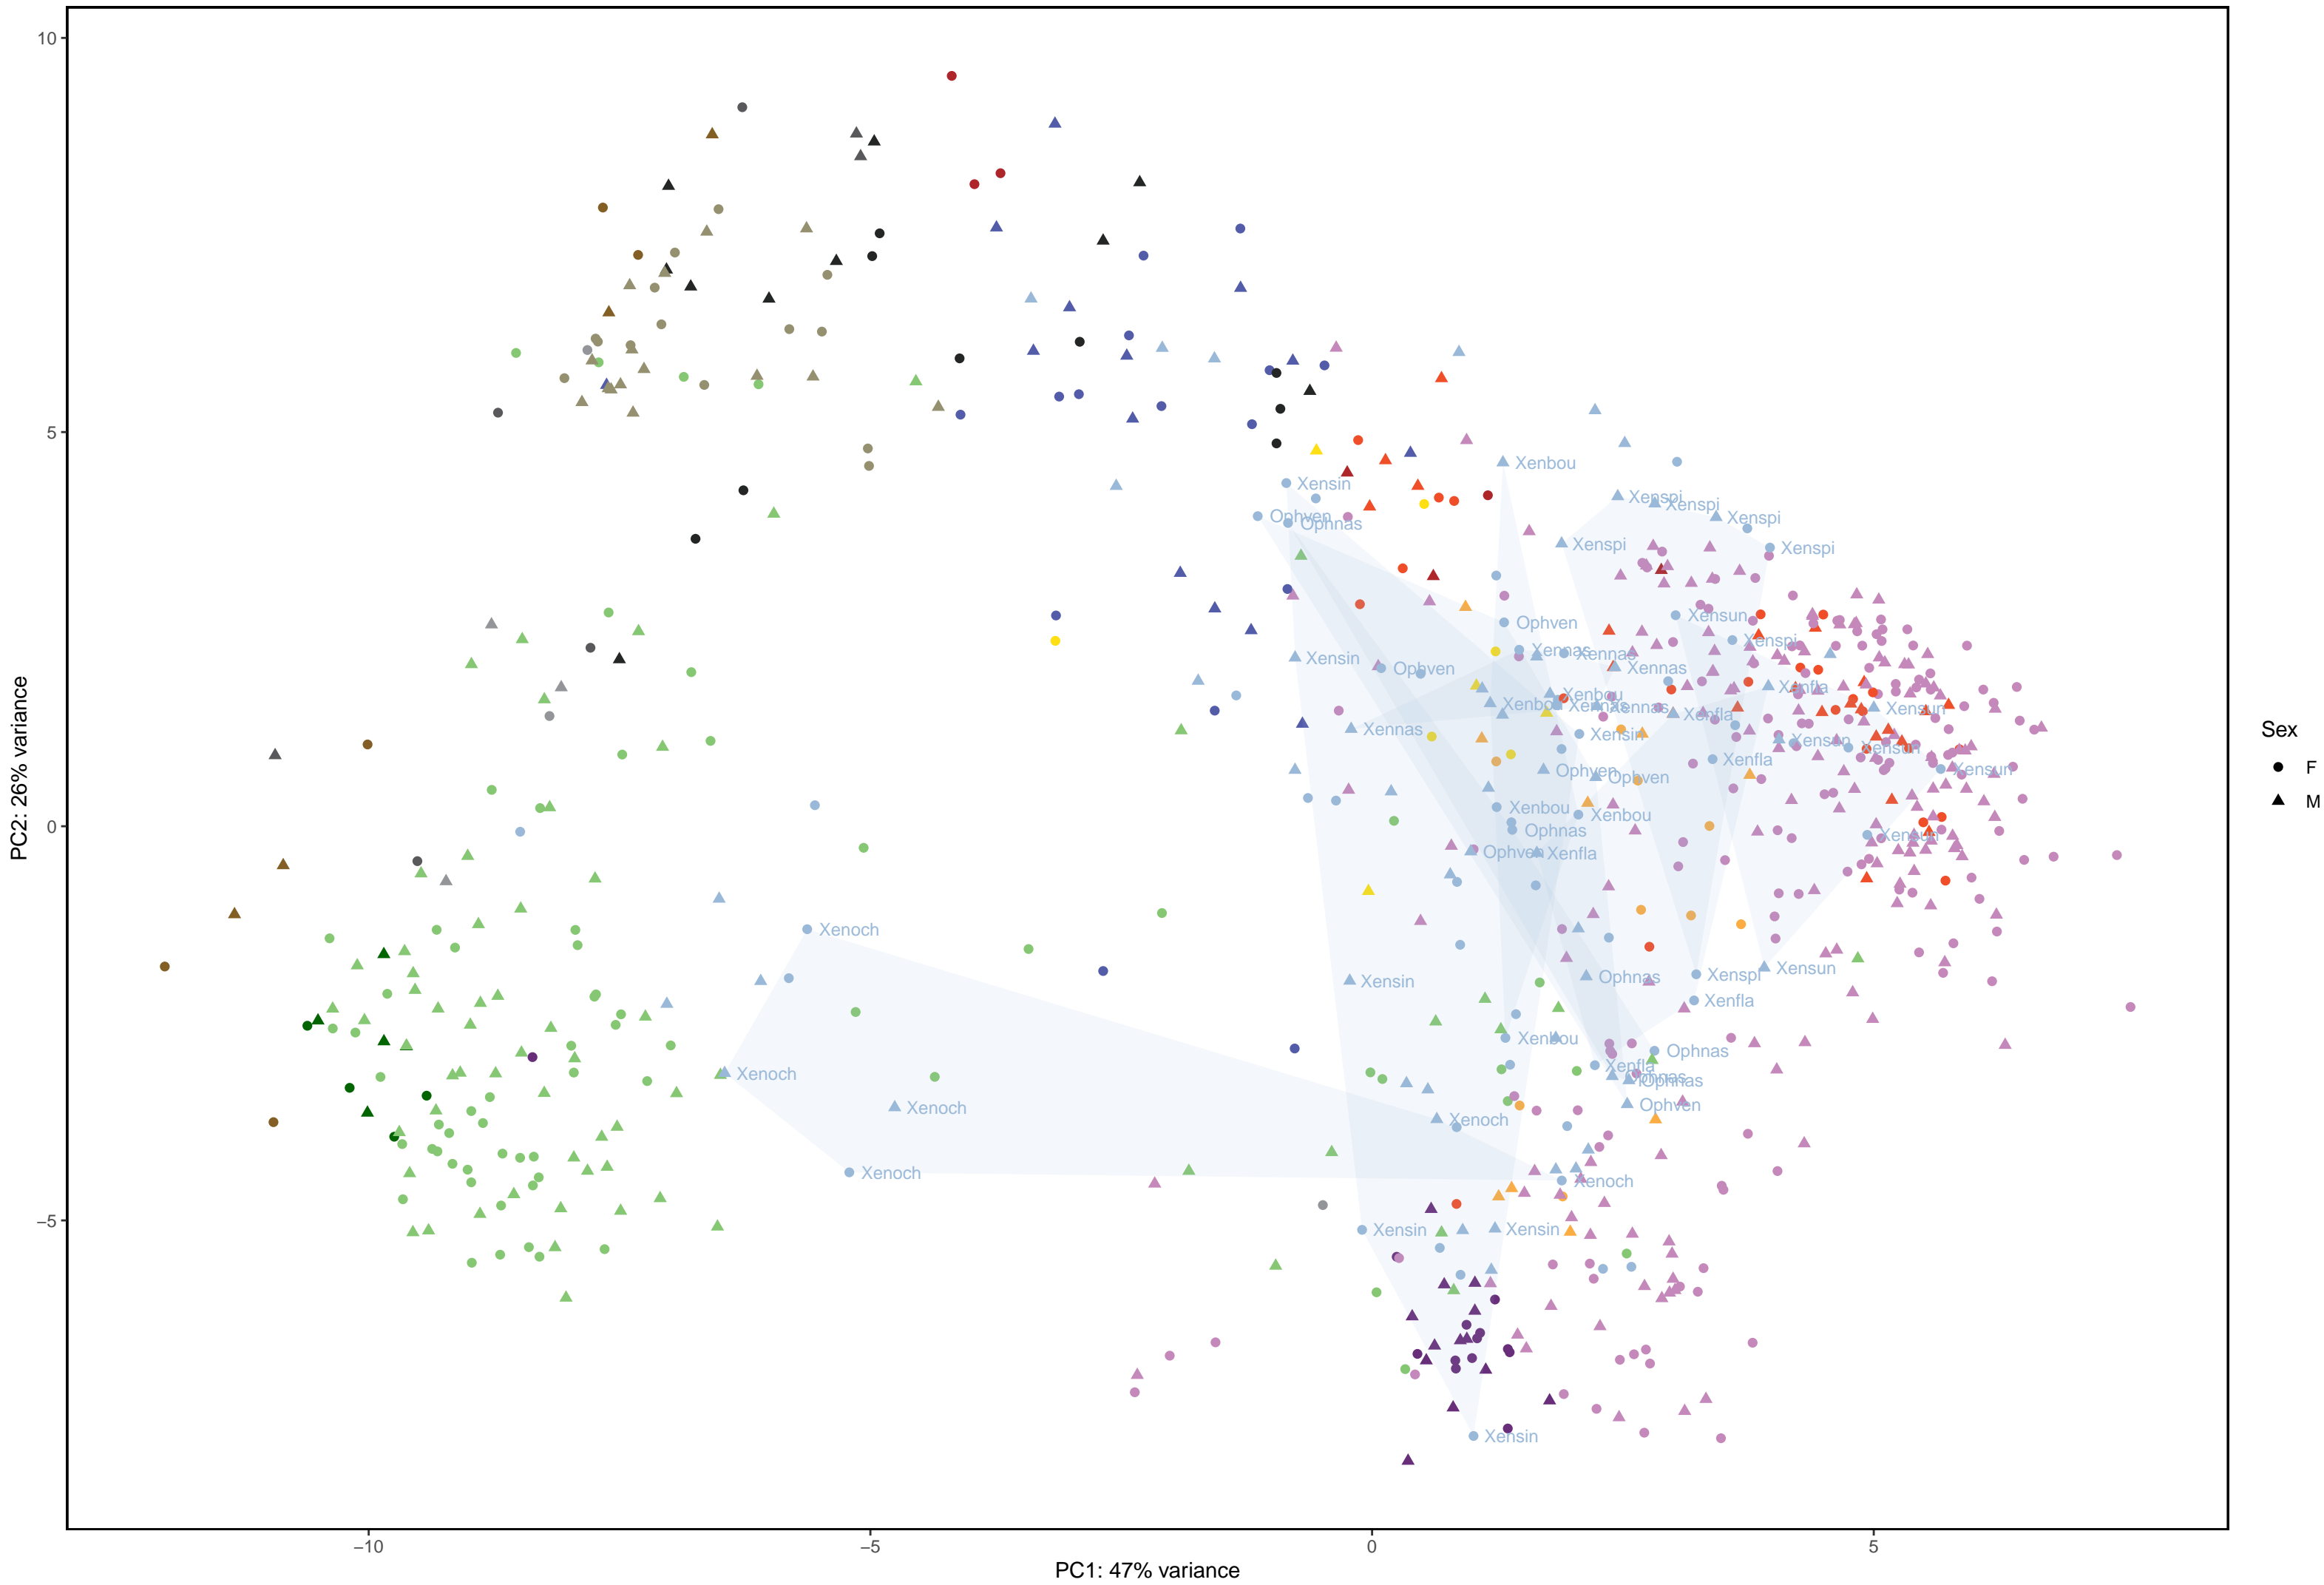

29002 protein-coding RNAs and lncRNAs  
9 Lamprologini species (part 4)

29002 protein-coding RNAs and lncRNAs  
18 Ectodini species (all species)

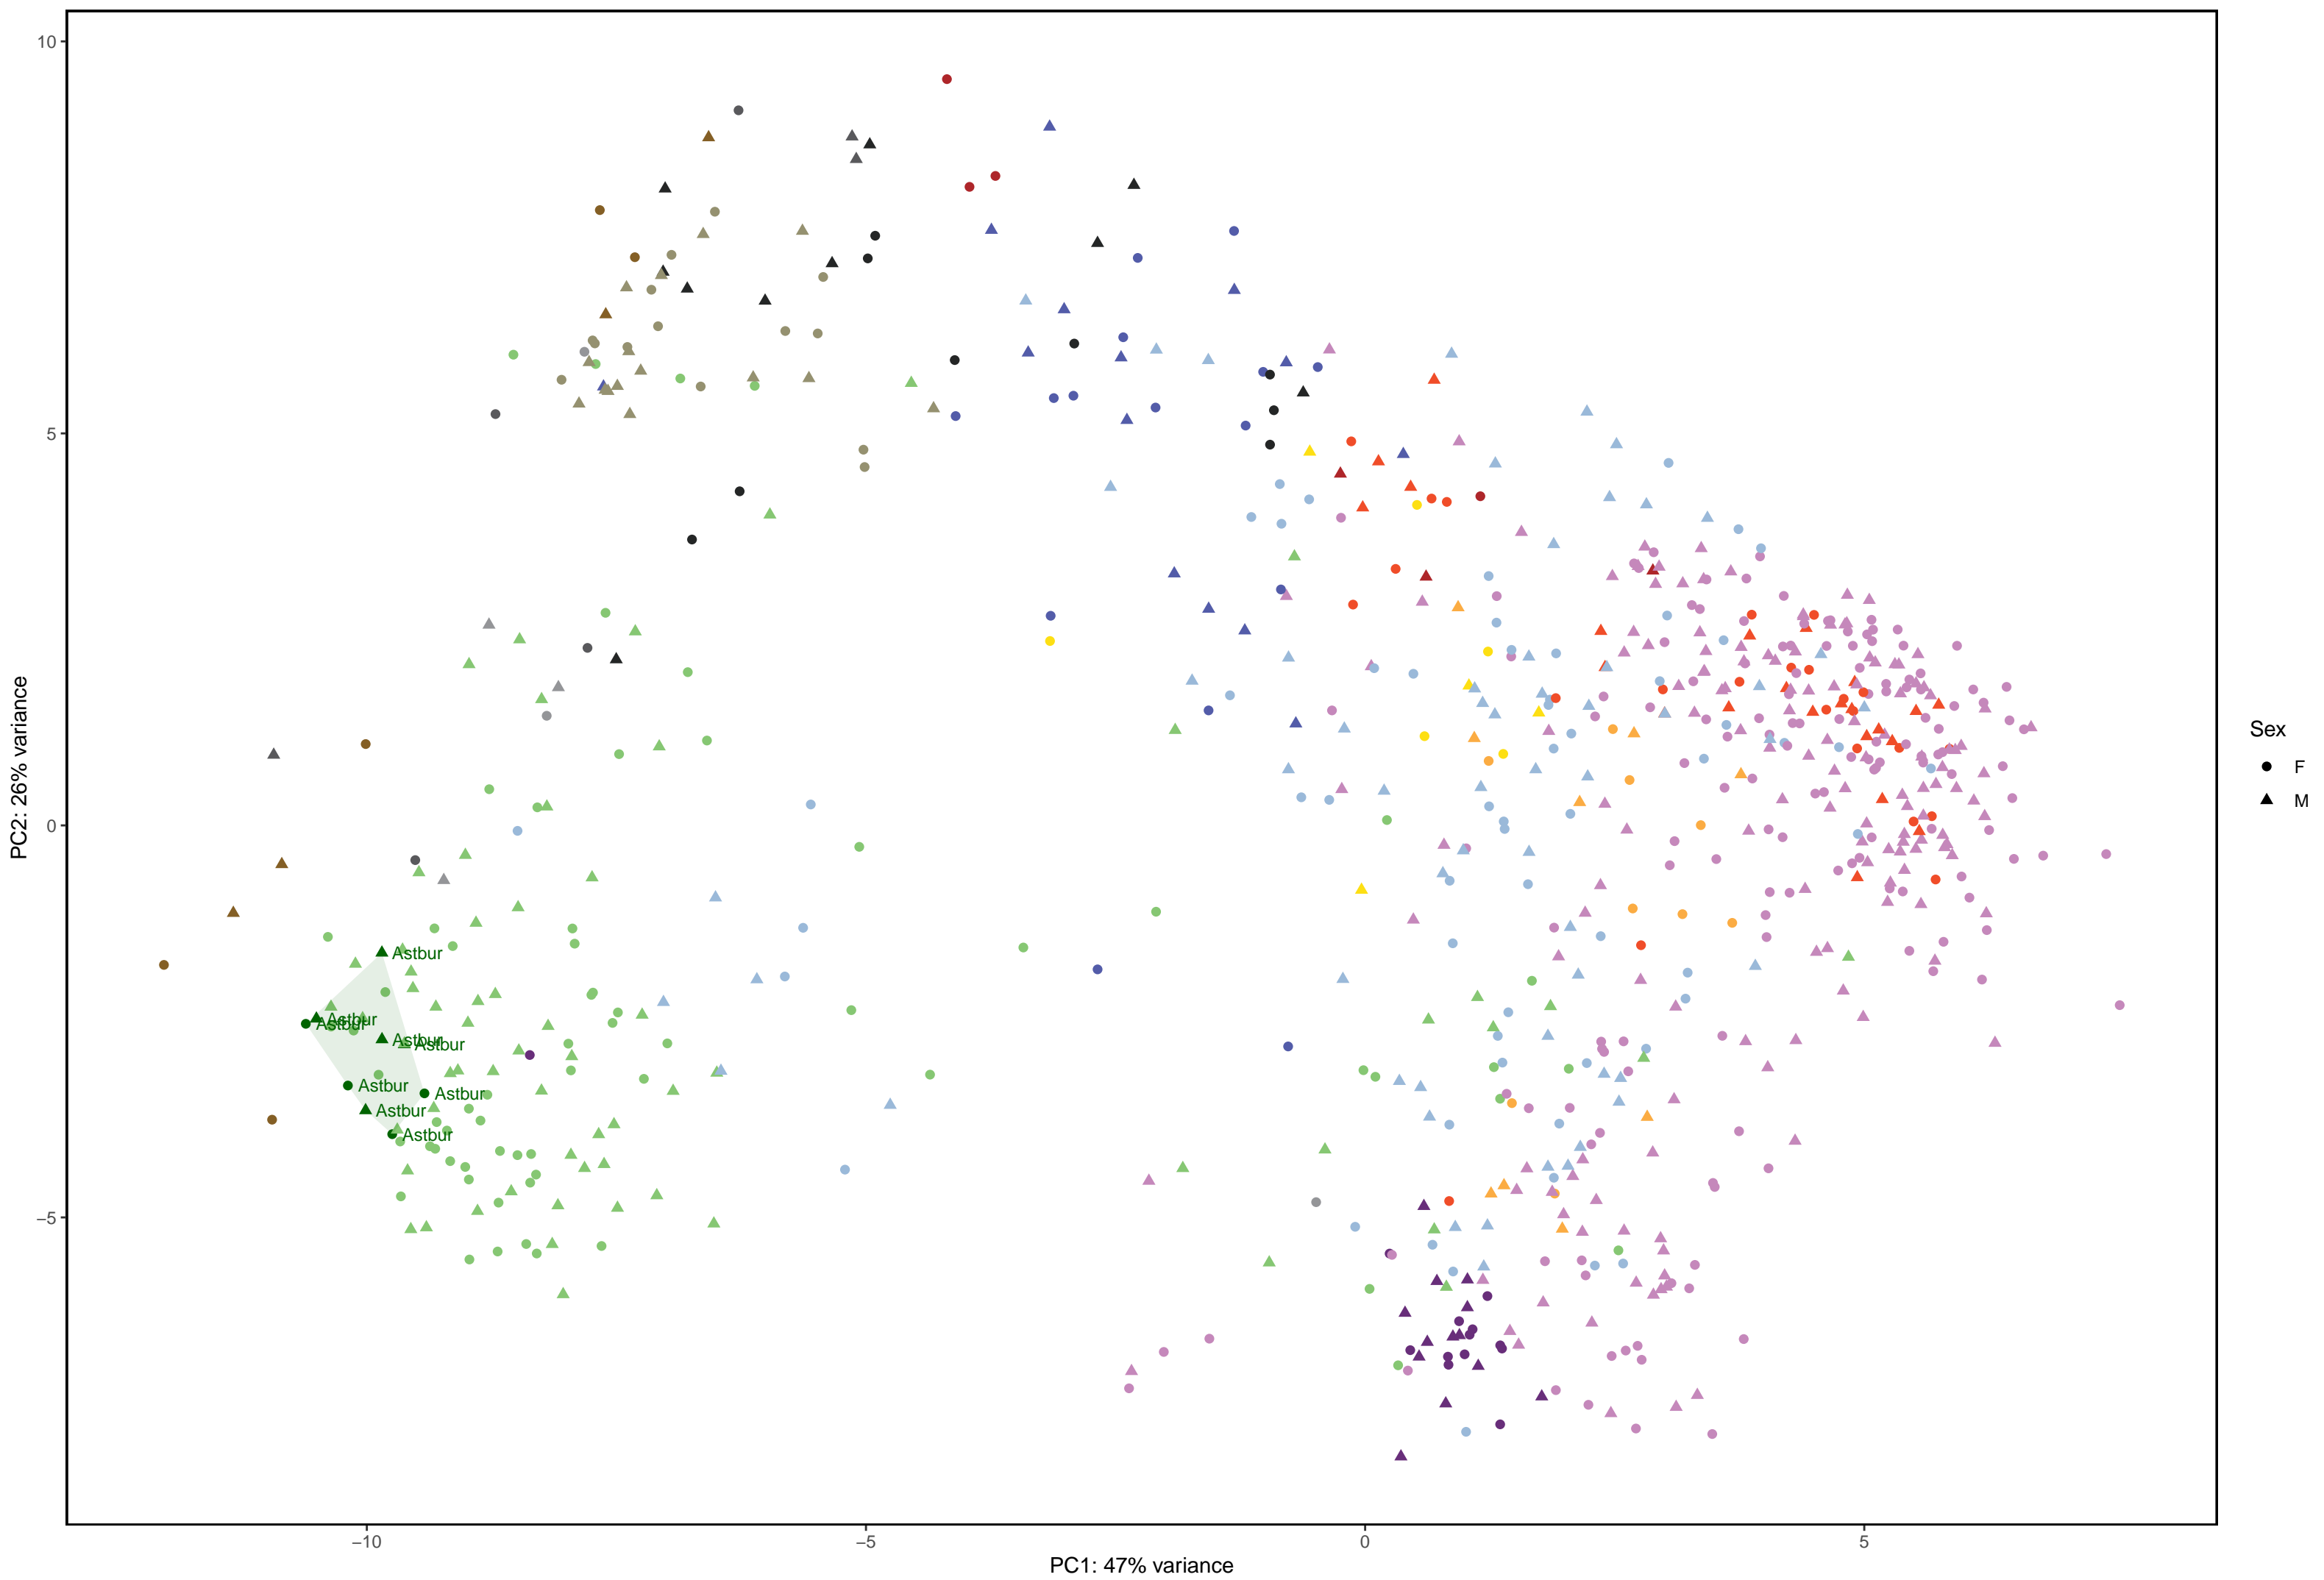

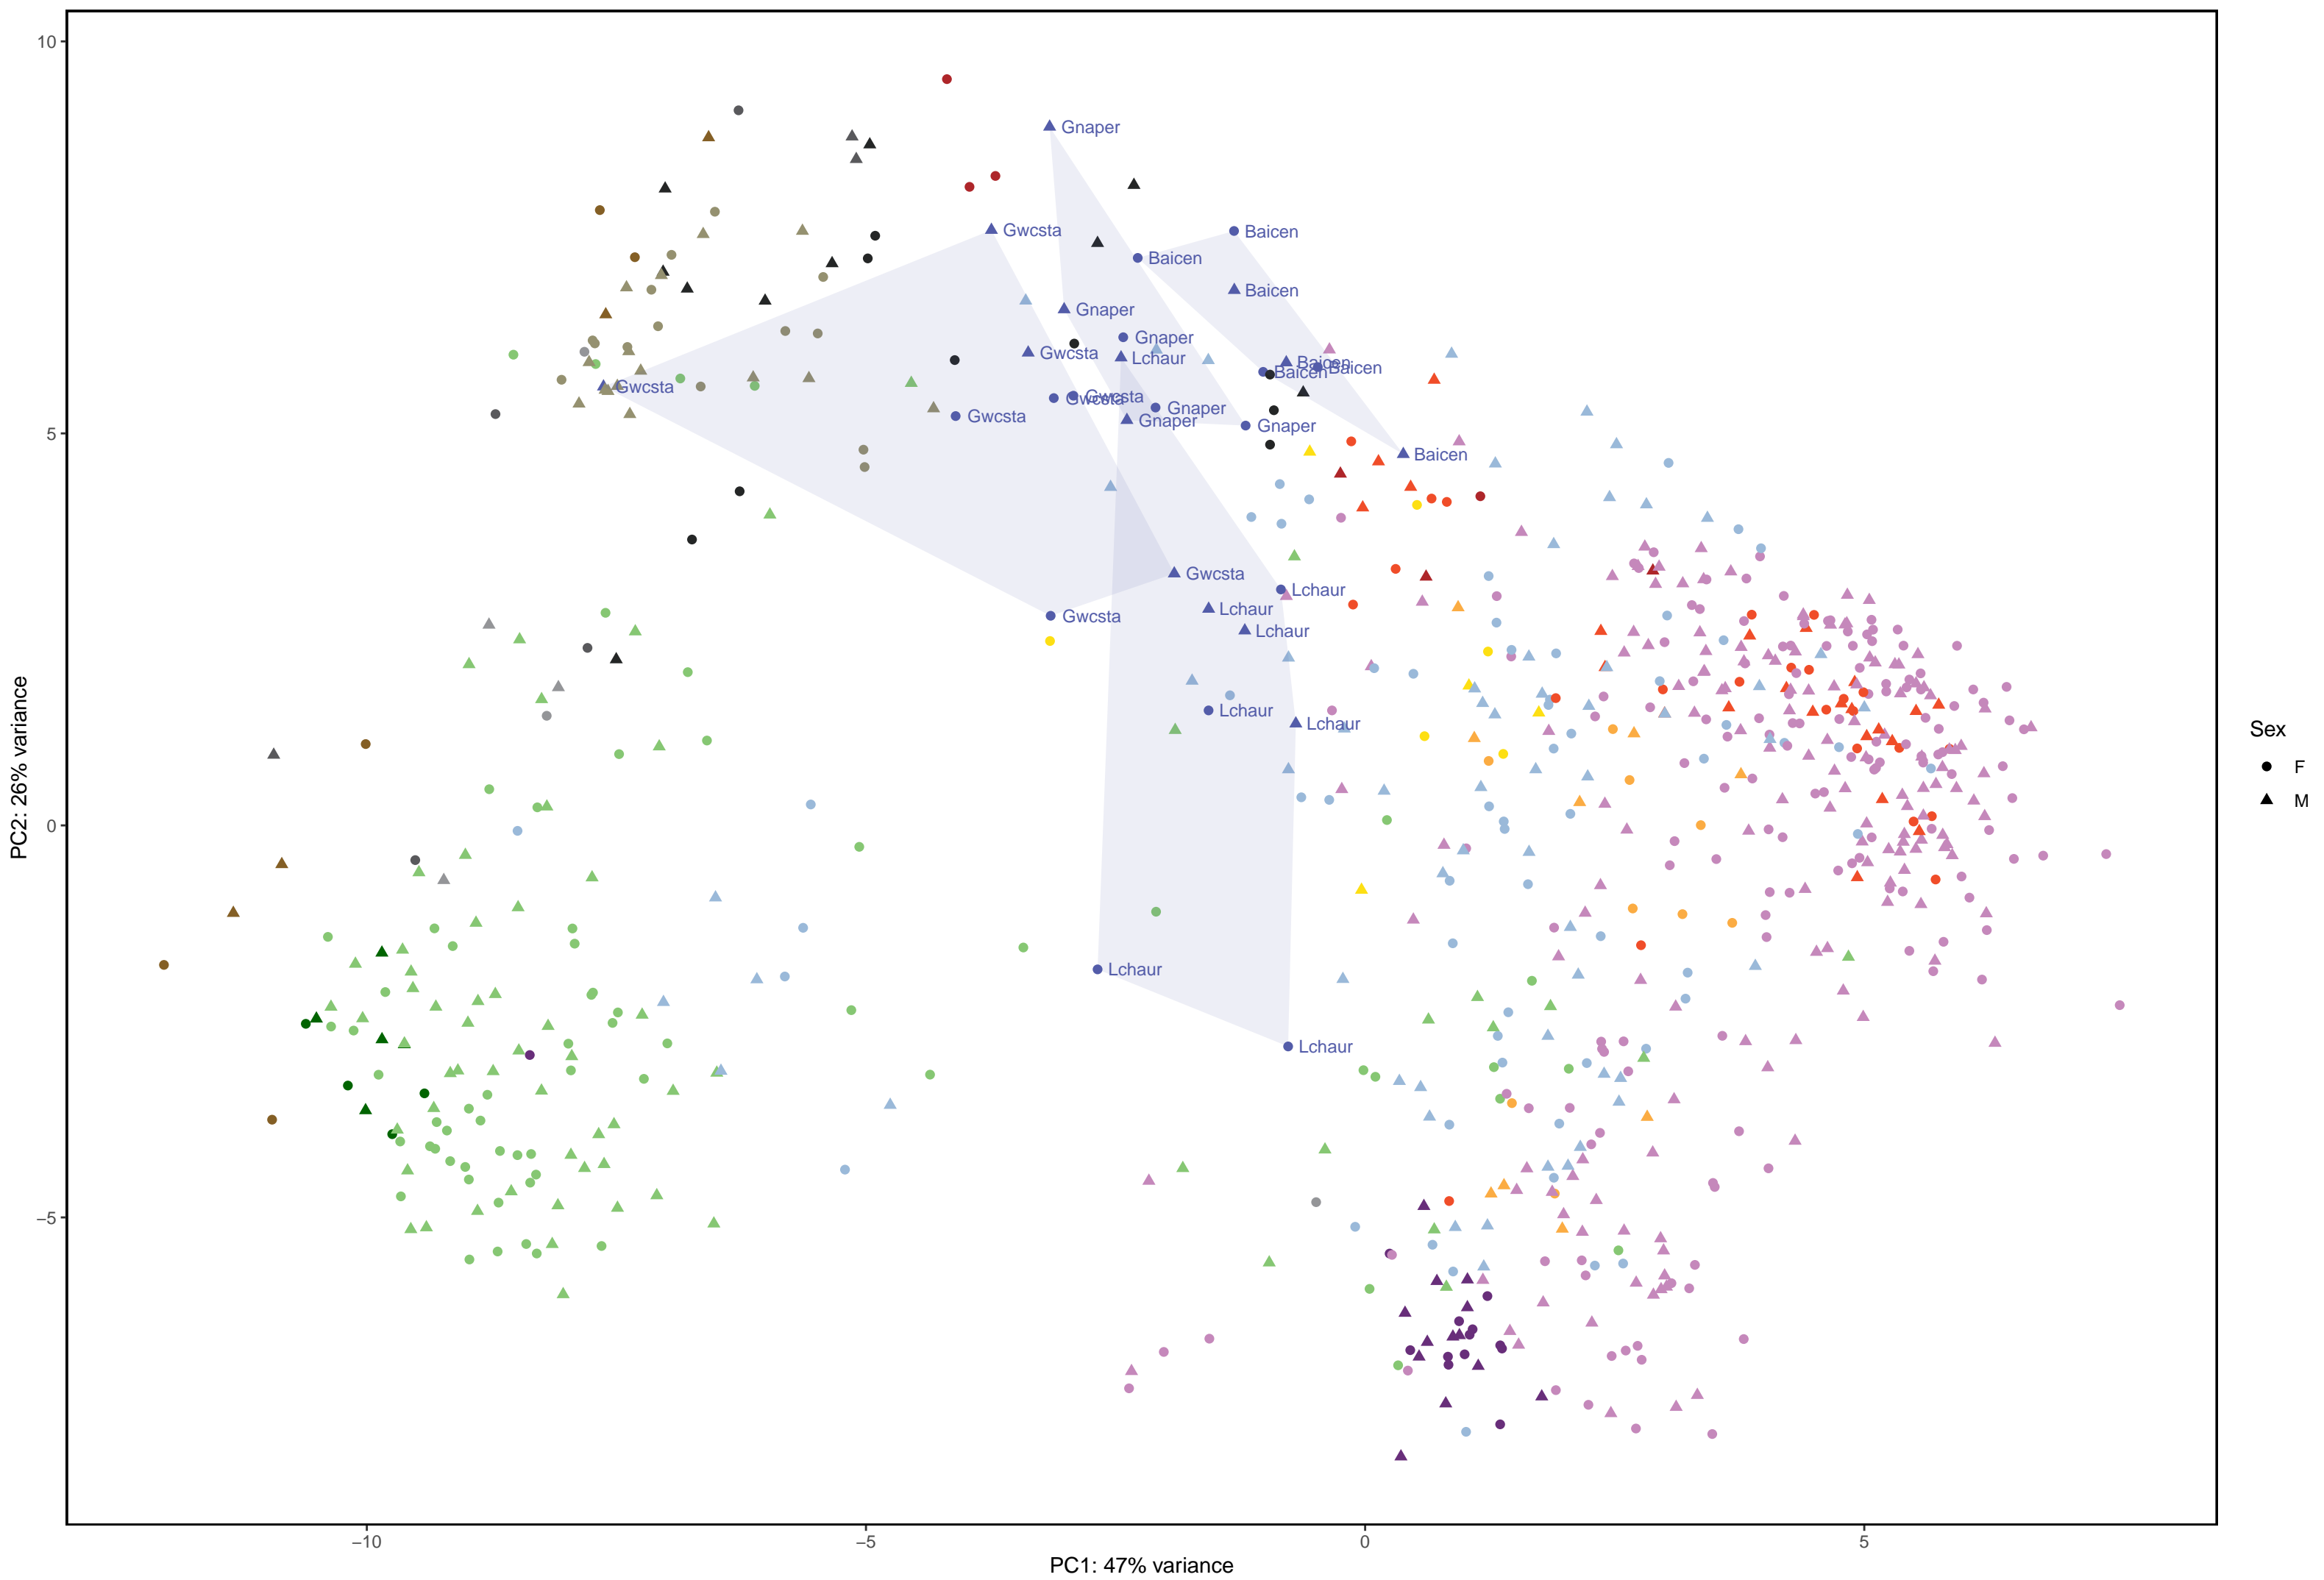

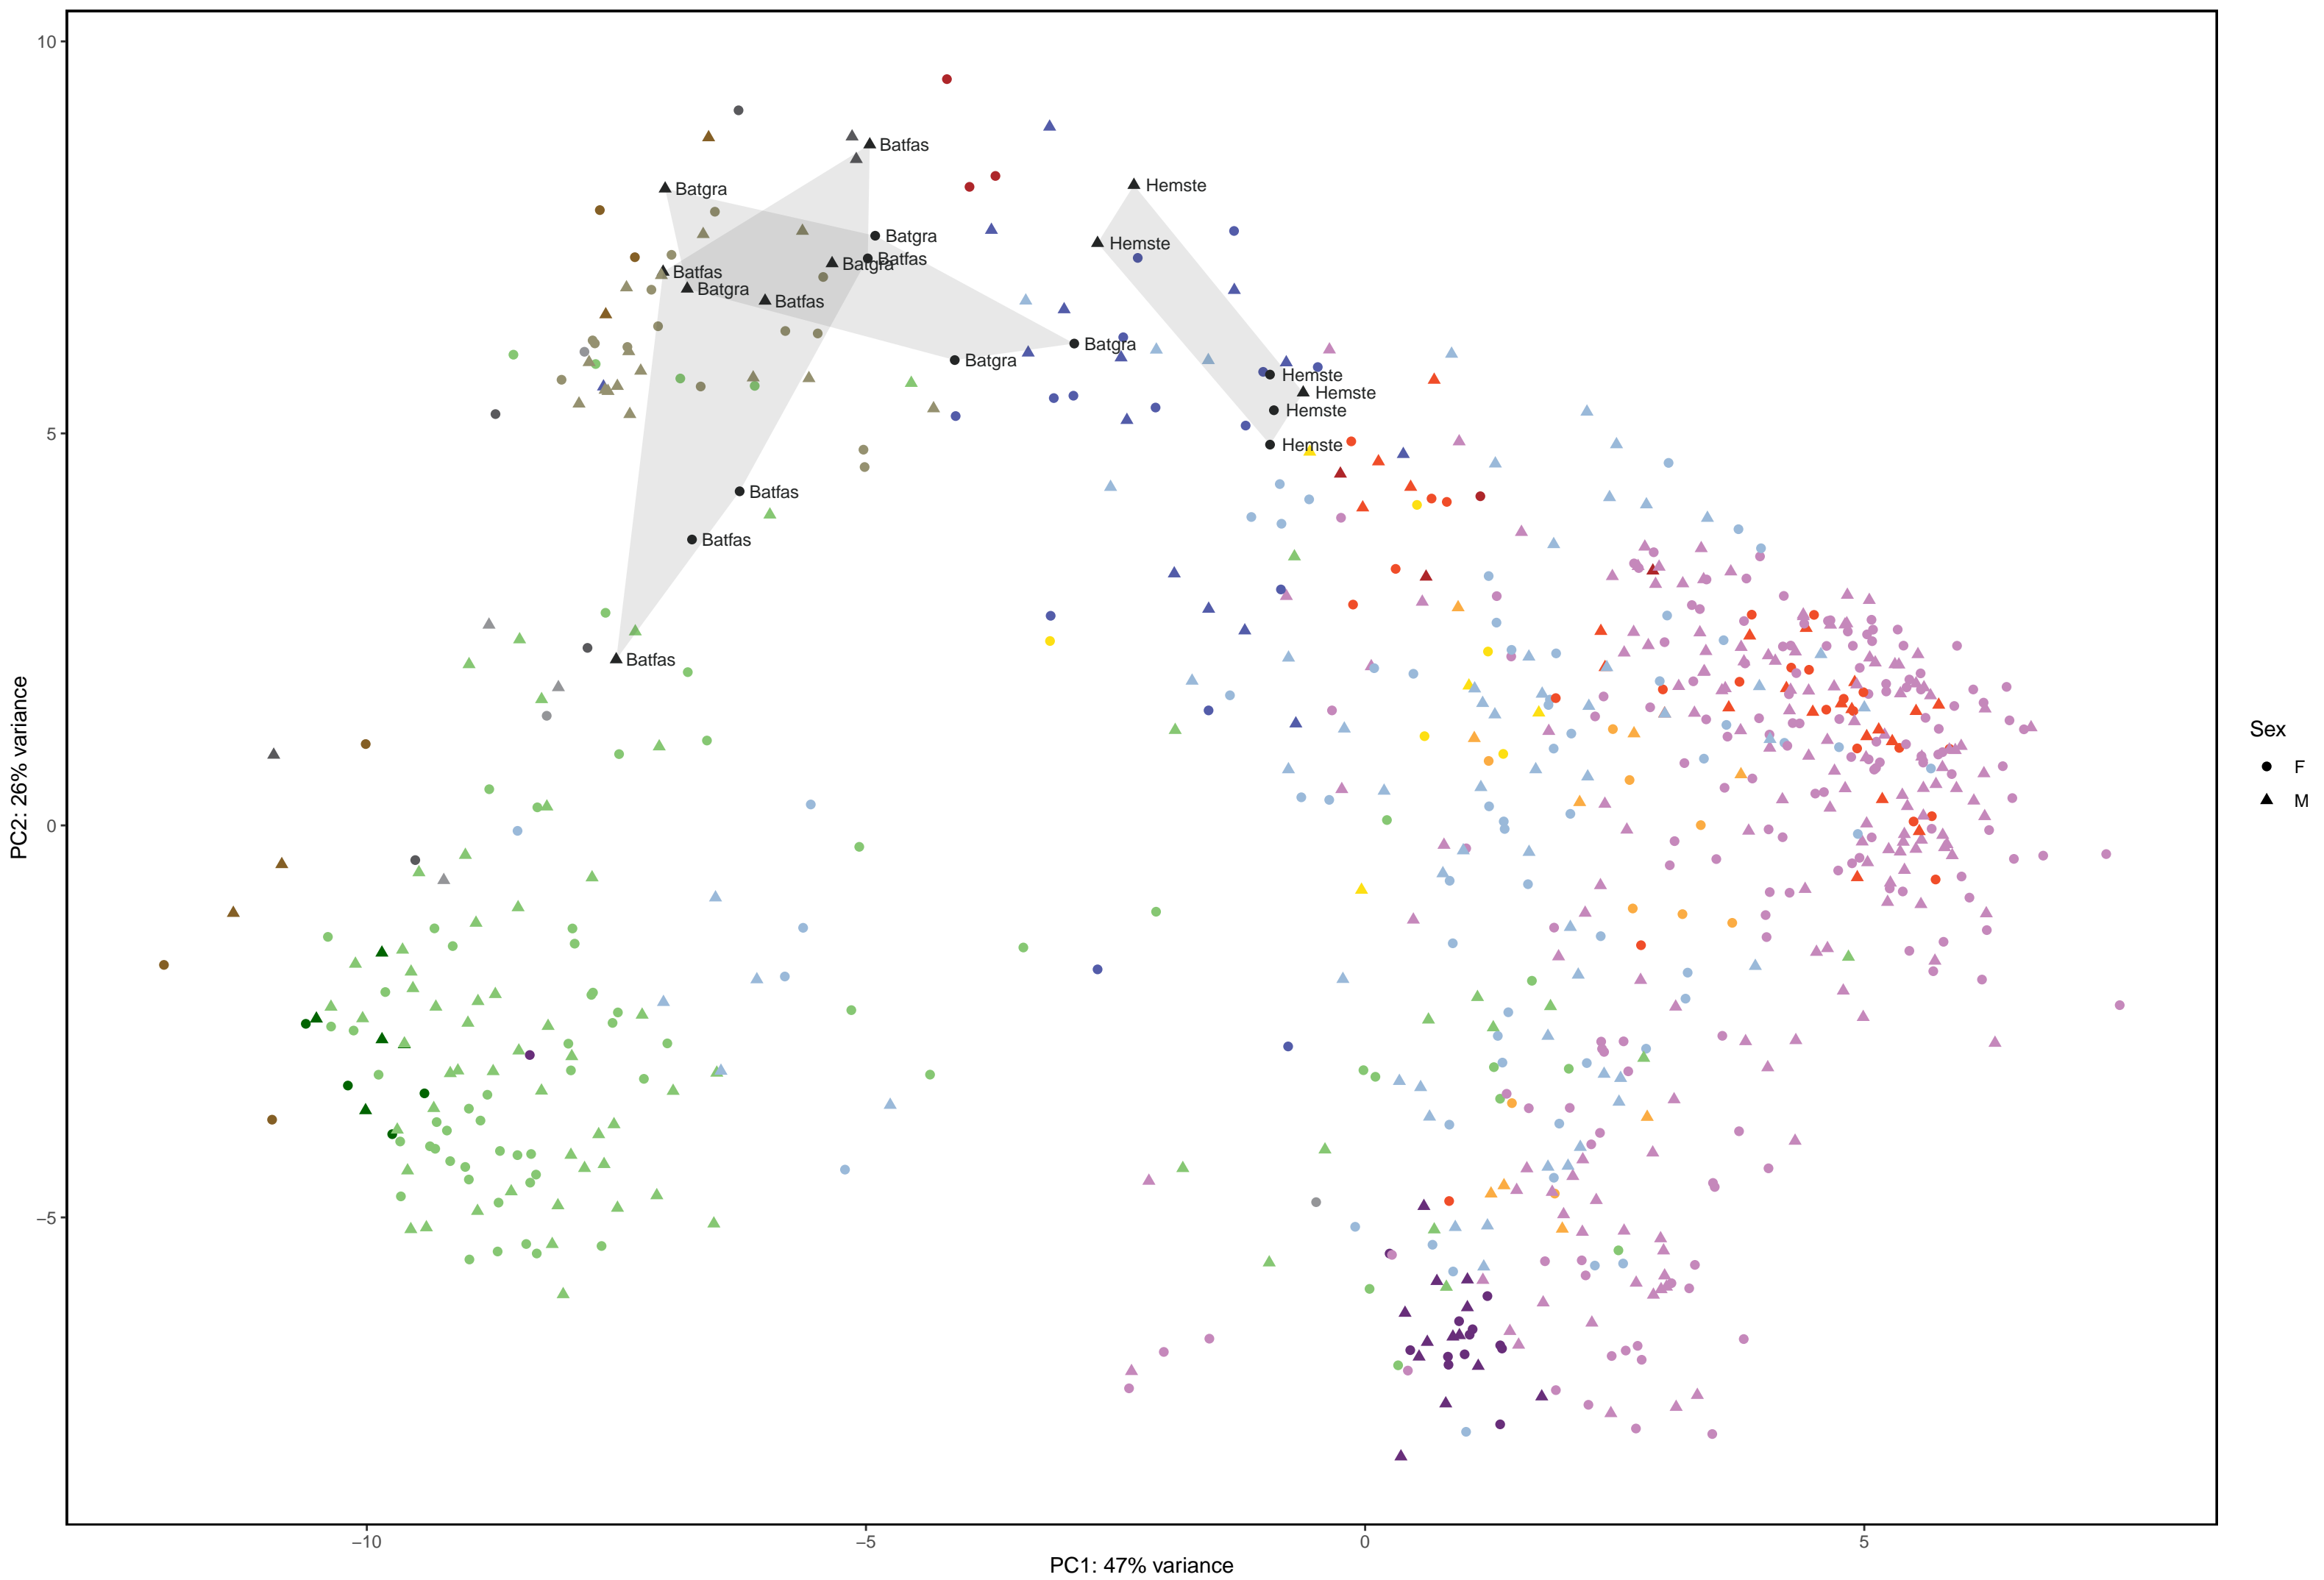

29002 protein-coding RNAs and lncRNAs  
1 Haplochromini species (all species)

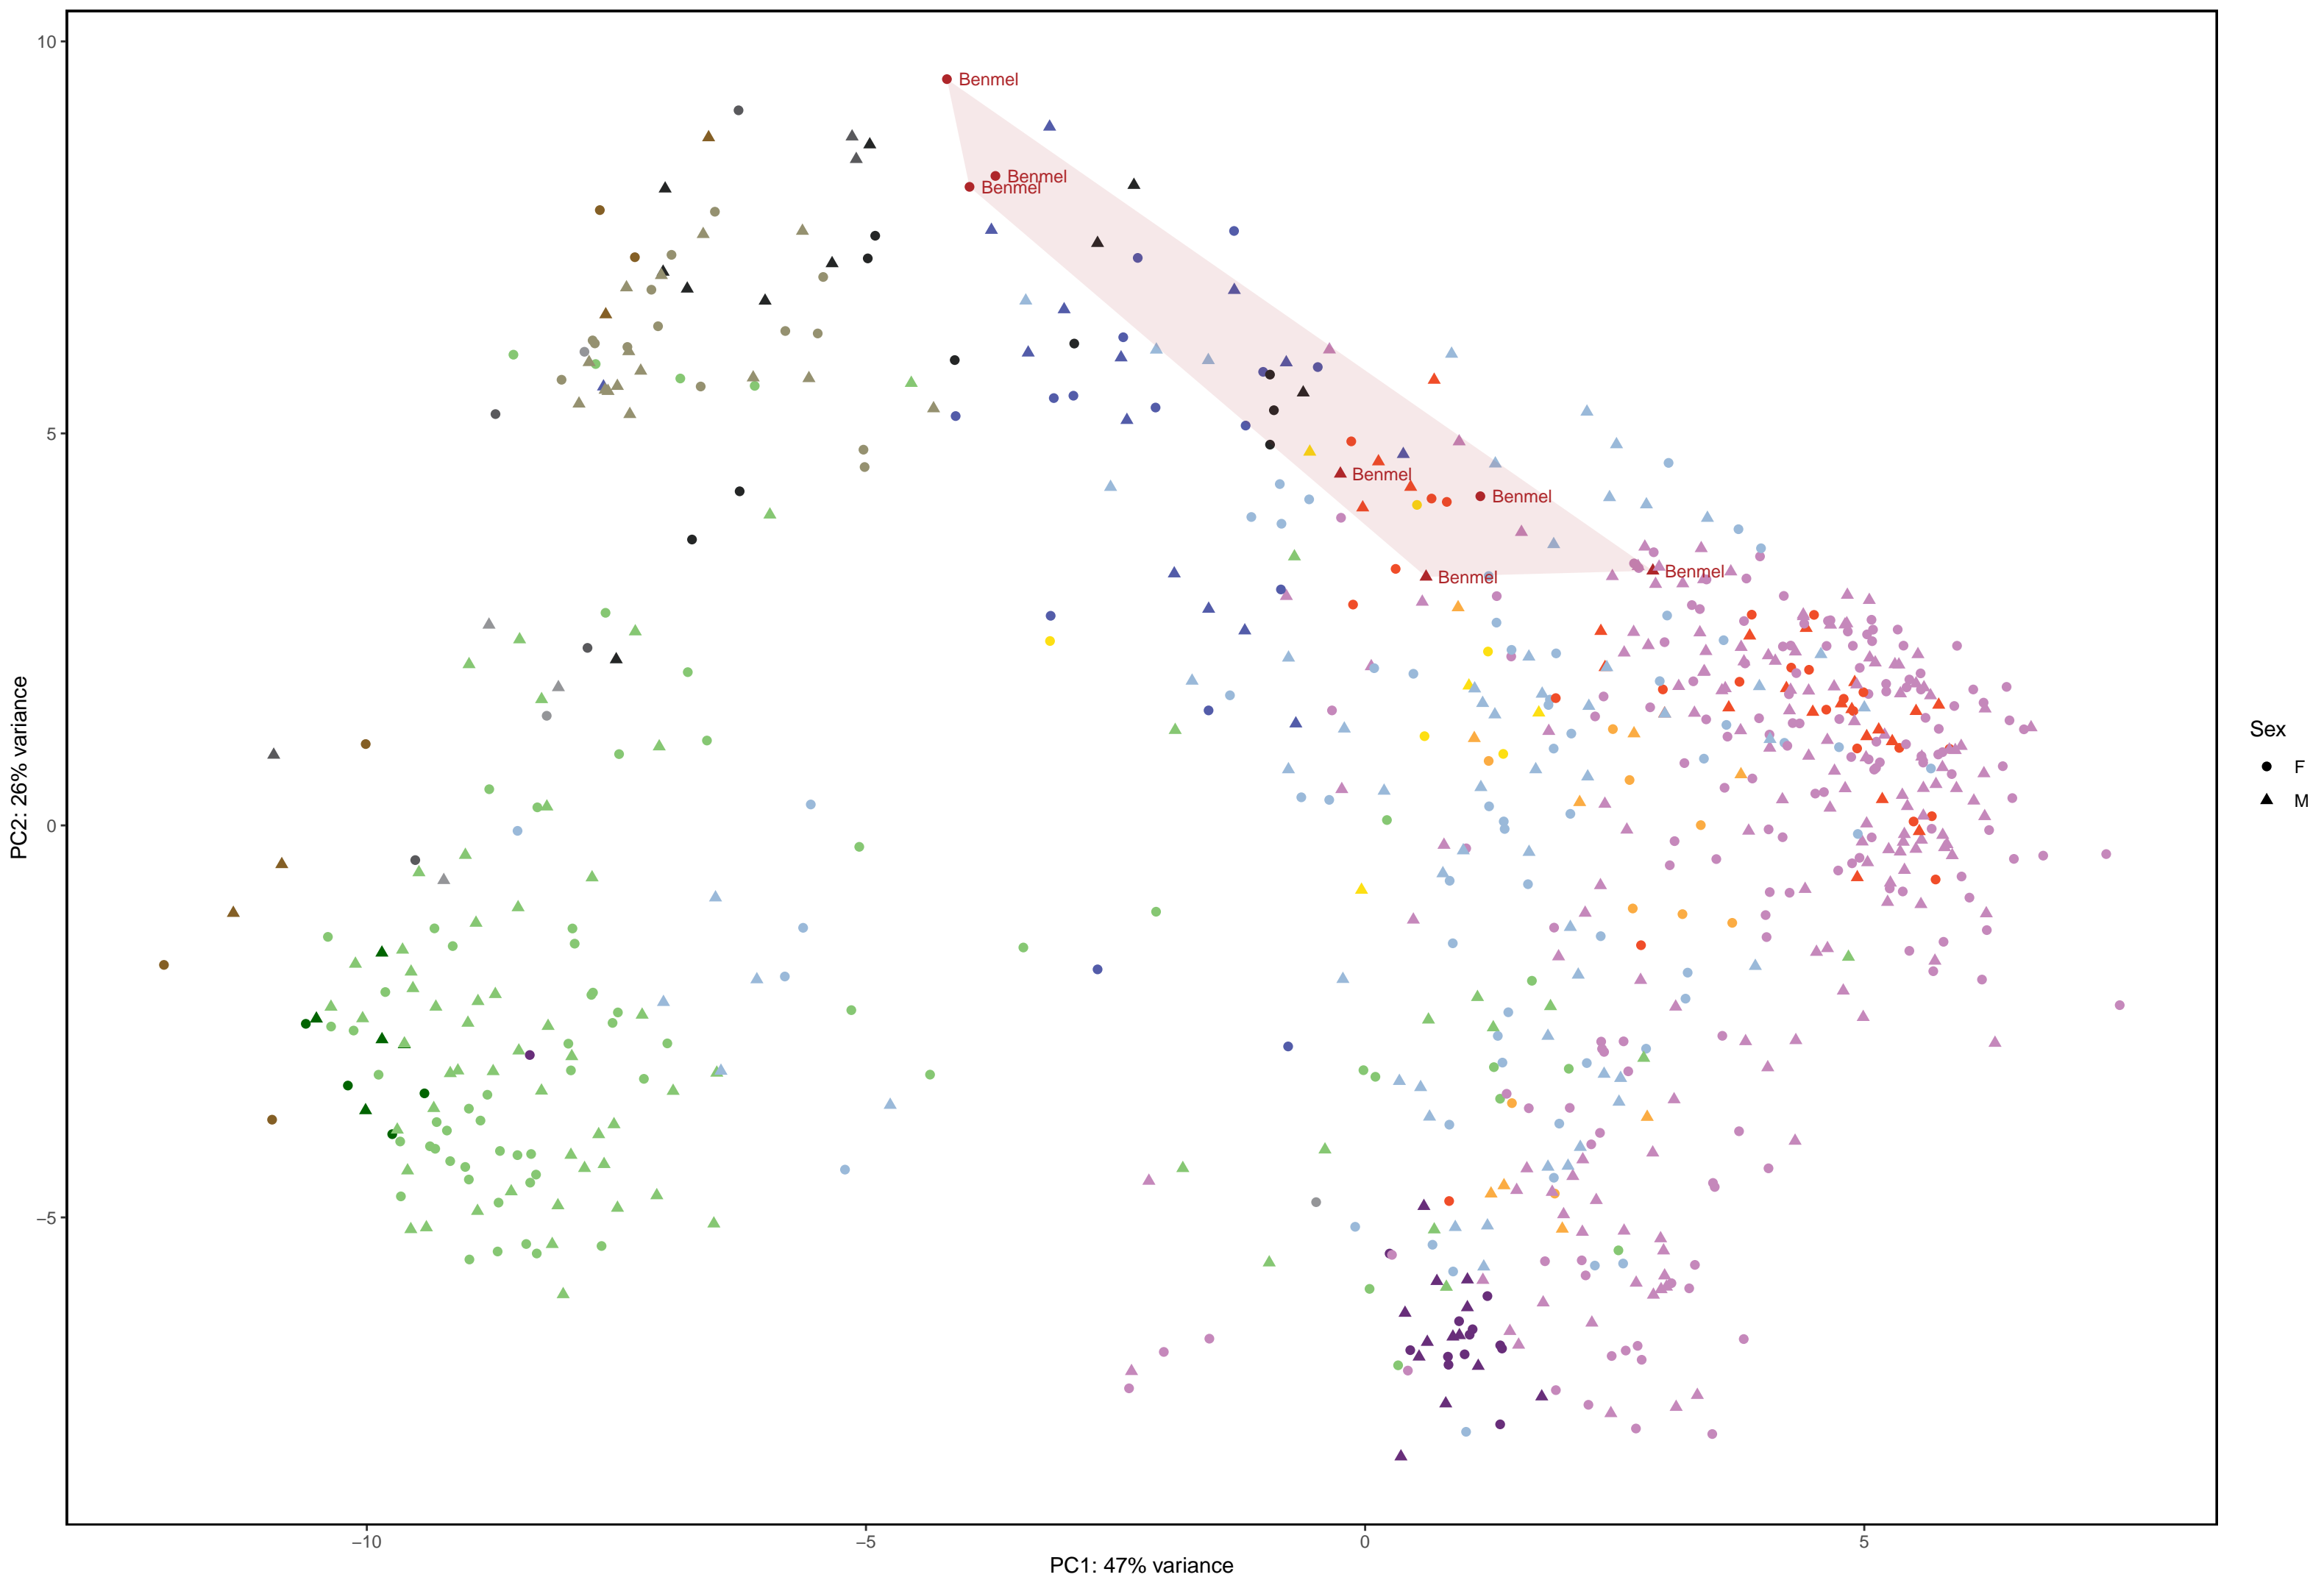

29002 protein-coding RNAs and lncRNAs  
4 Limnorchromini species (all species)

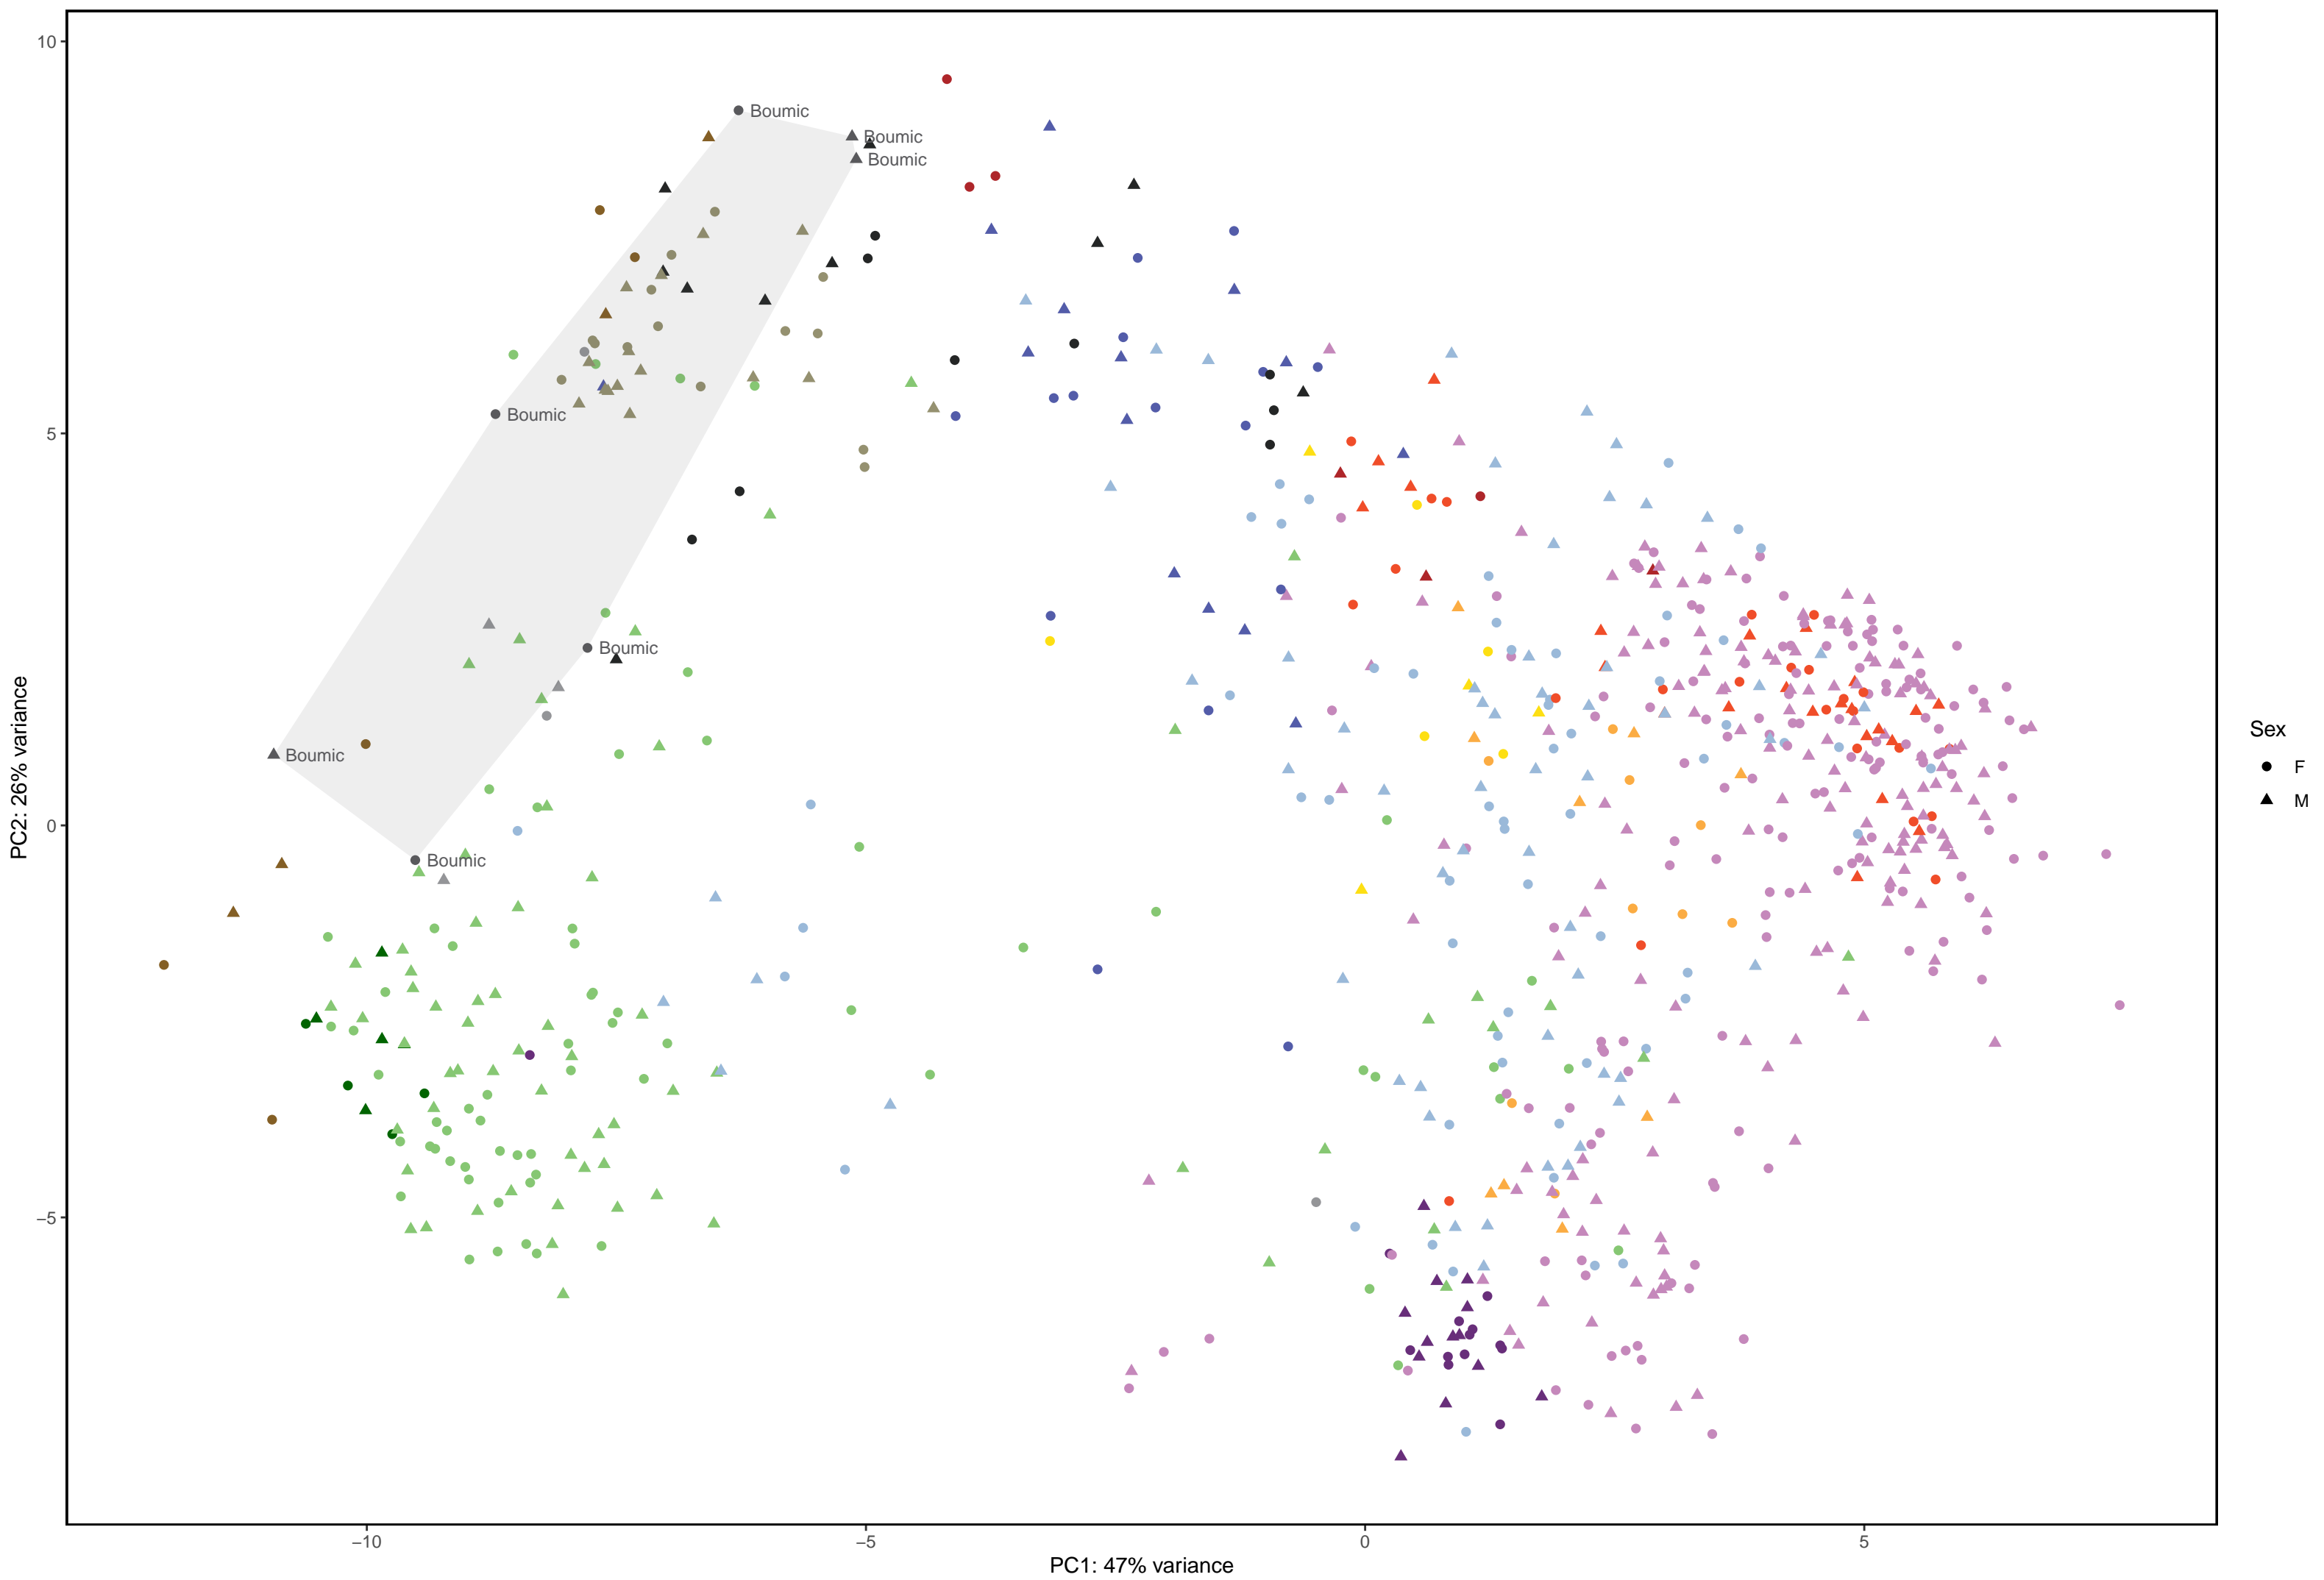

29002 protein-coding RNAs and lncRNAs  
3 Bathybatini species (all species)

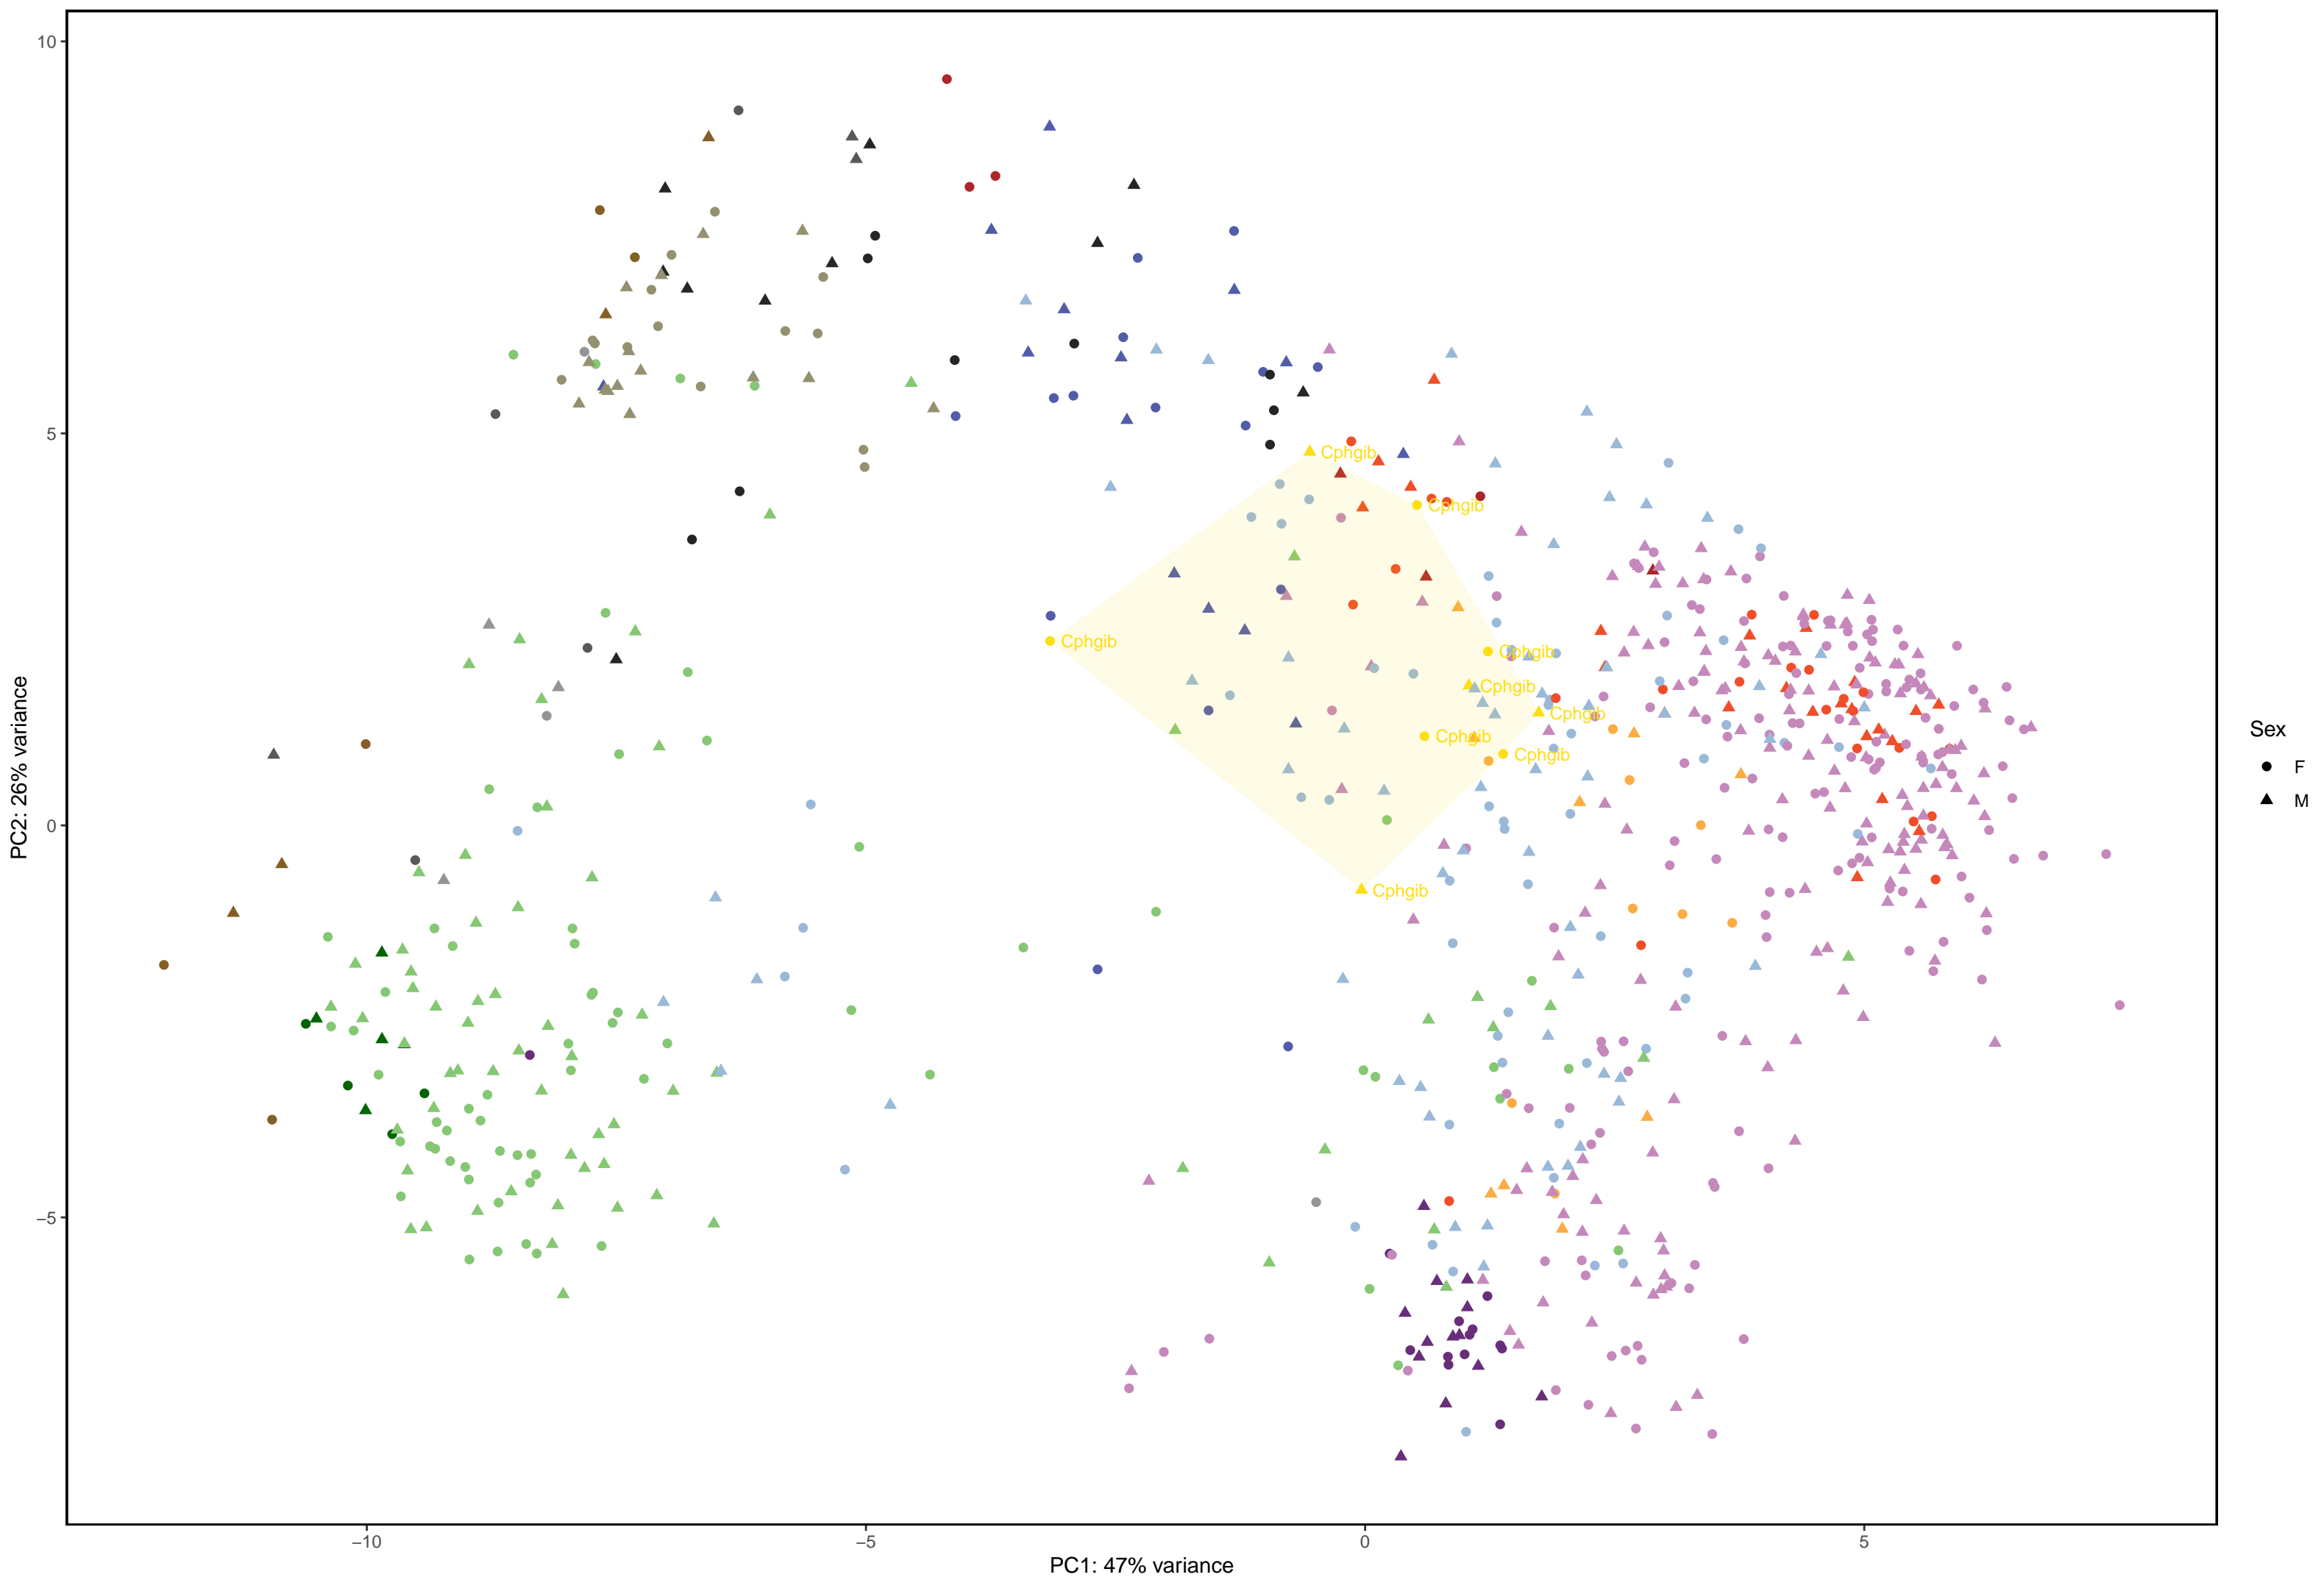

29002 protein-coding RNAs and lncRNAs  
1 Benthochromini species (all species)

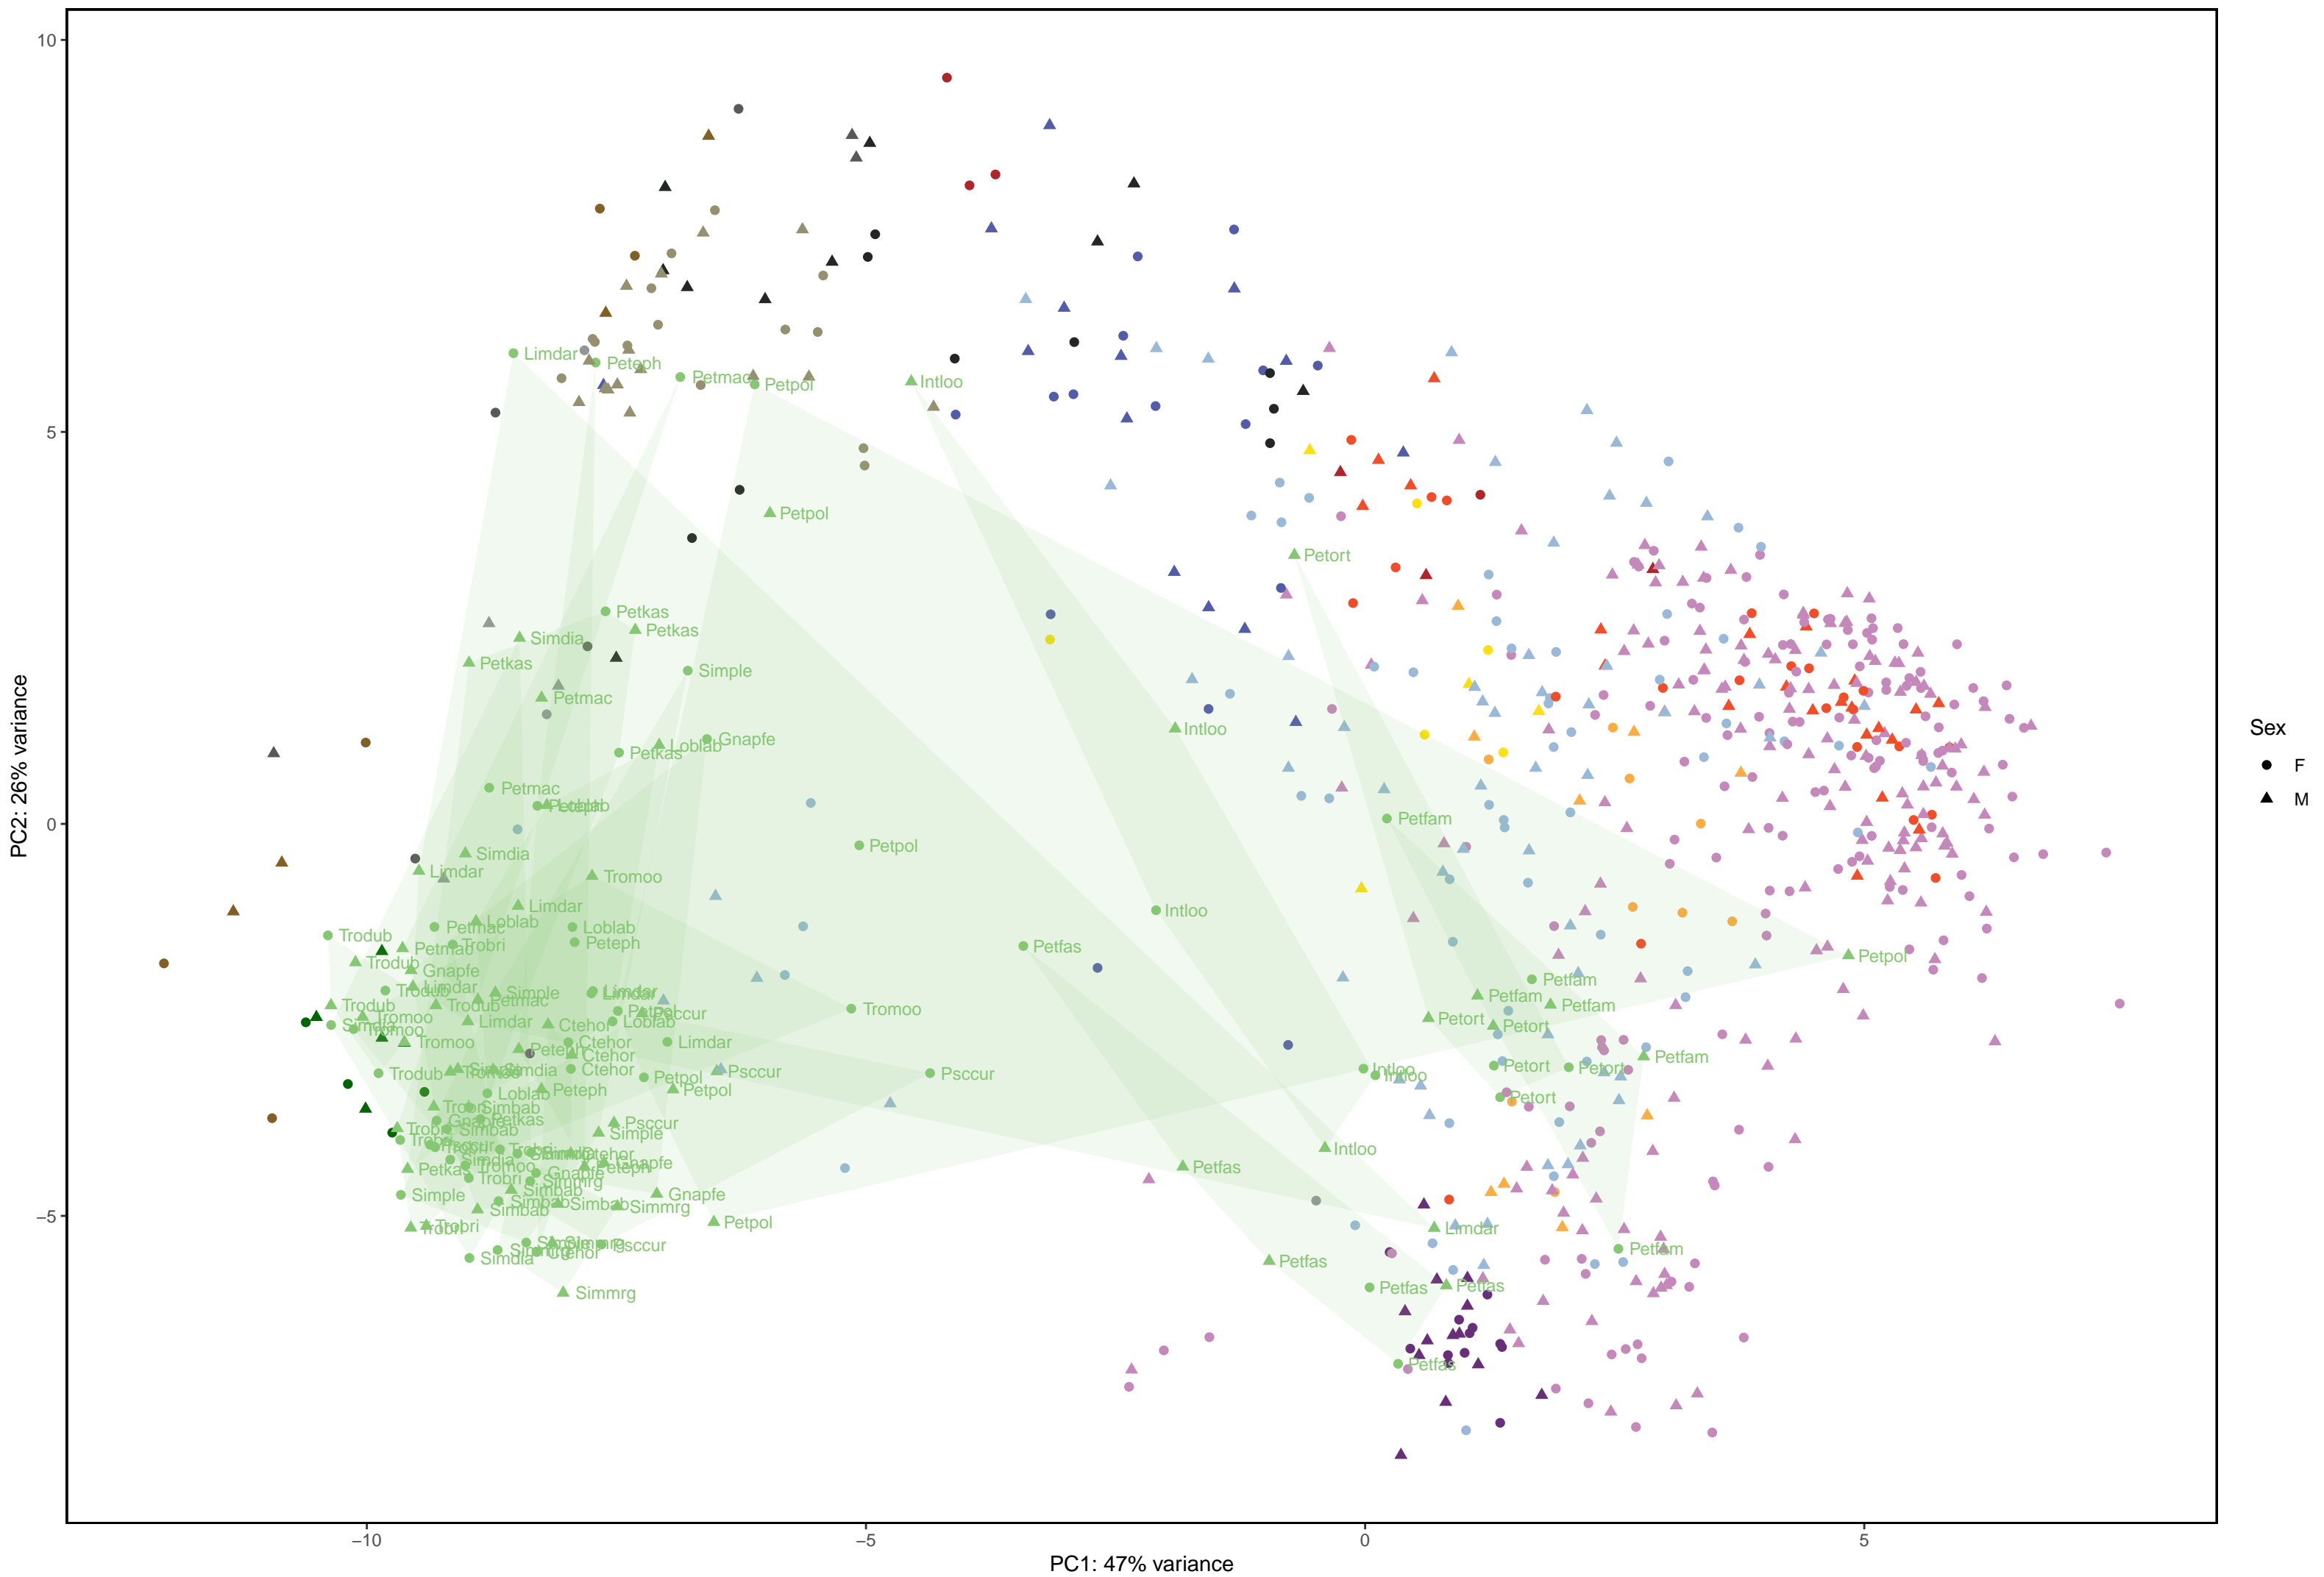

29002 protein-coding RNAs and lncRNAs  
1 Boulengerochromini species (all species)

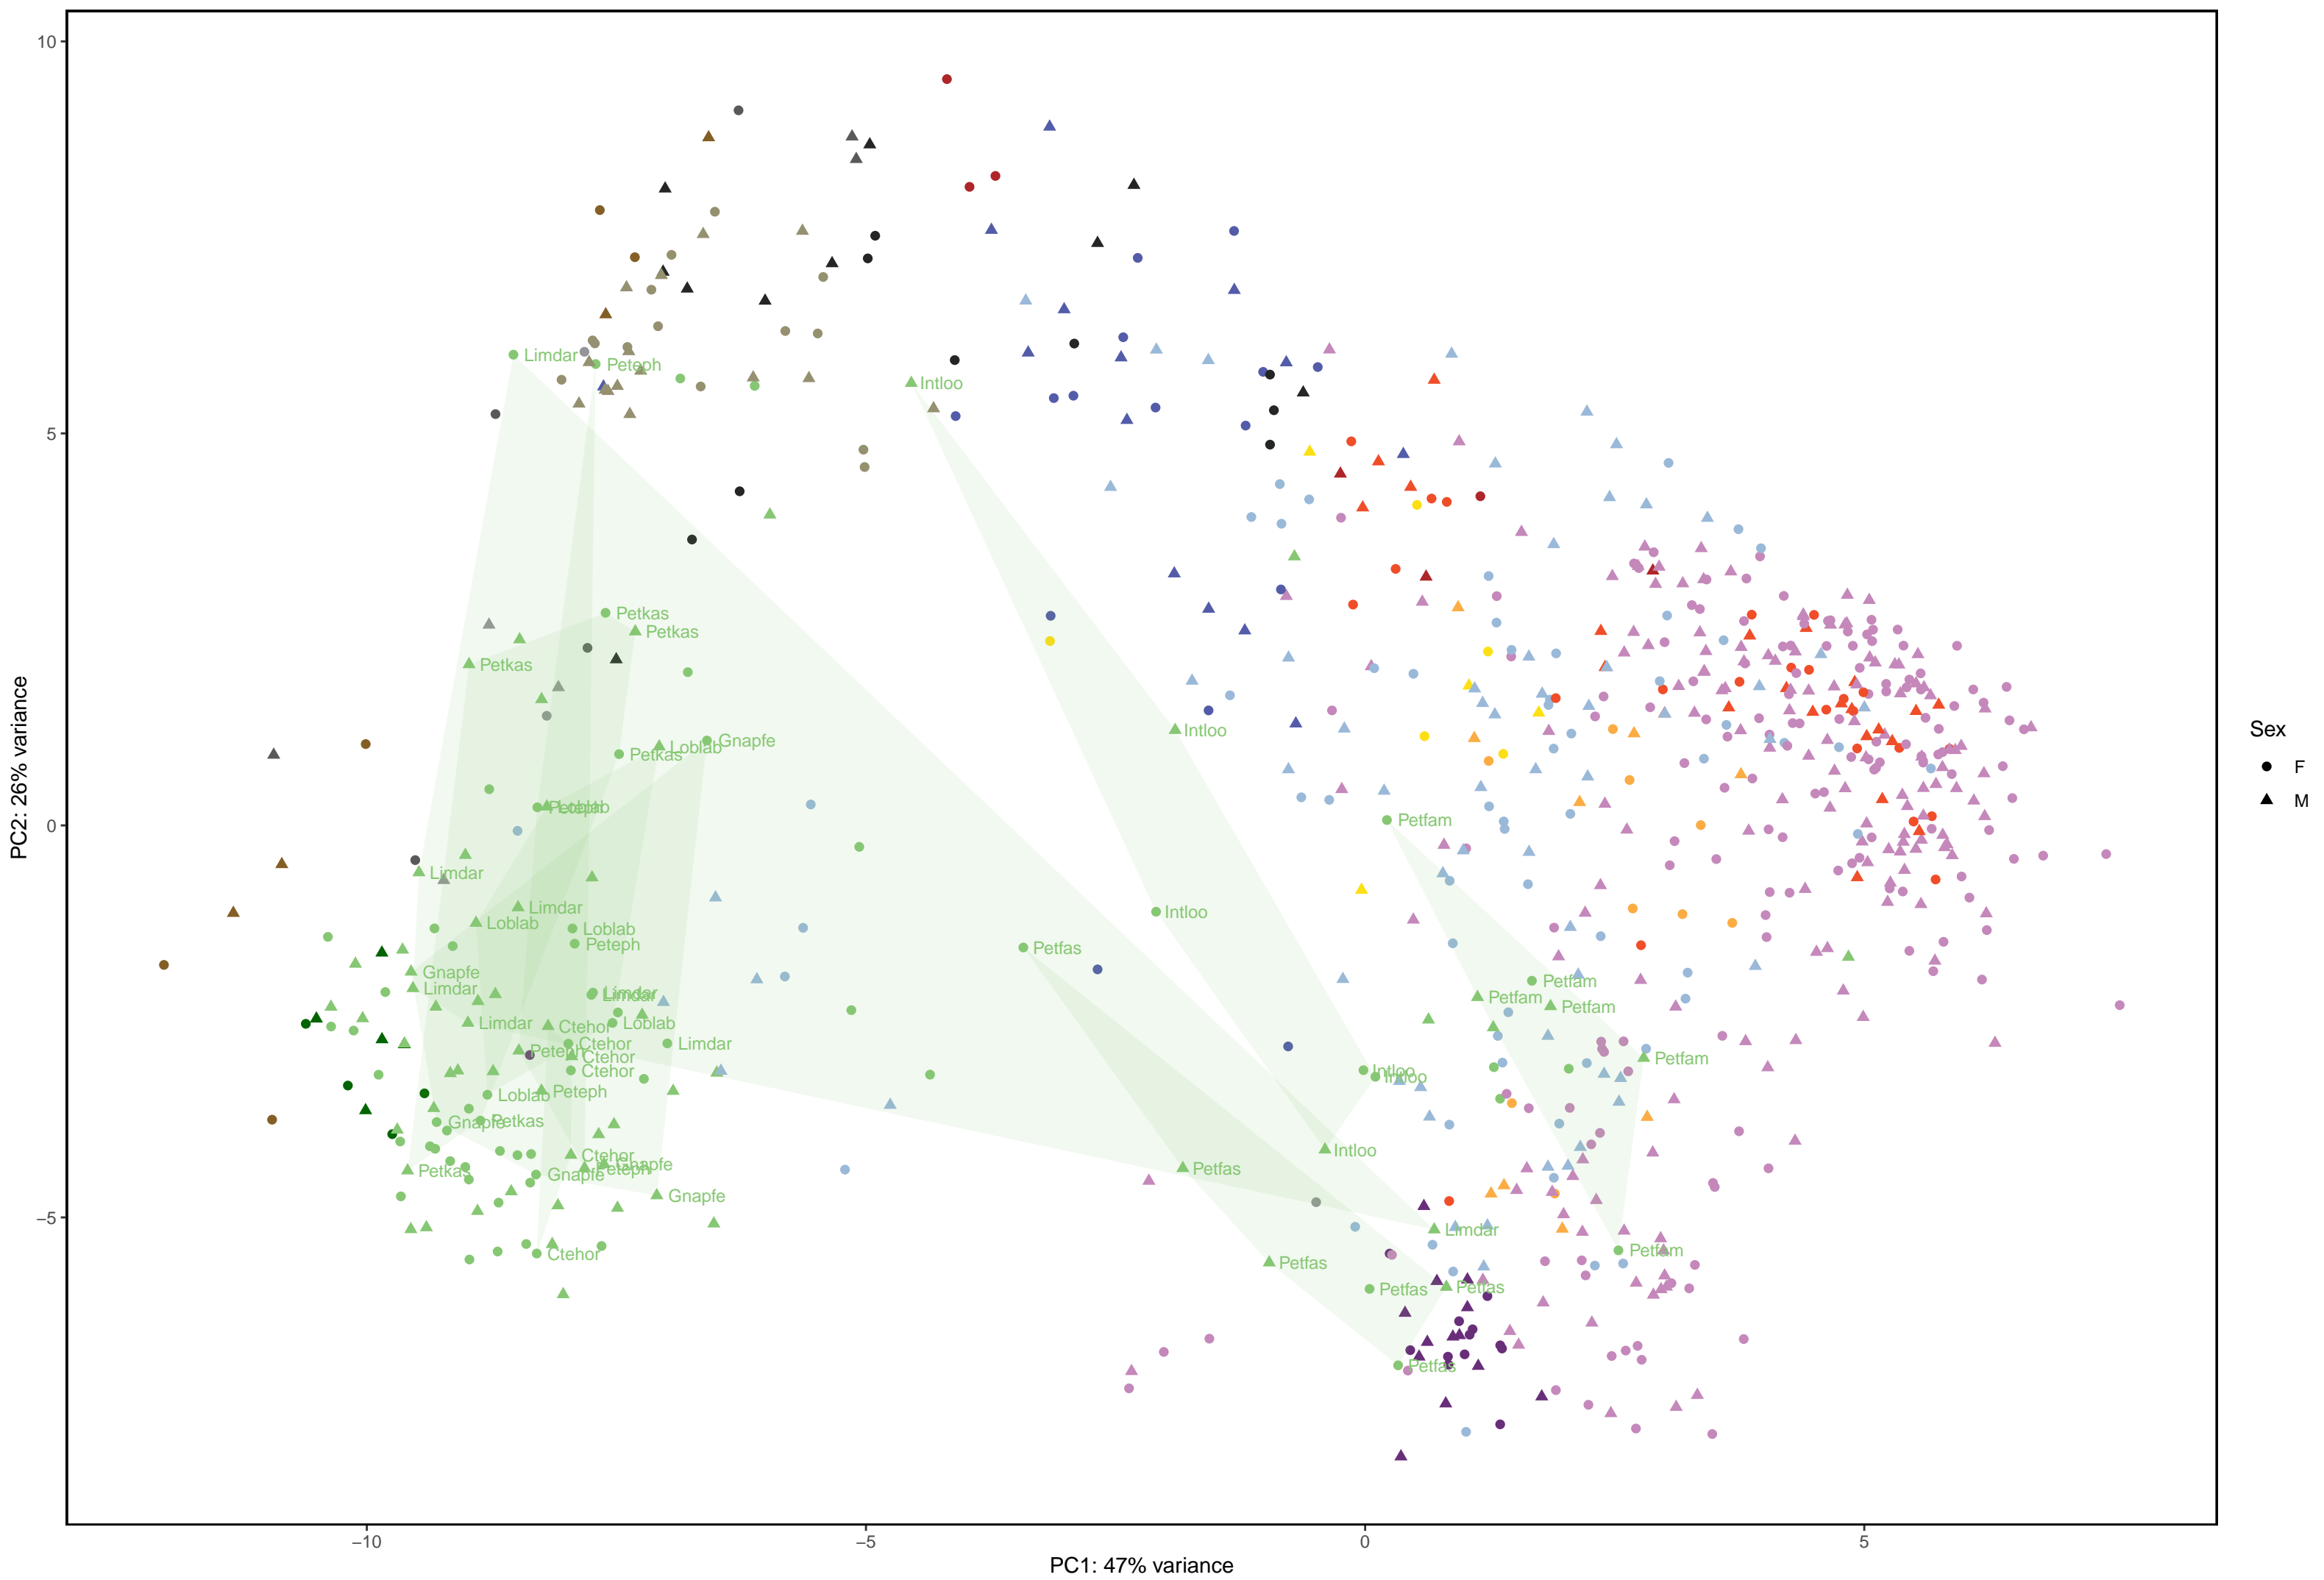

29002 protein-coding RNAs and lncRNAs  
1 Cyphotilapiini species (all species)

29002 protein-coding RNAs and lncRNAs  
20 Tropheini species (all species)

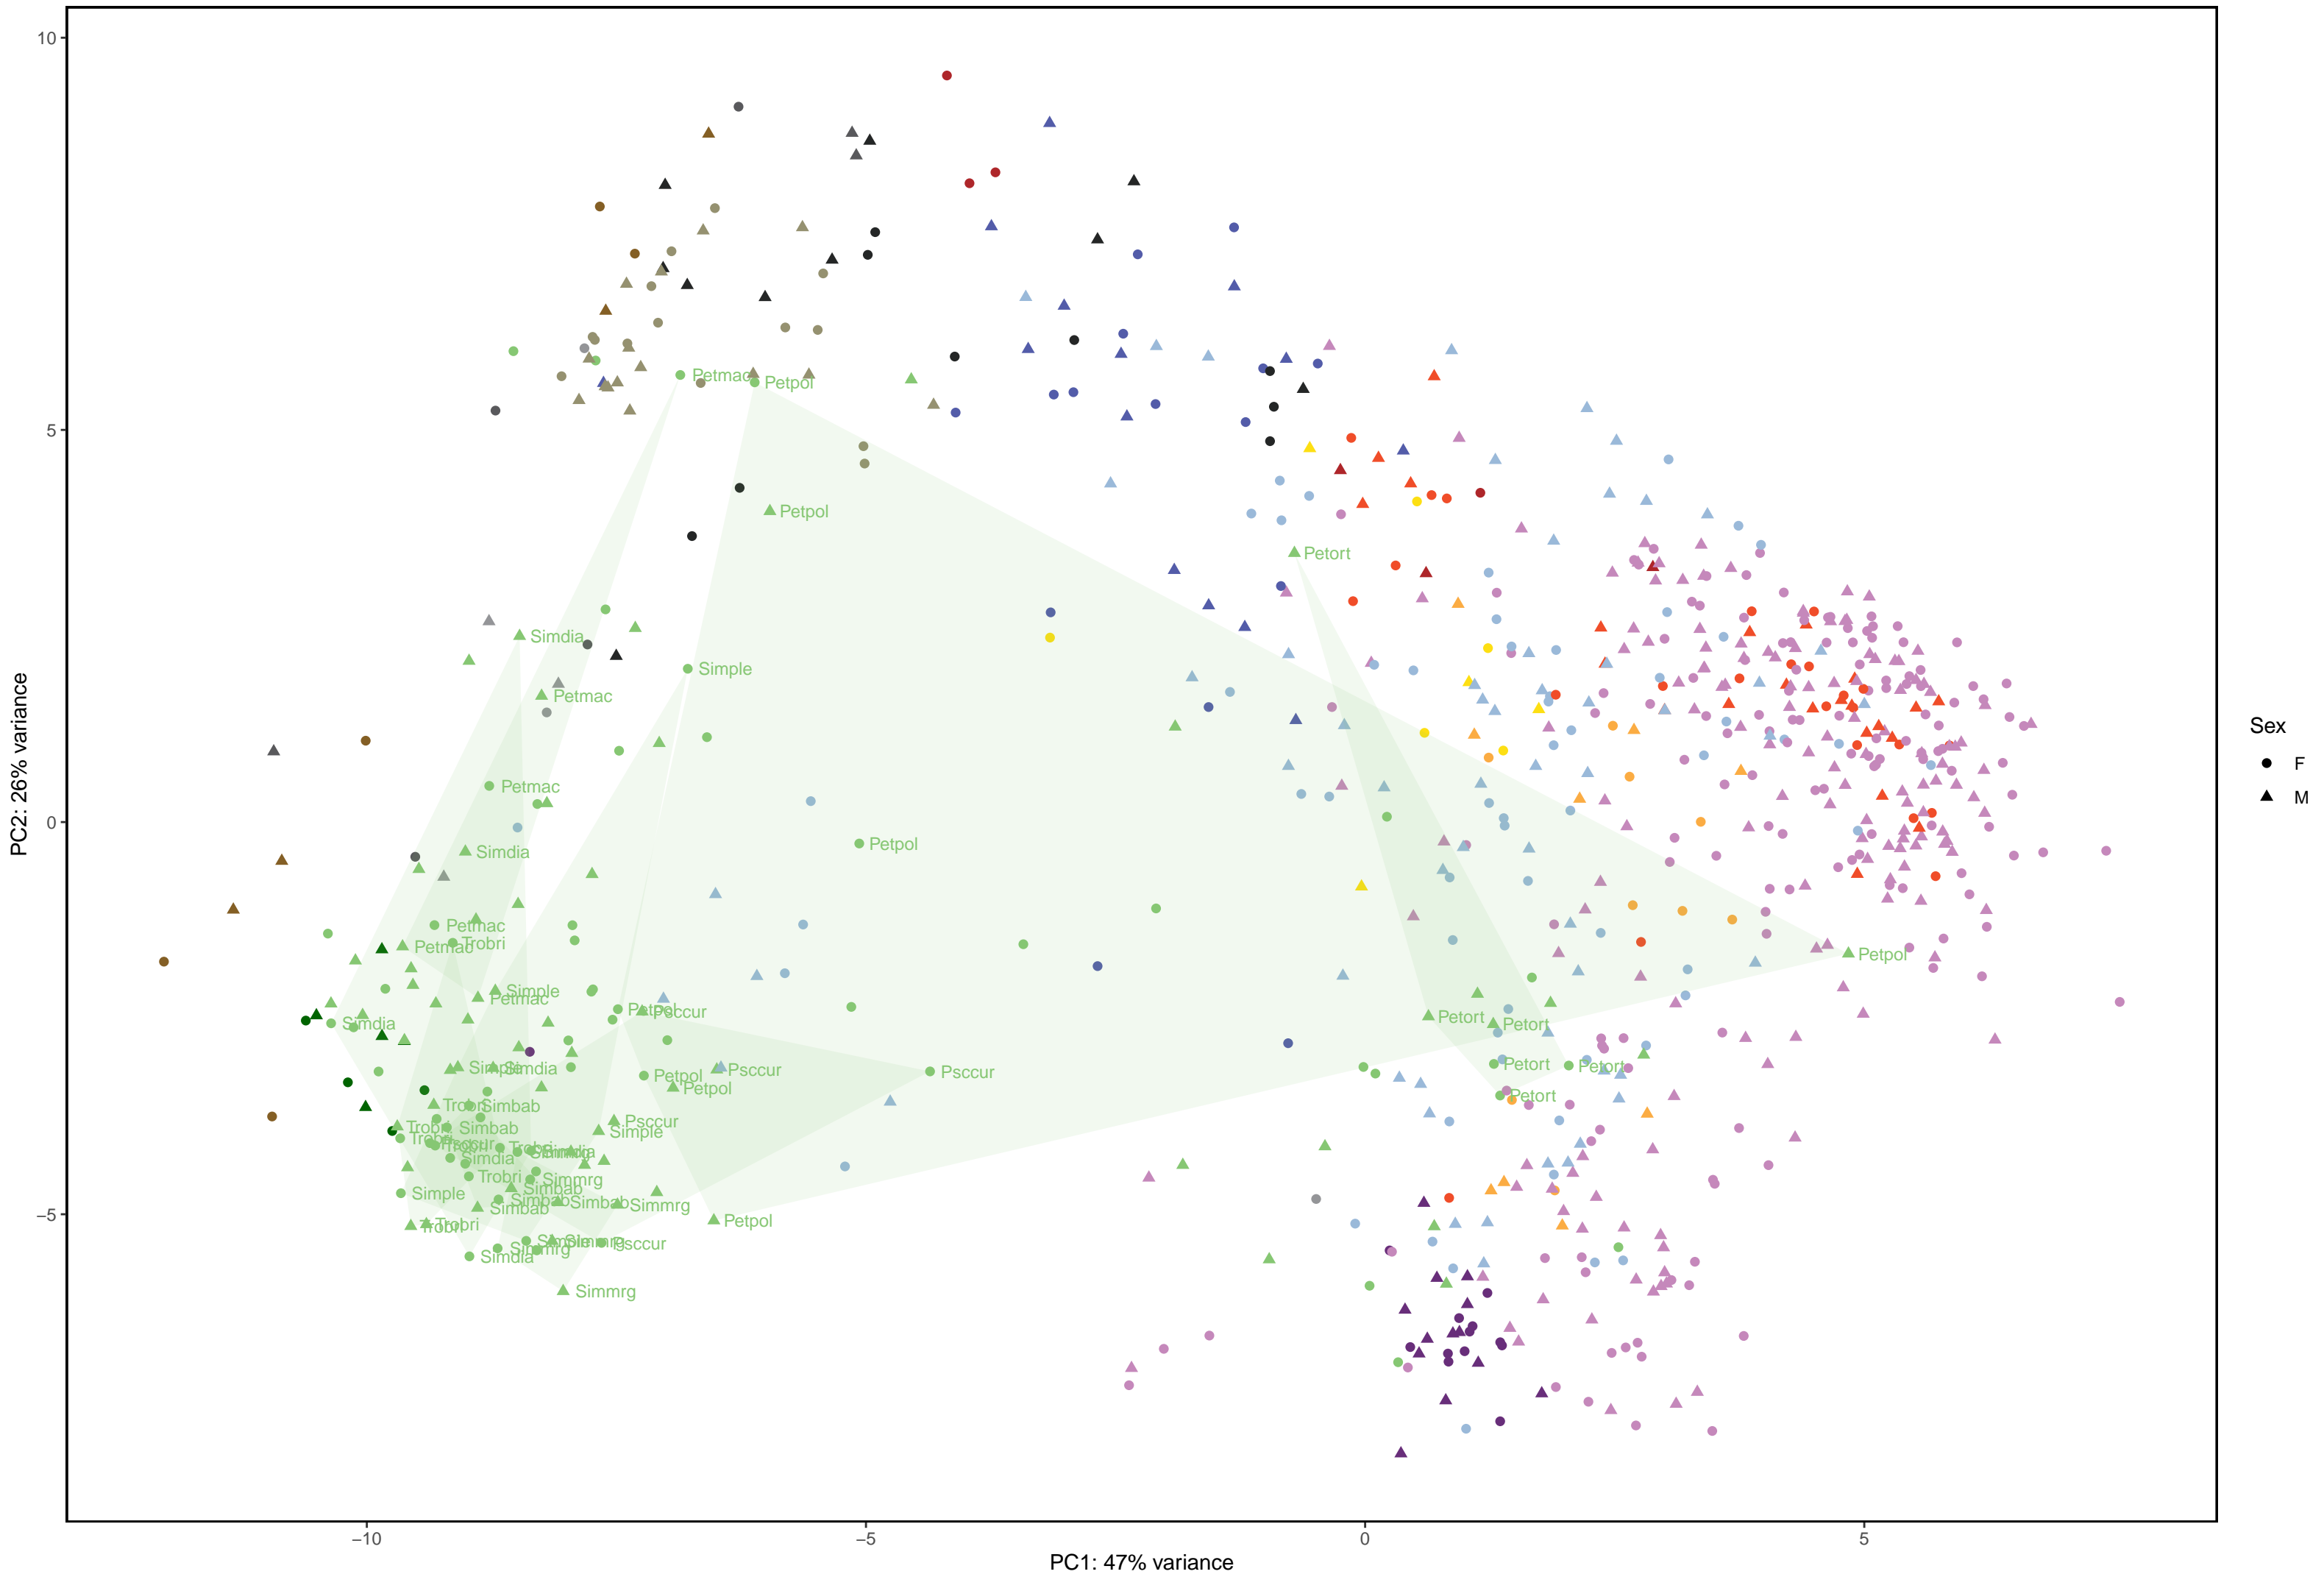

29002 protein-coding RNAs and lncRNAs  
9 Tropheini species (part 1)

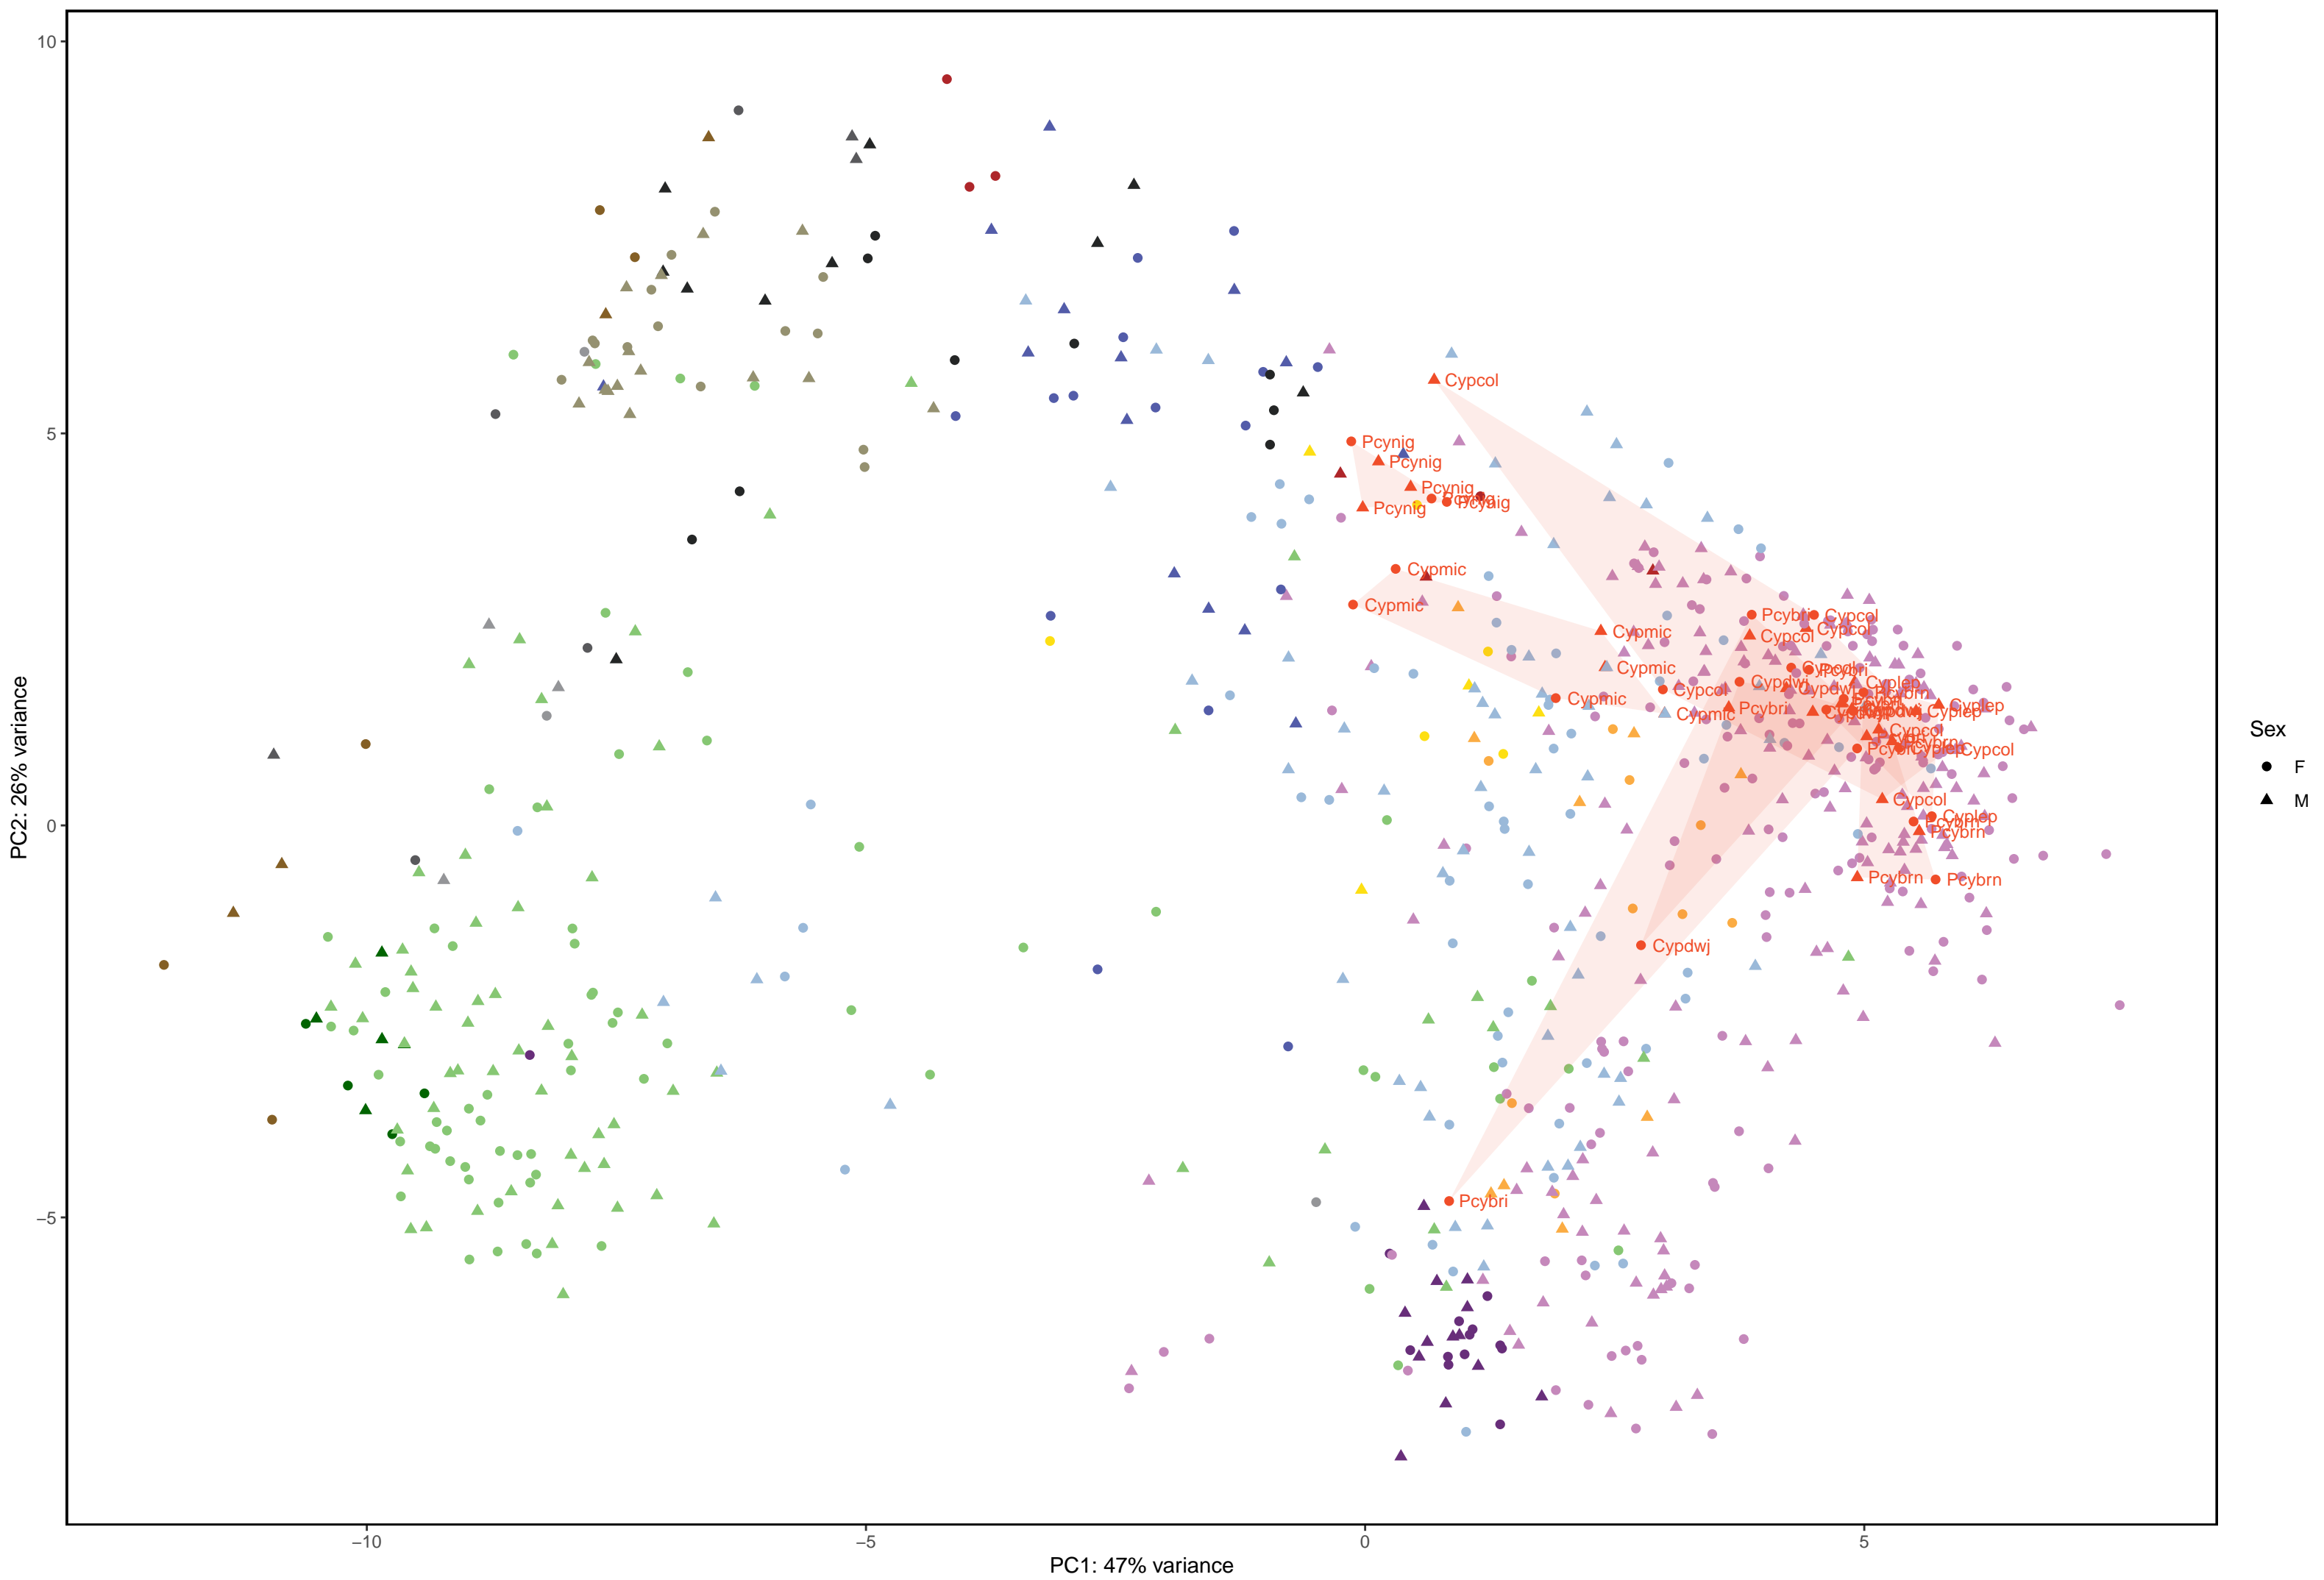

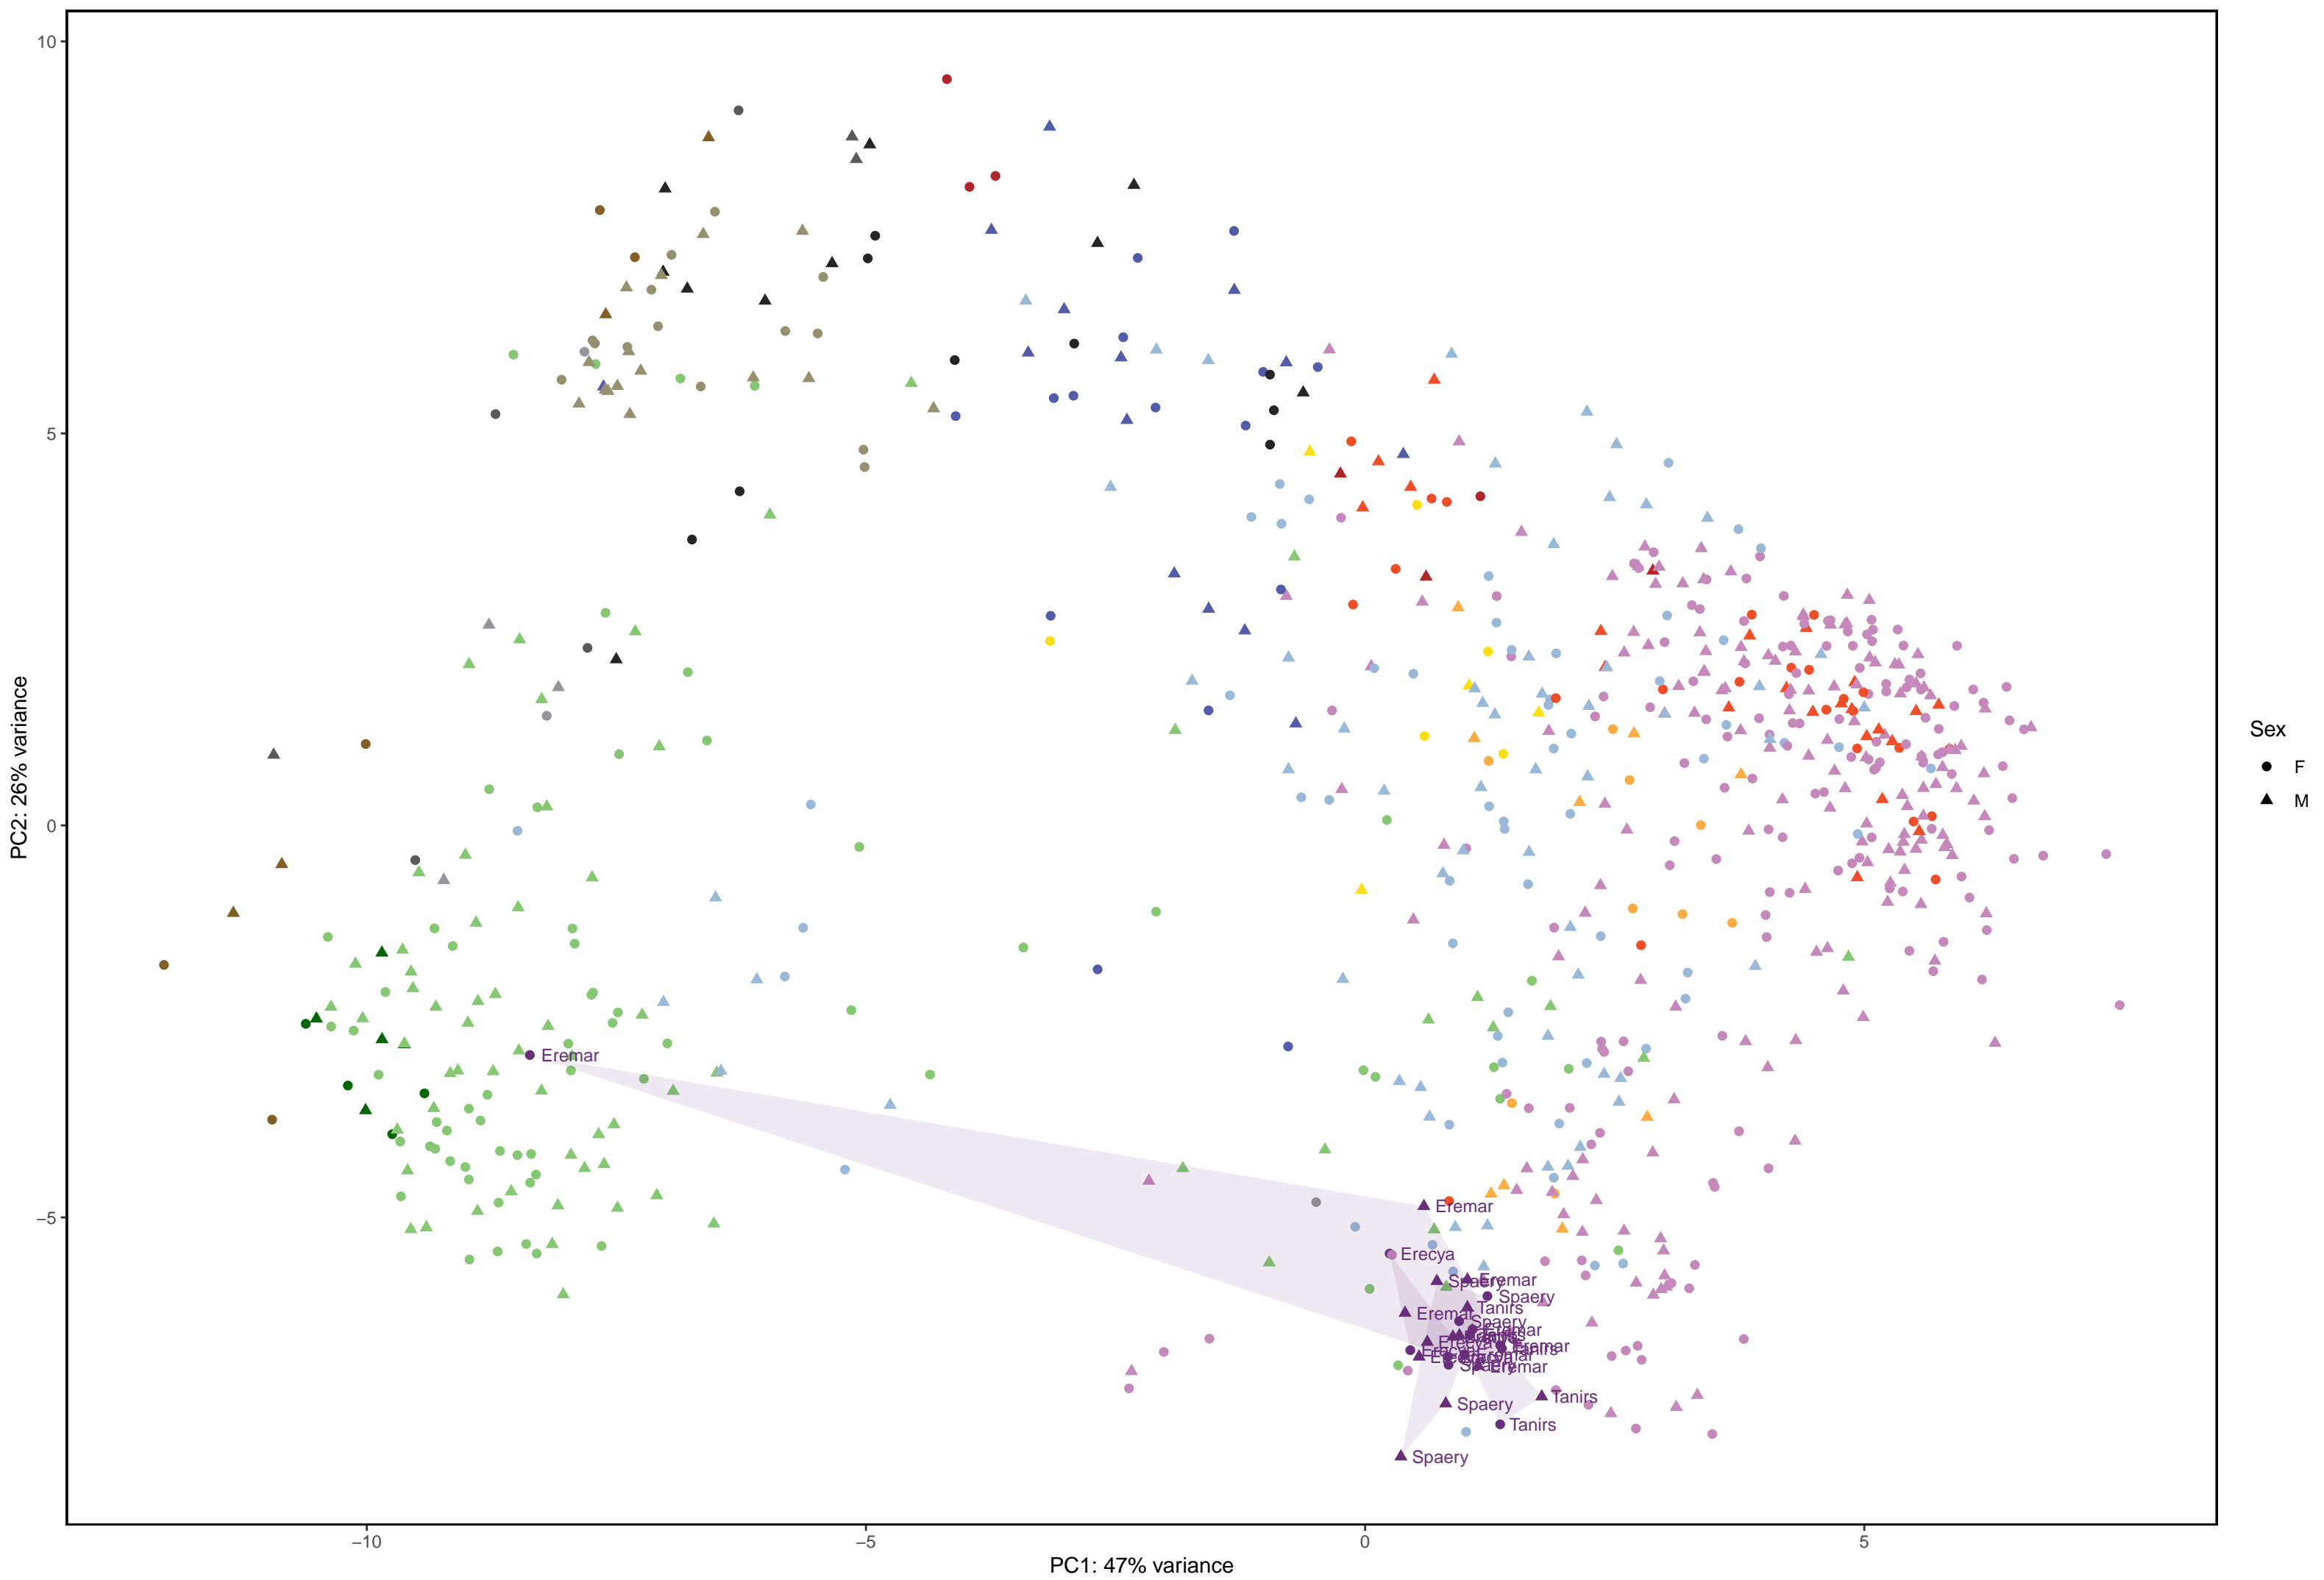

Opsins  
9 Tropheini species (part 2)

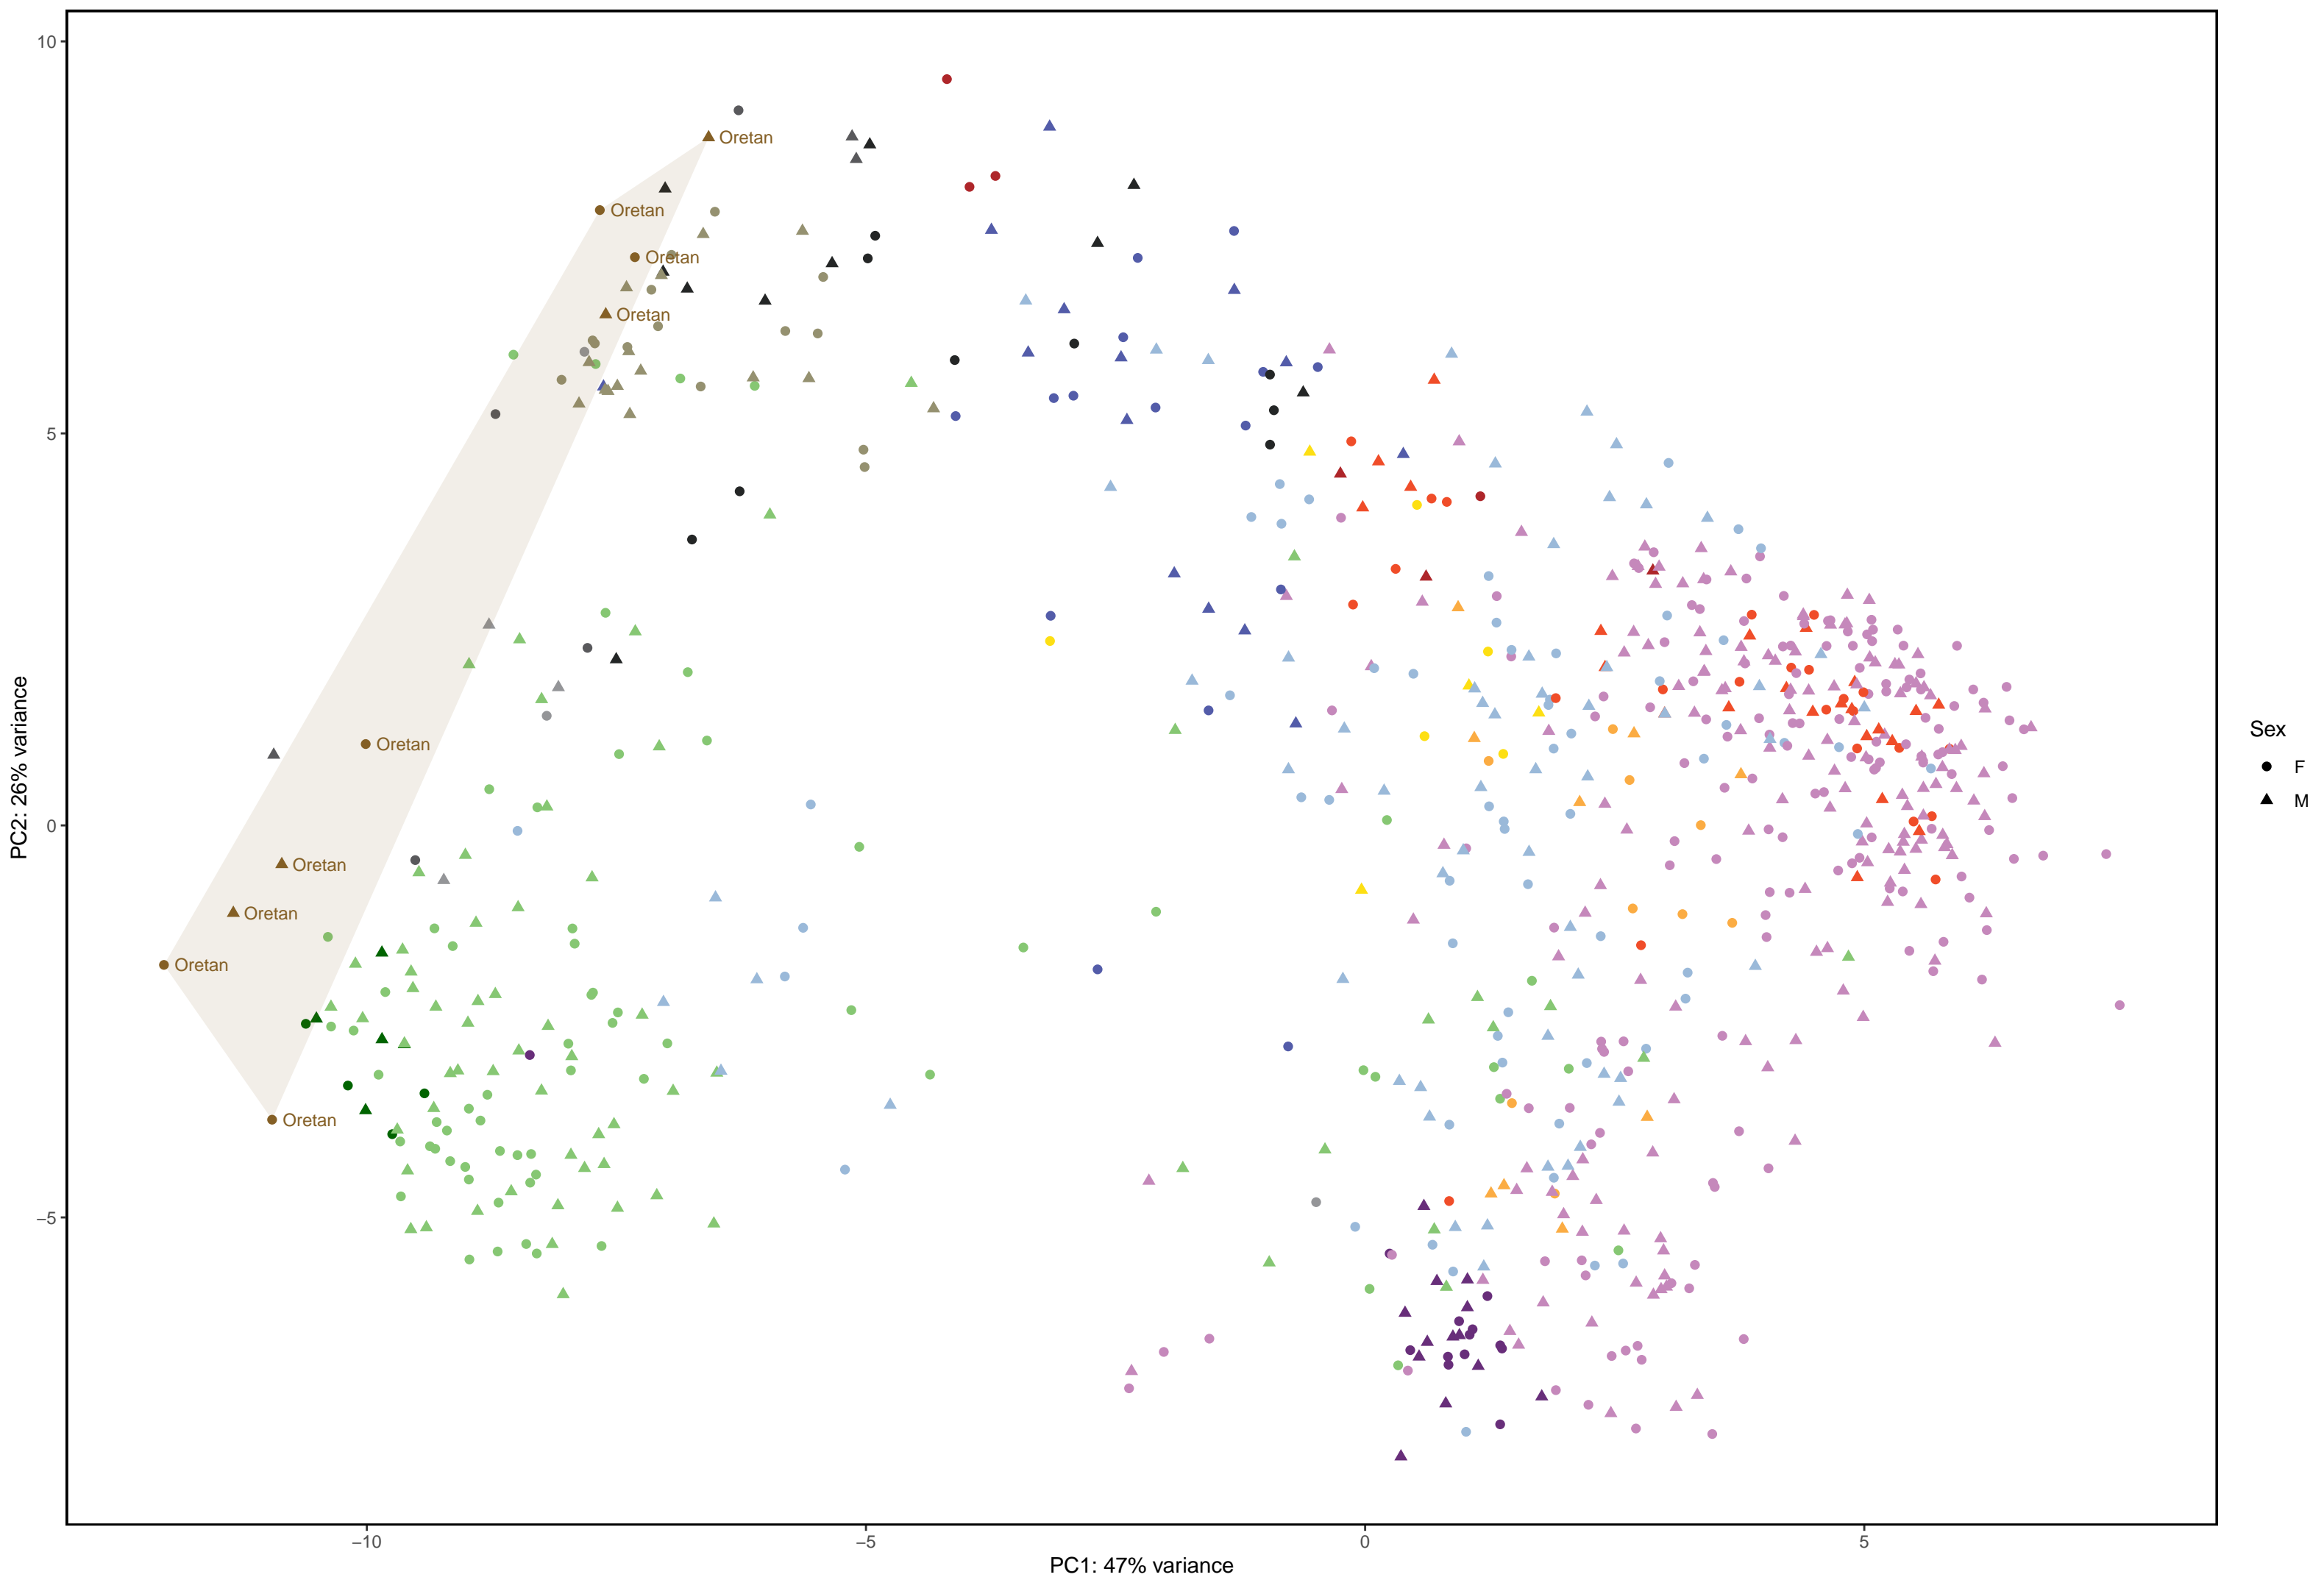

29002 protein-coding RNAs and lncRNAs  
7 Cyprichromini species (all species)

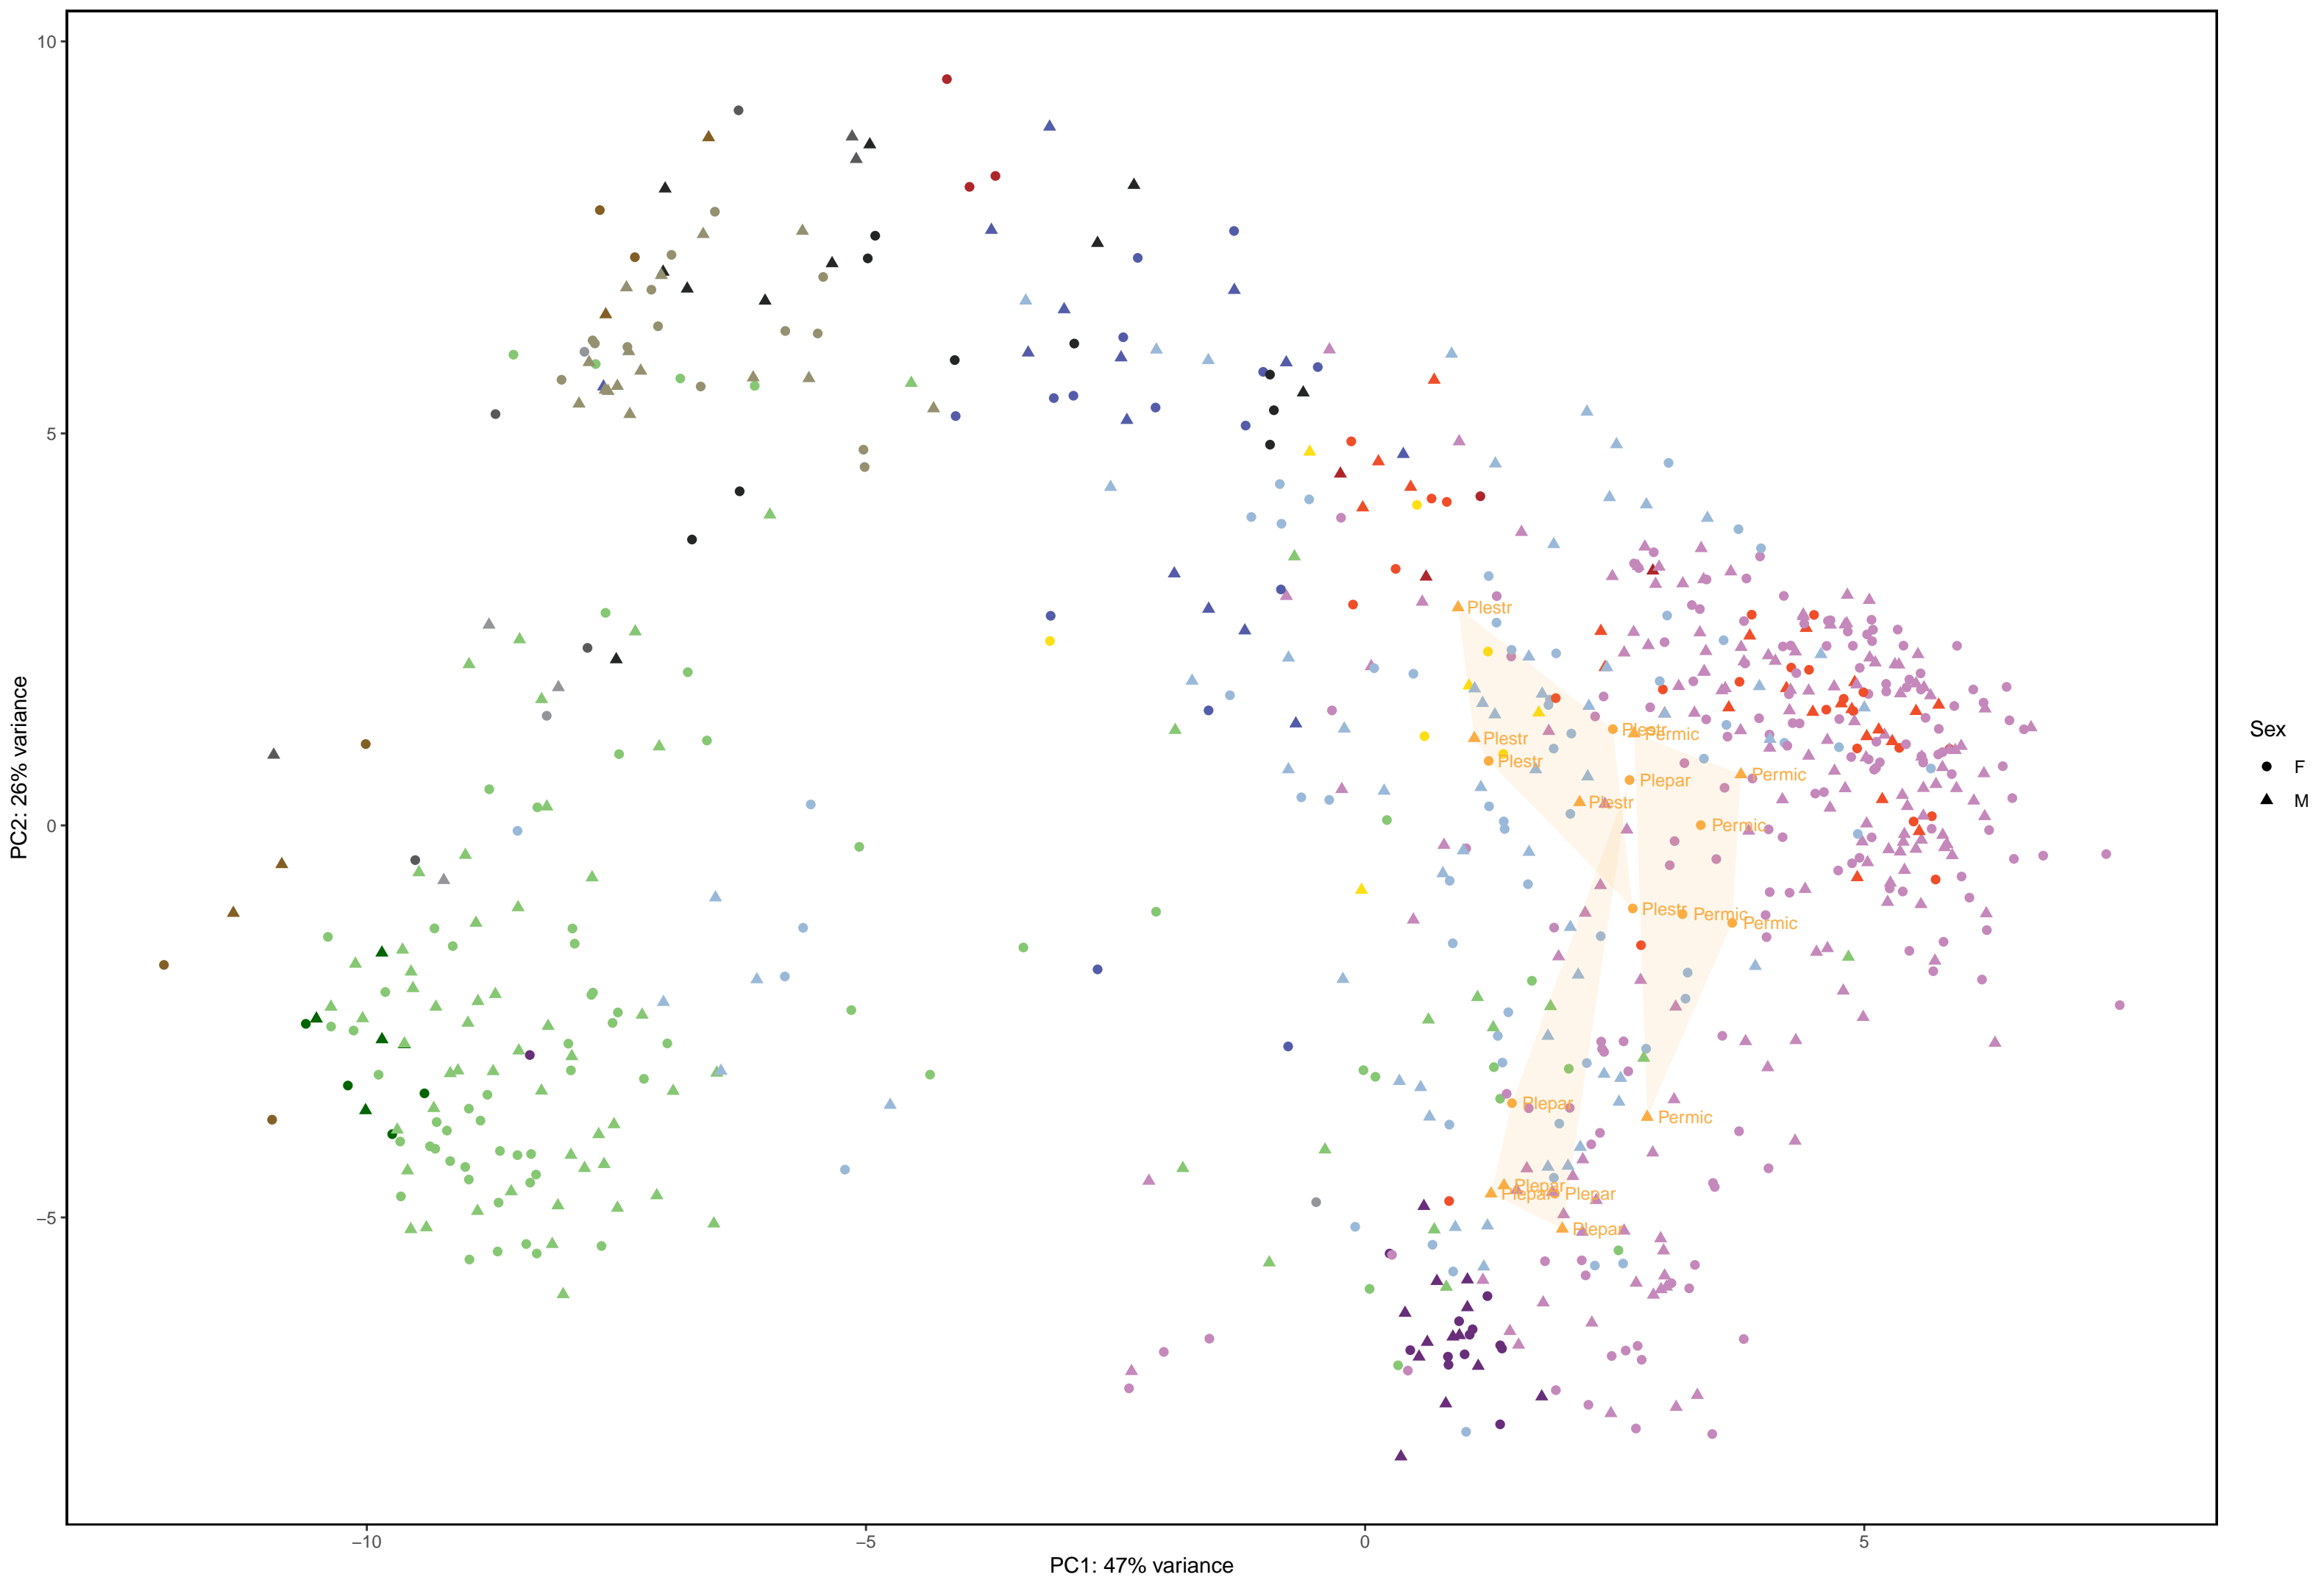

29002 protein-coding RNAs and lncRNAs  
4 Eretrmodini species (all species)

29002 protein-coding RNAs and lncRNAs  
1 Oreochromini species (all species)

29002 protein-coding RNAs and lncRNAs  
3 Perissodini species (all species)

29002 protein-coding RNAs and lncRNAs  
4 Trematocarini species (all species)

29002 protein-coding RNAs and lncRNAs  
1 Tylochromini species (all species)
